**Knitting New Mittens & Gloves** Abrams

This volume of *Tudor Roses* presents new and reimagined garments based on the original *Tudor Roses* published in 1998. Alice Starmore looks to historical female figures of the Tudor Dynasty as inspiration for her stunning knitwear, and her modernization of traditional Fair Isle and Aran patterns has created a sensation in the knitting world. Through garment design, Starmore and her daughter Jade tell the stories of fourteen women connected with the Tudor dynasty. They weave a narrative around the known facts of their subjects' lives using photography, art, and the only medium through which the Tudor women could leave a lasting physical record in their world — needlework. *Tudor Roses* includes fourteen patterns for sweaters and

other wearables that follow the chronological order of the Tudor dynasty. A different model portrays each of the Tudor women, from Elizabeth Woodville, grandmother of Henry VIII, through Mary, Queen of Scots. The stunning design and photography appeals to knitters seeking designs that offer an attractive balance of historic and modern elements. *Westknits Bestknits 3 Down East* Books

*Soon You'll Be Sleeping* Simon and Schuster  
Sigurd Hoel (1890-1960) was one of the most influential literary figures in Norway between the wars. His scope was broad; besides being a major novelist, he was a subtle and incisive literary

critic, a vigorous cultural commentator, and a distinguished editor. The poet Andre Bjerke said at Hoel's death in 1960: "Had he written in English, he would have had a worldwide reputation." Among Hoel's major writings are *The Road to the World's End*, *The Troll Circle*, and *Meeting at the Milestone*. *The Road to the World's End* is a classic study of childhood and adolescence. Though the book has a dense image structure and a thematic range and depth that only an adult mind and sensibility could master, throughout its changing perspectives the narrational voice remains that of a growing child and a developing teenager. *Where's Wally Now?* Hachette UK

I am absolutely certain that this both sensual and hypnotic picture book will become a favorite for thousands of children." --Dagsavisen (Norway) Children sleep. Grown-ups sleep. Animals sleep. Children listening and reading will be lulled by the rhymes and the whimsical pictures of nature's dreamy beauty. Spring sleeps in wintertime, beneath the frozen snow, Among the roots and seeds and tiny things that grow. Spring dreams of bugs and spiders creeping on the grass Of tadpoles swiftly swimming and buds that open fast. Of bees that flit from bloom to bloom, all day without a pause, Of ladybugs and brooks that babble as the cold ice thaws. Spring is up and leaping now, so happy in the sun. The world has come alive, the transformation has begun. Spring wakes up after winter. This is always true. But in the springtime summer sleeps. Knitting Socks from Around the World Sun & Moon

The fourth novel in a historical series that began with the International Booker-shortlisted *The Unseen* "Taken together, Jacobsen has given us an epic of Norway's experience of the first half of the 20th century that is subtle and moving" David Mills, Sunday Times "Jacobsen can make almost anything catch the light . . . One of Norway's greatest writers on the working class" Times Literary Supplement A childless island is no island at all. Ingrid Marie Barrøy has returned to the island that bears her name, bringing up her daughter with the other children that came with the war, who will someday raise their own children until an island that was empty is singing once more with life. And soon another will arrive, a child of the war and an orphan of the peace, whom Ingrid will fight to make her own, and whose interests may, in time, collide with those of certain others on the island, forcing her to make a choice she will long regret. The sea brings the island all it has - herring for salting, eider ducks for down - but Ingrid knows, has always known, that one day it may wish to take something back. But until

that day, she continues to live by one simple truth: There is no limit to what you can do with an island, the imagination sets the only limits, as with the sea. Translated from the Norwegian by Don Bartlett and Don Shaw Reviews for *The Unseen* "Even by his high standards, his magnificent new novel *The Unseen* is Jacobsen's finest to date, as blunt as it is subtle and is easily among the best books I have ever read" Eileen Battersby, Irish Times "A beautifully crafted novel . . . Quite simply a brilliant piece of work . . . Rendered beautifully into English by Don Bartlett and Don Shaw, *The Unseen* is a towering achievement that would be a deserved Booker International winner" Charlie Connelly, New European. "A profound interrogation of freedom and fate, as well as a fascinating portrait of a vanished time, written in prose as clear and washed clean as the world after a storm" Justine Jordan, Guardian "The subtle translation, with its invented dialect, conveys a timeless, provincial voice . . . *The Unseen* is a blunt, brilliant book" Tom Graham, Financial Times.
