## Choices of the Heart Shadow Mountain

“A passionate, alive, and original novel about love, race, and jazz in 1920s Harlem and Paris—a moving story of traveling far to find oneself” (David Ebershoff, author of *The Danish Girl* and *The 19th Wife*). On a sweltering summer night in 1925, beauties in beaded dresses mingle with hepcats in dapper suits on the streets of Harlem. The air is thick with reefer smoke, and jazz pours out of speakeasy doorways. Ben Charles and his devoted wife are among the locals crammed into a basement club to hear music and drink bootleg liquor. For aspiring poet Ben, the heady rhythms are a revelation. So is Baby Back Johnston, an ambitious trumpet player who flashes a devilish grin and blasts dynamite from his horn. Ben finds himself drawn to the trumpeter—and to Paris, where Baby Back says everything is happening. In Paris, black people are welcomed as exotic celebrities, especially those from Harlem. It’s an easy life, but it quickly leaves Ben adrift and alone, craving solace through anonymous dalliances in the city’s decadent underground scene. From chic Parisian cafés to seedy opium dens, his odyssey will bring new love, trials, and heartache, even as echoes from the past urge him to decide where true fulfillment and inspiration lie. *Jazz Moon* is an evocative story of emotional and artistic awakening set against the backdrop of the Harlem Renaissance and Jazz Age—Paris—a winner of the Edmund White Award and a finalist for the Lambda Literary Award. “*Jazz Moon* mashes up essences of Hurston and Hughes and Fitzgerald into a heady mixtape of a romance: driving and rhythmic as an Armstrong Hot Five record, sensuous as the small of a Cotton Club chorus girl’s back. I enjoyed it immensely.” —Larry Duplechan, author of *Blackbird* and *Got ’til It’s Gone*

Keep tissues handy.”—Fresh Fiction “Fans of *The Nightingale* and *Lilac Girls* will adore *The Things We Cannot Say*.” —Pam Jenoff, New York Times bestselling author In 1942, Europe remains in the relentless grip of war. Just beyond the tents of the Russian refugee camp she calls home, a young woman speaks her wedding vows. It’s a decision that will alter her destiny...and it’s a lie that will remain buried until the next century. Since she was nine years old, Alina Dziak knew she would marry her best friend, Tomasz. Now fifteen and engaged, Alina is unconcerned by reports of Nazi soldiers at the Polish border, believing her neighbors that they pose no real threat, and dreams instead of the day Tomasz returns from college in Warsaw so they can be married. But little by little, injustice by brutal injustice, the Nazi occupation takes hold, and Alina’s tiny rural village, its families, are divided by fear and hate. Then, as the fabric of their lives is slowly picked apart, Tomasz disappears. Where Alina used to measure time between visits from her beloved, now she measures the spaces between hope and despair, waiting for word from Tomasz and avoiding the attentions of the soldiers who patrol her parents’ farm. But for now, even deafening silence is preferable to grief. Slipping between Nazi-occupied Poland and the frenetic pace of modern life, Kelly Rimmer creates an emotional and finely wrought narrative. *The Things We Cannot Say* is an unshakable reminder of the devastation when truth is silenced...and how it can take a lifetime to find our voice before we learn to trust it. A New York Times Notable Book of the Year A Publishers Weekly Best Fiction Book of 2020 Most Anticipated Books of 2020 -- Vogue, Medium, LitHub Honoree for the 2021 Society of Midland Authors Prize Finalist for the 2021 Ohioana Book Award in fiction A Massachusetts Book Awards “Must Read Book” From the bestselling author of *The Wives of Los Alamos* comes the riveting story of a stranger's arrival in the fledgling colony of Plymouth, Massachusetts--and a crime that shakes the divided community to its core. Ten years after the Mayflower pilgrims arrived on rocky, unfamiliar soil, Plymouth is not the land its residents had imagined. Seemingly established on a dream of religious freedom, in reality the town is led by fervent puritans who prohibit the residents from living, trading, and worshipping as they choose. By the time an unfamiliar ship, bearing new colonists, appears on the horizon one summer morning, Anglican outsiders have had enough. With gripping, immersive details and exquisite prose, TaraShea Nesbit reframes the story of the pilgrims in the previously unheard voices of two women of very different status and means. She evokes a vivid, ominous Plymouth, populated by famous and unknown characters alike, each with conflicting desires and questionable behavior. Suspenseful and beautifully wrought, *Beheld* is about a murder and a trial, and the motivations--personal and political--that cause people to act in unsavory ways. It is also an intimate portrait of love, motherhood, and friendship that asks: Whose stories get told over time, who gets believed--and subsequently, who gets punished?
