"What the heck is my partner thinking?" is a common refrain in romantic relationships, and with good reason. Every person is wired for love differently, with different habits, needs, and reactions to conflict. The good news is that most people's minds work in predictable ways and respond well to security, attachment, and rituals, making it possible to actually neurologically prime the brain for greater love and fewer conflicts. *Wired for Love* is a complete insider's guide to understanding a partner's brain and promoting love and trust within a

romantic relationship. Readers learn ten scientific principles they can use to avoid triggering fear and panic in their partners, manage their partners' emotional reactions when they do become upset, and recognize when the brain's threat response is hindering their ability to act in a loving way. By learning to use simple gestures and words, readers can learn to put out emotional fires and help their partners feel more safe and secure. The no-fault view of conflict in this book encourages readers to move past a "warring brain" mentality and toward a more cooperative "loving brain" understanding of the relationship. Based in the sound science of neurobiology, attachment theory, and emotion regulation research, this book is essential reading for couples and others interested in understanding the complex dynamics at work behind love and trust in intimate relationships. *I Promise You Forever* OUP USA

The Meaning of Marriage

Nicholas Brealey
INSTANT NEW YORK TIMES
BESTSELLER The #1 New York Times bestselling author of *It Ends with Us*—whose writing is "emotionally wrenching and

utterly original" (Sara Shepard, New York Times bestselling author of the *Pretty Little Liars* series)—delivers a tour de force novel about a troubled marriage and the one old forgotten promise that might be able to save it. Quinn and Graham's perfect love is threatened by their imperfect marriage. The memories, mistakes, and secrets that they have built up over the years are now tearing them apart. The one thing that could save them might also be the very thing that pushes their marriage beyond the point of repair. *All Your Perfects* is a profound novel about a damaged couple whose potential future hinges on promises made in the past. This is a heartbreaking page-turner that asks: Can a resounding love with a perfect beginning survive a lifetime between two imperfect people?

Gospel Principles Sentence of Marriage Promise to Marry is book one in the New York Times bestselling three-book series *Promises*. We were best friends since as early as I could remember. We grew up together. We were next door neighbors. We shared each other's deepest secrets. When I was thirteen, we made a pact: if we were still single by the time we were 30, we'd marry each other. Today was my thirtieth birthday. I was single. I knew he was single too. But we were no longer best friends, and a part of me knew that he hated me. This is book one of a three book series. Books two and three will be full-length novels. **Book Two: Promise to Keep** **Book Three: Promise of Forever** **Sentence of Marriage** ERH Press

NOW A MAJOR MOTION

PICTURE—The #1 New York Times bestselling worldwide sensation with more than 15 million copies sold, hailed by The New York Times Book Review as “ a painfully beautiful first novel that is at once a murder mystery, a coming-of-age narrative and a celebration of nature. ” For years, rumors of the “ Marsh Girl ” have haunted Barkley Cove, a quiet town on the North Carolina coast. So in late 1969, when handsome Chase Andrews is found dead, the locals immediately suspect Kya Clark, the so-called Marsh Girl. But Kya is not what they say. Sensitive and intelligent, she has survived for years alone in the marsh that she calls home, finding friends in the gulls and lessons in the sand. Then the time comes when she yearns to be touched and loved. When two young men from town become intrigued by her wild beauty, Kya opens herself to a new life—until the unthinkable happens. Where the Crawdads Sing is at once an exquisite ode to the natural world, a heartbreaking coming-of-age story, and a surprising tale of possible murder. Owens reminds us that we are forever shaped by the children we once were, and that we are all subject to the beautiful and violent secrets that nature keeps.

In a sensational breach-of-promise suit, two wealthy social climbers are suing on behalf of their beautiful daughter, Zillah. The defendant is Zillah's alleged fiancé, brilliant young architect Killian Melville, who adamantly declares that he will not, cannot, marry her. Utterly baffled by his client's refusal, Melville's counsel, Sir Oliver Rathbone, turns to his old comrades in crime—William Monk and nurse Hester Latterly. But even as they scout London for clues, the case suddenly and tragically ends, in an outcome that no one—except a ruthless murderer—could have foreseen.

This book addresses fundamental questions about marriage in moral and political philosophy. It examines promise, commitment, care, and contract to argue that marriage is not morally transformative. It argues that marriage discriminates against other forms of caring relationships and that, legally, restrictions on entry should be minimized.

With her three children, beautiful home, and loving husband, Margaret Crane is a woman others would envy. Adam's job has cushioned them nicely over the years, and it should be a time of contentment, rewards, of new challenges together. But lately Adam has been working too late, too hard, at the office. Margaret is sure it's just the rumored takeover of his company--until she meets Randi, The Other Woman... Meanwhile, Nina, the orphaned cousin the Cranes raised as their own daughter, is reveling in New York. She thinks she's found Mr. Right in Keith, a brilliant investment banker. But Keith has a secret he has not shared with Nina. All he asks for is time...and patience. And as Nina clings to stolen weekends with Keith, Margaret plays dutiful wife, trying to ignore warning signs of her own failing marriage. A rift has developed between the two women who have loved each other as mother, daughter, friends. Keith is not welcome in Margaret's home. And Nina herself is the other woman...

All Your Perfects Integrity Publishers

We commonly think of marriage as a private matter between two people, a personal expression of love and commitment. In this pioneering history,

Nancy F. Cott demonstrates that marriage is and always has been a public institution. From the founding of the United States to the present day, imperatives about the necessity of marriage and its proper form have been deeply embedded in national policy, law, and political rhetoric. Legislators and judges have envisioned and enforced their preferred model of consensual, lifelong monogamy--a model derived from Christian tenets and the English common law that posits the husband as provider and the wife as dependent. In early confrontations with Native Americans, emancipated slaves, Mormon polygamists, and immigrant spouses, through the invention of the New Deal, federal income tax, and welfare programs, the federal government consistently influenced the shape of marriages. And even the immense social and legal changes of the last third of the twentieth century have not unraveled official reliance on marriage as a "pillar of the state." By excluding some kinds of marriages and encouraging others, marital policies have helped to sculpt the nation's citizenry, as well as its moral and social standards, and have directly affected national understandings of gender roles and racial difference. Public Vows is a panoramic view of marriage's political history, revealing the national government's profound role in our most private of choices. No one who reads this book will think of marriage in the same way again.
