American Indian Myths and Legends HarperCollins

What enables people to bounce back from stressful experiences? How do certain individuals maintain a sense of purpose and direction over the long term, even in the face of adversity? This is the first book to move beyond childhood and adolescence to explore resilience across the lifespan. Coverage ranges from genetic and physiological factors through personal, family, organizational, and community processes. Contributors examine how resilience contributes to health and well-being across the adult life cycle; why—and what happens when—resilience processes fail; ethnic and cultural dimensions of resilience; and ways to enhance adult resilience, including reviews of exemplary programs.

Paradise Lost. Book 10 Read Books Ltd

While there has been a flood of scholarly efforts to extend, adapt, and revise Foucault ' s exploration of the emergence and operations of neoliberalism, the study of foreign policy has remained steeped in the analysis of partisanship, institutions, policies, and personality and their influence on various issue areas, toward particular countries, or specific presidential doctrines. This book brings the political rationality of neoliberalism to bear on U.S. foreign policy in two distinct ways. First, it challenges, complicates, and revises the numerous interpretations of U.S. nationalism that posit a homologous relationship between " 1898 " and contemporary nationalism, instead arguing that alterations in the operations of capitalism and its correlative forms of governance have produced a differently formatted nationalism, which in turn has produced different operations of U.S. hegemony in the twenty-first century that markedly depart from earlier eras. Second, this book argues for a new timeline—one that starts with the Carter-Reagan era and the crisis of capitalism—ultimately encouraging us to think beyond particular presidencies, wars, bureaucratic politics, and policies in

order to train our sights on how long-term and sustained shifts in the economy and attendant government practices have emerged to produce new myths of exceptionalism that more fully cohere with the neoliberal foundations of the U.S. nation-state.

The Shape of Things to Come Air Force Handbook 10-644 Survival Evasion
Resistance Escape Operations, 27 March 2017

The ultimate survival guide from the New York Times – bestselling authors of the acclaimed Seal Team Six thriller series. cultural differences. -- Written, reviewed and classroom tested by a nationwide network of Vietnam War scholars, teachers and veteran. -- Over 200 illustrations -- Discussion questions in all units.

Odyssey Nabu Press

This volume presents the first full-scale treatment of the only instance in history where African blacks, seized by slave dealers, won their freedom and returned home. Jones describes how, in 1839, Joseph Cinqu  led a revolt on the Spanish slave ship, the Amistad, in the Caribbean. The seizure of the ship by an American naval vessel near Montauk, Long Island, the arrest of the Africans in Connecticut, and the Spanish protest against the violation of their property rights created an international controversy. The Amistad affair united Lewis Tappan and other abolitionists who put the "law of nature" on trial in the United States by their refusal to accept a legal system that claimed to dispense justice while permitting artificial distinctions based on race or color. The mutiny resulted in a trial before the U.S. Supreme Court that pitted former President John Quincy Adams against the federal government. Jones vividly recaptures this compelling drama--the most famous slavery case before Dred Scott--that climaxed in the court's ruling to free the captives and allow them to return to Africa.

Ezra and Dorothy Pound IUCN

First published in 1933, "The Shape of Things to Come" is science fiction novel written by H. G. Wells. Within it, world events between 1933 and 2106 are speculated with a single superstate representing the solution to all humanity's problems. A classic example of Wellsian prophesy, this volume is highly recommended for fans of his work and of the science fiction genre. Herbert George Wells (1866 - 1946) was a prolific English writer who wrote in a variety of genres, including the novel, politics, history, and social commentary. Today, he is perhaps best remembered for his contributions to the science fiction genre thanks to such novels as "The Time Machine" (1895), "The Invisible Man" (1897), and "The War of the Worlds" (1898). Many vintage books such as this are becoming increasingly scarce and expensive. We are republishing this book now in an affordable, modern, high-quality edition complete with a specially commissioned new biography of the author.

The Cat of Bubastes Melville House

This book probes the efforts at manipulation individuals face daily in this information age and the tactics of persuaders from many sectors of society using various forms of Orwellian "doublespeak." The book contains the following essays: (1) "Notes toward a Definition of Doublespeak" (William Lutz); (2) "Truisms Are True: Orwell's View of Language" (Walker Gibson); (3) "Mr. Orwell, Mr. Schlesinger, and the Language" (Hugh Rank); (4) "What Do We Know?" (Charles Weingartner); (5) "The Dangers of Singlespeak" (Edward M. White); (6) "The Fallacies of Doublespeak" (Dennis Rohatyn); (7) "Doublespeak and Ethics" (George R. Bramer); (8) "Post-Orwellian Refinements of Doublethink: Will the Real Big Brother Please Stand Up?" (Donald Lazere); (9) "Worldthink" (Richard Ohmann); (10) "Bullets Hurt, Corpses Stink': George Orwell and the Language of Warfare" (Harry Brent);

(11) "Political Language: The Art of Saying Nothing" (Dan F. Hahn); (12) "Fiddle-Faddle, Flapdoodle, and Balderdash: Some Thoughts about Jargon" (Frank J. D'Angelo); (13) "How to Read an Ad: Learning to Read between the Lies" (D. G. Kehl); (14) "Subliminal Chainings: Metonymical Doublespeak in Advertising" (Don L. F. Nilsen); (15) "Doublespeak and the Polemics of Technology" (Scott Buechler); (16) "Make Money, Not Sense: Keep Academia Green" (Julia Penelope); (17) "Sensationspeak in America" (Roy F. Fox); and (18) "The Pop Grammarians--Good Intentions, Silly Ideas, and Doublespeak" (Charles Suhor). Three appendixes are attached: "The George Orwell Awards," "The Doublespeak Award," and "The Quarterly Review of Doublespeak." (MS)

Mutiny on the Amistad Oxford University Press

The LitJoy Classics edition of Jane Eyre features a fully illustrated cover and interior end pages, five full-page illustrations, gold-color ribbon, custom slip cover, gilded gold page edges, and artwork by Felix Abel Klaer.

The Complete Works of William Shakespeare Addison-Wesley Longman Limited Michael Scott Moore, a journalist and the author of Sweetness and Blood, incorporates personal narrative and rigorous investigative journalism in this profound and revelatory memoir of his three-year captivity by Somali pirates—a riveting, thoughtful, and emotionally resonant exploration of foreign policy, religious extremism, and the costs of survival. In January 2012, having covered a Somali pirate trial in Hamburg for Spiegel Online International—and funded by a grant from the Pulitzer Center on Crisis Reporting—Michael Scott Moore traveled to the Horn of Africa to write about piracy and ways to end it. In a terrible twist of fate, Moore himself was kidnapped and subsequently held captive by Somali pirates. Subjected to conditions that break even the strongest spirits—physical injury, starvation, isolation, terror—Moore's survival is a testament to his indomitable strength of mind. In

September 2014, after 977 days, he walked free when his ransom was put together by the help of several US and German institutions, friends, colleagues, and his strong-willed mother. Yet Moore's own struggle is only part of the story: *The Desert and the Sea* falls at the intersection of reportage, memoir, and history. Caught between Muslim pirates, the looming threat of Al-Shabaab, and the rise of ISIS, Moore observes the worlds that surrounded him—the economics and history of piracy; the effects of post-colonialism; the politics of hostage negotiation and ransom; while also conjuring the various faces of Islam—and places his ordeal in the context of the larger political and historical issues. A sort of *Catch-22* meets *Black Hawk Down*, *The Desert and the Sea* is written with dark humor, candor, and a journalist's clinical distance and eye for detail. Moore offers an intimate and otherwise inaccessible view of life as we cannot fathom it, brilliantly weaving his own experience as a hostage with the social, economic, religious, and political factors creating it. *The Desert and the Sea* is wildly compelling and a book that will take its place next to titles like *Den of Lions* and *Even Silence Has an End*.

[Beyond Nineteen Eighty-four](#) Lulu.com

The study edition of book the Los Angeles Times called, "The most extensive review of U.S. intelligence-gathering tactics in generations." This is the complete Executive Summary of the Senate Intelligence Committee's investigation into the CIA's interrogation and detention programs -- a.k.a., *The Torture Report*. Based on over six million pages of secret CIA documents, the report details a covert program of secret prisons, prisoner deaths, interrogation practices, and cooperation with other foreign and domestic agencies, as well as the CIA's efforts to hide the details of the program from the White House, the Department of Justice, the Congress, and the American people. Over five years in the making, it is presented here exactly as redacted and released by the United States government on December 9, 2014, with an introduction by Daniel J. Jones, who led the Senate investigation. This special edition includes:

- Large, easy-to-read format.
- Almost 3,000 notes formatted as footnotes, exactly as they appeared in the original report. This allows readers to see obscured or clarifying details as they read the main text.
- An introduction by Senate staffer Daniel J. Jones who led the investigation and wrote the report for the Senate Intelligence Committee, and a forward by the head of that committee, Senator Dianne Feinstein.

How Teachers Taught Hachette UK

MCWP 2-14 describes aspects of CI operations across the spectrum of MAGTF, naval, joint and multinational operations, including doctrinal fundamentals, equipment, command and control, communications and information systems support, planning, execution, security, and training. MCWP 2-14 provides the information needed by Marines to understand, plan, and execute CI operations in support of the MAGTF across the spectrum of conflict.

Air Force Handbook 10-644 Survival Evasion Resistance Escape (SERE) Operations 27 March 2017 This handbook describes the various environmental conditions affecting human survival, and describes isolated personnel (IP) activities necessary to survive during successful evasion or isolating events

leading to successful recovery. It is the fundamental reference document providing guidance for any USAF service member who has the potential to become isolated; deviations require sound judgment and careful consideration.

This publication provides considerations to be used in planning and execution for effective mission accomplishment of formal USAF Survival, Evasion, Resistance, and Escape (SERE) training, environmentally specific SERE training, and combat survival continuation training programs. The tactics, techniques, and procedures in this publication are recognized best practices presenting a solid foundation to assist USAF service members to maintain life and return with honor from isolating events.

[The Senate Intelligence Committee Report on Torture \(Academic Edition\)](#) Pantheon

With a New Chapter and Updated Epilogue on Coronavirus A Financial Times Best Health Book of 2019 and a New York Times Book Review Editors' Choice "Honigsbaum does a superb job covering a century's worth of pandemics and the fears they invariably unleash." —Howard Markel, MD, PhD, director of the Center for the History of Medicine, University of Michigan How can we understand the COVID-19 pandemic? Ever since the 1918 Spanish influenza pandemic, scientists have dreamed of preventing such catastrophic outbreaks of infectious disease. Yet despite a century of medical progress, viral and bacterial disasters continue to take us by surprise, inciting panic and dominating news cycles. In *The Pandemic Century*, a lively account of scares both infamous and less known, medical historian Mark Honigsbaum combines reportage with the history of science and medical sociology to artfully reconstruct epidemiological mysteries and the ecology of infectious diseases. We meet dedicated disease detectives, obstructive or incompetent public health officials, and brilliant scientists often blinded by their own knowledge of bacteria and viruses—and see how fear of disease often exacerbates racial, religious, and ethnic tensions. Now updated with a new chapter and epilogue.

[The French Revolution](#) Guilford Press

Over the last 30 years the African wild dog population has declined dramatically. Dogs have disappeared from 25 of the 39 countries where they were previously found, and only 6 populations are believed to number more than 100. Today it is believed that only between 3,000-5,500 dogs remain in 600-1,000 packs with most to be found in eastern and southern Africa. The dramatic reduction in their population is attributed to a number of factors including human population growth and activities, deterioration of habitat, and contact with domestic dogs and their diseases. This Action Plan explores some of the reasons behind their disappearance and provides a number of proposed solutions split into 3 priority areas, ranging from habitat management and conservation to monitoring domestic dogs.
