10X Quotes Grand Central Publishing

While a Vice President at Salesforce, David Priemer had an epiphany during one of the company's high-pressure selling periods: the very sales tactics they were using were not working on him. Yes, the numbers still showed results, but through brute force rather than elegance and efficiency. Priemer also discovered that his sales colleagues were spending far more time on leads that did not convert to sales than on those that did. His company--and his entire profession--was acting with more than enough gusto, but without enough awareness and empathy. They were not selling the way they buy. *Sell the Way You Buy* is about much more than putting yourself in the customer's shoes. Customers don't always know what they want or need, or they may be seeking a solution for something that isn't their core problem. They suffer from status quo bias, from recency bias, from confirmation bias. And meanwhile, the state of overwhelming choice has most products and solution providers adrift in the "Sea of Sameness." In today's world, almost everyone is in sales, but as Priemer realized, we don't teach it. *Sell the Way You Buy* will show you how to ask questions, how to listen, how to tell a compelling brand story, and how to talk to customers (how to talk to people). Priemer reveals scientifically supported methods to

understand the customer, identify their needs, and move them toward the right solution--all the while teaching you to avoid all the reasons why the average person doesn't like salespeople. In short, to sell the way you buy.

Summary: Sell Or Be Sold Thomas Nelson Inc

There are universal laws of selling that determine whether you succeed, or don't succeed — whether you earn enough to enjoy the lifestyle you want or struggle to make ends meet. When you align the wind with your

sails, you move effortlessly across the water. When your sails are out of alignment, you flounder and go nowhere. If you align your thinking and actions with these powerful laws of selling, you will be more effective and efficient. You will encounter less friction, require less energy, and get bigger results faster. Here's a sampling of Jeffrey's 21.5 Laws of Selling:

- Deliver Value First
- Ask Before Telling
- Communicate in Terms of Them
- Become Your Own Brand
- Earn Referrals and Testimonials without Asking
- Create Loyal Customers

These 21.5 Laws are the rock foundation of selling. They may be invisible but they are undeniable — and unbreakable. If you're just getting started in selling, you will find the Laws invaluable. Whether or not you learn them and follow them will make or break your career. If you've been in sales for a while, you will find yourself saying, "I haven't been doing that." "I knew that! How did I forget?" When we break the Laws we pay the price. Our sales suffer. Our bank account takes a hit. It's an effort to get out of bed and make a sales call, to do our best work — work that is aligned with the Laws. Use Jeffrey's Laws of Selling to recharge your enthusiasm and redirect your actions back to what really works.
