The Dean's December New York : Viking Press

After being widely portrayed as a virulent racist and a traitor to his city, Professor Albert Corde, dean of the faculty of Journalism, is forced to leave Chicago. Corde is ill-equipped to handle the outrage that faces him, both as the author of several articles on Chicago's endemic corruption, and as an outspoken figure in the controversial trial of two black men charged with killing a white student. Travelling to Bucharest to visit his ailing mother-in-law, he is unable to escape the comparisons in his mind between the corrupt and dehumanizing aspects of the communist regime, and the abandoned streets of his home city. Meditating on the juxtaposition between two distant worlds, and obsessing over events that begin to unfold both in Chicago and Bucharest, he begins to concede defeat. In this tormented tale, amid the swirling forces that threaten to drown his humanity, Corde slides ever closer to the brink of desolation.

Fading charmer Tommy Wilhelm has reached his day of reckoning and is scared. In his forties, he still retains a boyish impetuosity that has brought him to the brink of chaos: he is separated from his wife and children, at odds with his vain, successful father, failed in his acting career (a Hollywood agent once placed him as 'the type that loses the girl') and in a financial mess. In the course of one climactic day he reviews his past mistakes and spiritual malaise, until a mysterious, philosophizing con man grants him a glorious, illuminating moment of truth and understanding, and offers him one last hope... This study of Saul Bellow, initially published in 1982, looks at this Nobel Prize-winning author as a leading figure in the development of contemporary fiction, one whose work has, however, been challenged by more experimental, 'post-modern' developments in the novel. Bradbury draws attention to Bellow's comedy, his sense of contemporary history and its stresses and anxieties, his attempt to sustain an adequate concept of the individual and the power of the imagination in an age of overwhelming concepts and notions of 'death of the subject'. Above all, emphasis is placed on Bellow's contemporaneity and significance, his role in the contemporary possibilities of the novel.

The Life of Saul Bellow *Seize the Day*

Pifer contends that Bellow's fiction is fundamentally radical. Going against the grain of contemporary culture and its secular pieties, he undermines accepted notions of reality and challenges the "orthodoxies" created by materialist values and rationalist thought. Charged by his belief in the soul, his 10 novels test the assumptions of traditional realism. Pifer stresses the importance to Bellow of the invisible world, the longing for revelation, and the capacity to love and to suffer. She also shows how Bellow's hero is a man torn between his modern predilection for secular rationalism and a primordial attachment to the soul, and how he is led to demolish reigning idols of contemporary thought and culture. Expecting to be inducted into the army, Joseph has given up his job and carefully prepared for his departure to the battlefield. When a series of mix-ups delays his induction, he finds himself facing a year of idleness. *Dangling Man* is his journal, a wonderful account of his restless wanderings through Chicago's streets, his musings on the past, his psychological reaction to his inactivity while war rages around him, and his uneasy insights into the nature of freedom and choice.

A lyrical new volume from a poet "beyond the achievement of all but a double handful of living American poets" (Harold Bloom). With irony, in mourning tinged with eros,

one of our most extraordinary poets blends the personal and the political to meditate on damage, aging, and injustice. The poems in *So Forth* surge back in memory, pondering guilt and forgiveness. Consciousness flows from singular to plural; identity in these poems does a round dance with other personae, with formidable women artists of the past in the powerful sequence "Legende of Good Women," with pre-Socratic philosophers, and with lovers, children, and strangers—the strangest of whom is the face in the mirror. In response to griefs both historical and contemporary, *So Forth* contemplates the quest for the holy and traditions of the sacred.

"The work of a great master still locked in unequal combat with Eros and Time."

– The New York Times Book Review A Penguin Classic In this dazzling work of fiction, Nobel Laureate Saul Bellow writes comically and wisely about the tenacious claims of first love. Harry Trellman, an aging, astute businessman, has never belonged anywhere and is as awkward in his human attachments as he is gifted in observing the people around him. But Harry's observational talents have not gone unnoticed by "trillionaire" Sigmund Adletsky, who retains Harry as his advisor. Soon the old man discovers Harry's intense forty-year passion for a twice-divorced interior designer, Amy Wustrin. At the exhumation and reburial of her husband, Harry is provided, thanks to Sigmund, perhaps the final means for disclosing feelings amassed over a lifetime. Written late in Bellow's career, *The Actual* is a maestro's dissection of the affairs of the heart. This Penguin Classics edition contains an introduction by Joseph O'Neill. "What makes all of this so remarkable is not merely Bellow's eye and ear for vital detail. Nor is it his talent for exposing the innards of character in a paragraph, a sentence, a phrase. It is Bellow's vision, his uncanny ability to seize the moment and to see beyond it." – Chicago Sun-Times A Penguin Classic Fading charmer Tommy Wilhelm has reached his day of reckoning and is scared. The Adventures of Augie March Odyssey Editions

When this second volume of *The Life of Saul Bellow* opens, Bellow, at forty-nine, is at the pinnacle of American letters - rich, famous, critically acclaimed. The expected trajectory is one of decline: volume 1, rise; volume 2, fall. Bellow never fell, producing some of his greatest fiction (*Mr Sammler's Planet*, *Humboldt's Gift*, all his best stories), winning two more National Book Awards, a Pulitzer Prize, and the Nobel Prize. At eighty, he wrote his last story; at eighty-five, he wrote *Ravelstein*. In this volume, his life away from the desk, including his love life, is if anything more dramatic than in volume 1. In the public sphere, he is embroiled in controversy over foreign affairs, race, religion, education, social policy, the state of culture, the fate of the novel. Bellow's relations with women were often fraught. In the 1960s he was compulsively promiscuous (even as he inveighed against sexual liberation). The women he pursued, the ones he married and those with whom he had affairs, were intelligent, attractive and strong-willed. At eighty-five he fathered his fourth child, a daughter, with his fifth wife. His three sons, whom he loved, could be as volatile as he was, and their relations with their father were often troubled. Although an early and engaged supporter of civil rights, in the second half of his life Bellow was angered by the excesses of Black Power. An opponent of cultural relativism, he exercised great influence in literary and intellectual circles, advising a host of institutes and foundations, helping those he approved of, hindering those of whom he disapproved. In making his case, he could be cutting and rude; he could also be charming, loyal, and funny. Bellow's heroic energy and will are clear to the very end of his life. His immense achievement and its cost, to himself and others, are also clear.

When he visited Israel in 1975, Saul Bellow kept an account of his experiences and impressions. It grew into an impassioned and thoughtful book. As he wryly notes, "If you want everyone to love you, don't discuss Israeli politics." But discuss them is very much what he does. Through quick sketches and vignettes, Bellow evokes places, ideas, and people, reaching a sharp picture of contemporary Israel. The reader is offered a wonderful panorama of an ancient and modern world city. Like every other visitor to Israel, Bellow tumbles into "a gale of conversation." He loves it and he makes the reader feel at home. Bellow delights in the liveliness, the gallantry

of Israeli life: people on the edge of history, an inch from disaster, yet brimming with argument and words. He delights not in tourist delusions but with a tough critical spirit: his Israel is pocked with scars and creases, and all the more attractive for it. Simply as a travel book, the reader finds remarkable descriptions, such as one in which Bellow finds "the melting air" of Jerusalem pressing upon him "with an almost human weight" Something intelligible is communicated by the earthlike colors of this most beautiful of cities. The impression that Bellow offers is that living in Israel must be as exhausting as it is exciting: a murderous barrage on the nerves. Israel, he writes, "is both a garrison state and a cultivated society, both Spartan and Athenian. It tries to do everything, to make provisions for everything. All resources, all faculties are strained. Unremitting thought about the world situation parallels the defense effort." Jerusalem's people are actively and individually involved in universal history. Bellow makes you share in the experience.

It's sweltering summer in New York City, and Asa Leventhal is alone. His co-workers ignore or condescend to him, his wife is away with her mother, and his estranged brother has run off, abandoning his wife and two sons. One night, Leventhal is confronted by a stranger--'one of those guys who want you to think they can see to the bottom of your soul'--who reveals himself to be a marginal figure from his distant past. Leventhal, accused of ruining the man's life, becomes shocked and dismissive, vehemently denying any part in the man's unhappy lot. But as time passes, he is increasingly unable to separate his own good fortune from the bad luck of this down-and-out stranger, who will not leave him be. A brief, haunting rumination on the vagaries of fate and responsibility, *The Victim* is, in the words of Norman Rush, Saul Bellow's "purest creation."

Abe Ravelstein is a brilliant professor at a prominent midwestern university and a man who glories in training the movers and shakers of the political world. He has lived grandly and ferociously--and much beyond his means. His close friend Chick has suggested that he put forth a book of his convictions about the ideas which sustain humankind, or kill it, and much to Ravelstein's own surprise, he does and becomes a millionaire. Ravelstein suggests in turn that Chick write a memoir or a life of him, and during the course of a celebratory trip to Paris the two share thoughts on mortality, philosophy and history, loves and friends, old and new, and vaudeville routines from the remote past. The mood turns more somber once they have returned to the Midwest and Ravelstein succumbs to AIDS and Chick himself nearly dies. Deeply insightful and always moving, Saul Bellow's new novel is a journey through love and memory. It is brave, dark, and bleakly funny: an elegy to friendship and to lives well (or badly) lived.
