I've been taking care of my little sister for a long time. When Mom was gone, she suddenly became my responsibility. The best years of my life were spent being a caretaker to someone else...with no one to take care of me. So I moved to Paris for my study-abroad program and ended up staying, getting a French Literature degree, studying the classics while sipping the best wine I'd ever had. My sister never makes the best decisions, always makes messes to clean up, and it's finally time for me to have my own life. But when she comes to Paris for a visit...she brings trouble with her. She gets herself into a bad situation, and of course, I come to her rescue...like I always do. Now we're in a labor camp in the middle of nowhere, surrounded by endless snow and mountains, processing drugs for a group of men that never show their faces. There's no chance of escape in this wilderness. Except for my guard. He's not a saint, but he's the only man that's kind to me. He knows I want to escape, but he never reports me. When I've had a hard day, he brings me extra things to make my life easier. He tells me not to run because I'll never make it...but he brings me little hidden tools...as if he's giving me the means. Like he wants me to be free.

Does being nobody's fool mean that you're nobody's love? Colleen O'Rourke is in love with love...just not when it comes to herself. Most nights, she can be found behind the bar at the Manningsport, NY, tavern she owns with her twin brother, doling out romantic advice to the lovelorn, mixing martinis and staying more or less happily single. See, ten years ago, Lucas Campbell, her first love, broke her heart...an experience Colleen doesn't want to experience again, thanks. Since then, she's been happy with a fling here and there, some Olympic-level flirting and playing matchmaker to her friends. But a family emergency has brought Lucas back to town, handsome as ever and still the only man who's ever been able to crack her defences. Seems like maybe they've got some unfinished business waiting for them – but to find out, Colleen has to let her guard down, or risk losing a second chance with the only man she's ever loved. "Higgins [offers] strong storytelling and a refreshing, sarcastic edge...thoroughly entertaining." – People magazine
The Deception Jasinda Wilder
The Beatles wrote 176 of the greatest songs ever to appear in popular music. This songbook

includes every single one of them. Each piece is arranged for Piano and Voice, with full lyrics and chord symbols. These simplified arrangements are accompanied by original photographs and some of the strangest, full-colour illustrations to ever grace a book. The wonderfully surreal presentation, along with an absorbing article by Ray Connolly, makes this a commemorative collectible as much as a book of music.

I've been through hell to get to this place. To wear the perfect white dress and stand beside Royce Hale, the liar I tried desperately not to fall in love with and failed. Or maybe I'm still trapped in hell because the devil is here too. He lurks at my side, plotting terrible ways to make me his. It's win at all costs in this family, and I know now just how far the Hales will go to get what they want. But you can't survive in a house full of lies without learning the art of deception, and once I become a Hale, I'll show them exactly what I've mastered. THE DECEPTION is the third and final book in the twisted Filthy Rich Americans trilogy. It should be read after THE INITIATION and THE OBSESSION. Gran Libro de Los Mejores Cuentos: Volumen 1 Tacet Books I was a Sixty-Eight Whiskey—a combat medic. So when I hear someone shout “MEDIC!” training just kicks in. It's automatic, immediate. I don't think I even saw the guy whose leg I tended to, not really. All I saw was him. Zane Badd. His tuxedo fit him like he'd been sewn into it, and his eyes reflected the fury and the hardness of a combat veteran, but when he looked at me, he just...softened. By

the time I had his brother patched, Zane and I were both covered in blood, and I knew I had to have him. The trouble with Zane isn't getting him, it's keeping him. And the trouble with me is, even if I could hold onto a man like Zane, I wouldn't know what to do with him. It's not in my nature, and if life has taught me anything, it's to not trust anyone, least of all men like Zane. He's a warrior through and through, hard, muscular, gorgeous, tenacious, and yet oddly tender toward me. Experience and instincts are telling me to run from Zane Badd as fast as possible, but my heart and my body are telling me to stay, to hold on and not let go. Yeah, it's a conflict as old as humanity itself, but it's brand new for me. * * * Life as Navy SEAL doesn't exactly prepare you for normality. Yeah, I can tend bar and goof off with my seven crazy brothers, but what do I do when the woman of my dreams—dreams I didn't know I'd had until I saw her—explodes into my life like a frag grenade? I'm trained to attack, to win, to survive at any costs, and figuring out what to do about a woman like Amarantha Quinn will take every scrap of tenacity and courage I possess. Combat is easy, it turns out, in comparison to facing your own fears and scars. And then sometimes, just when you think you've got it finally figured out, fate throws you a screwball and sends everything FUBAR. The Chateau Vintage LIMITED TIME BOX SET
