VARYING SENTENCE STRUCTURE

A complex sentence contains a subordinate clause and an independent

clause. A subordinate clause is a group of words that has a subject and a verb but does not express a complete thought. Here's a sentence diagram of a complex sentence. Note that there are still two horizontal lines, but one of them is below the other and moved to the right.

This guide includes instructional pages on grammar. A complex sentence contains at least one independent clause and at least one dependent clause. Dependent clauses can refer to the subject (who, which) the sequence/time (since, while), or the causal elements (because, if) of the independent clause. If a sentence begins with a dependent clause, note the comma after this clause.

The basic parts of a sentence are the subject, the verb, and (often, but not always) the object. The subject is usually a noun—a word that names a person, place, or thing. The verb (or predicate) usually follows the subject and identifies an action or a state of being. An object receives the action and usually follows the verb.
