Nitty Gritty Grammar Teacher's Book Routledge Nov. issue includes Proceedings of the annual meeting.

Essentials of English Grammar John Wiley & Sons How does good writing stand out? If its purpose is to convey facts, findings, or instructions, it

need be read only once for its content to be clear. If its purpose is to entertain or to provoke thought, it makes readers want to come back for more. Revised and updated, this guide covers four essential aspects of good writing:

- Individual words - spelling variations, hyphenation, frequently confused homonyms, frequently misused words and phrases, irregular plurals and negatives, and uses of capitalization and type style to add special meanings
- Punctuation - the role of each mark in achieving clarity and affecting tone, and demonstration of how misuses can lead to ambiguity
- Syntax and structure - agreement of subject and verb, parallel construction,

modifiers, tenses, pronouns, active versus passive voice, and more

- Style - advice on the less hard-and-fast areas of clarity and tone, including sentence length and order, conciseness, simplification, reading level, jargon and clichés, and subtlety

Filled with self-test exercises and whimsical literary quotations, Grammatically Correct steers clear of academic stuffiness, focusing instead on practical strategies and intuitive explanations. Discussions are designed to get to the heart of a concept and provide a sufficient sense of when and how to use it, along with examples that show what ambiguities or misinterpretations might result if the rules are not followed. In cases where there is more

than one acceptable way to do something, the approach is not to prescribe one over another but simply to describe the options. Readers of this book will never break the rules of language again - unintentionally.

The Blue Book of Grammar and Punctuation Dog Ear Publishing

In this worktext, Wong ensures that students focus on their grammar and sentence-writing skills by offering clear, step-by-step instruction reinforced through numerous examples and abundant exercises for individual, partner, or group practice. The Everything Spanish Grammar Book Learning Express Llc

Updated and expanded, this book fills a double purpose as both a useful classroom text and a practical style manual for writers. It reviews English grammar, sentence structure, punctuation, and correct word usage, and advises on adapting writing style to different formats, including both classroom assignments, business documents, and electronic communication. Readers will also find detailed instruction on essay writing, starting with

outlining a subject, and going on to writing a draft and then editing and polishing it into a finished composition. New in this edition is a sample research paper that uses online sources and follows the widely popular MLA style for footnotes.
