The phenomenally popular MasterLife series is now in paperback! This remarkable study guide is divided into four complete and discreet parts. The Disciple's Cross, instructs Christians to practice the six biblical disciplines of a disciple. In The Disciple's Personality, they are taught to live in the Spirit and become more like Christ. The Disciple's Victory depicts the loyal Christian's triumphs over the world, the flesh, and the devil. And finally, Christians are asked to look within themselves and

Divine health and prosperity are better than divine healing and provision. If you live in divine health and prosperity, you wont need a miracle to get healed or to pay your bills. If you cant see the difference between the two, that may be one reason you only visit Gods best instead of truly living in it. Most Christians live in a place where...

What would it be like to live without fear? Join renowned philosopher Dallas Willard as he shares the biblically-backed secret to living with true contentment, peace, and security. In *Life Without Lack*, Dallas Willard revolutionizes our understanding of Psalm 23

by taking this comfortably familiar passage and revealing its extraordinary promises: "The Lord is my shepherd, I shall not want...Yea, though I walk through the valley of the shadow of death, I will fear no evil." Written with Willard's characteristic gentle wisdom, *Life Without Lack* helps you experience: God's comforting presence God's abundant generosity Peace and freedom from worry Based on a series of talks by the late author and edited by his friend Larry Burtoft and by his daughter, Rebecca Willard Heatley, *Life Without Lack* will forever change the way you experience the most well-known passage in all of Scripture. Praise for *Life Without Lack*: "Dallas Willard helps us to understand that the Twenty-Third Psalm is not meant as a nice sentiment or for kitschy decor, it is for the very thick of our lives, the very moment of crisis. Imagine what our personal

lives, families, communities, and politics would look like if we rejected the frantic striving of our day, and instead embraced the life without lack offered to us in Jesus Christ. No one has helped me to imagine and enter into that life more than Dallas Willard. I recommend this book with great joy and hopeful expectation."

The astonishing, Job-like story of how an existence filled with loss, suffering, questioning, and anger became a life filled with shocking and incomprehensible peace and joy. Vaneetha Risner contracted polio as an infant, was misdiagnosed, and lived with widespread paralysis. She lived in and out of the hospital for ten years and, after each stay, would return to a life filled with bullying. When she became a Christian, though, she thought things would get easier, and they did: carefree college days, a dream job in Boston, and an MBA from Stanford where she met and married a classmate. But life unraveled. Again. She had four miscarriages. Her son died because of a doctor's mistake. And Vaneetha was diagnosed with post-polio syndrome, meaning she would likely become a quadriplegic. And then her

husband betrayed her and moved out, leaving her to raise two adolescent daughters alone. This was not the abundant life she thought God had promised her. But, as Vaneetha discovered, everything she experienced was designed to draw her closer to Christ as she discovered "that intimacy with God in suffering can be breathtakingly beautiful."

The Wonder of Your Love Thomas Nelson
New York Times bestseller What is Jesus worth to you? It's easy for American Christians to forget how Jesus said his followers would actually live, what their new lifestyle would actually look like. They would, he said, leave behind security, money, convenience, even family for him. They would abandon everything for the gospel. They would take up their crosses daily... But who do you know who lives like that? Do you? In *Radical*, David Platt challenges you to consider with an open heart how we have manipulated the gospel

to fit our cultural preferences. He shows what Jesus actually said about being his disciple--then invites you to believe and obey what you have heard. And he tells the dramatic story of what is happening as a "successful" suburban church decides to get serious about the gospel according to Jesus. Finally, he urges you to join in *The Radical Experiment* -- a one-year journey in authentic discipleship that will transform how you live in a world that desperately needs the Good News Jesus came to bring.
