Jase, numb from his own family drama, has grown bored with weekends fueled by nameless girls and countless bottles when he meets Avery. Helping her cope with her past is better than dealing with the bullshit his own life's served up. Determined to drive away the painful secret she's guarding, he appoints himself her life coach, and challenges her to new experiences. Getting close to her and being the one to make her smile are simply perks of the job. But when Avery's past boldly saunters in, refusing to be forgotten, can Jase live with the truth about the girl he's fallen for? Recommended for 17+ due to mature themes and sexual content.

THE STORY: In this hilarious, fast-paced comedy, the inhabitants of one of the smallest trailer parks in Texas—four doublewides and a shed—are thrown for a loop when they realize the nearby town of Tugaloo is determined to annex them. And it's not as if they don't already have enough to deal with. Joveeta Crumpler has had it up to here, having been passed over again for a promotion at work. On top of this, she has an ongoing battle to keep her feisty mother, Caprice, out of the local bar and worries that her good-ol'-boy brother, Baby Crumpler, is taking his participation in a womanless beauty pageant way too seriously. Joveeta's big-hearted best friend, Georgia Dean Rudd, is struggling to keep her diner and finances afloat, but she just can't curb her impulse to take in every stray cat, possum, and armadillo that wanders by. Then there's Big Ethel Satterwhite, who's nobody's fool. But tough as she is, she's continually frustrated by her clients at Stairway To Heaven Retirement Village as well as her mule-headed husband, O.C., who shows far more affection for his BarcaLounger than he does for Big Ethel. And all the residents are plagued by Haywood Sloggett, the curmudgeon from across the road, who loathes their "trailer-trash" ways, especially their keeping a life-size illuminated nativity scene up year-round. But these friends, enemies, and neighbors realize they'll have to work together to defeat the encroaching annexation if they—and their way of life—have a snowball's chance to survive being swallowed up by "the big guys." The rollicking mayhem of this flat-out funny Jones Hope Wooten comedy escalates as the residents attempt to secede from Texas, discover a traitor in their midst, and turn the tables in a surprising and side-splitting finale. So grab your Stetson and come on over to Doublewide, Texas, where life is double the fun, double the joy, and where audiences double over with laughter! Flowers for the Table HarperCollins UK

Richly illustrated with rare period photographs, Houston's Hermann Park: A Century of Community provides a vivid history of Houston's oldest and most important urban park. Author and historian Barrie Scardino Bradley sets Hermann Park in both a local and a national context as this grand park celebrates its centennial at the culmination of a remarkable twenty-year rejuvenation. As Bradley shows, Houston's development as a major American city may be traced in the outlines of the park's history. During the early nineteenth century, Houston leaders were most interested in commercial development and connecting the city via water and rail to markets beyond its immediate area. They apparently felt no need to set aside public recreational space, nor was there any city-owned property that could be so developed. By 1910, however, Houston leaders were well aware that almost every major American city had an urban park patterned after New York's Central Park. By the time the City Beautiful Movement and its overarching Progressive Movement reached the consciousness of Houstonians, Central Park's designer, Frederick Law Olmsted, had died, but his ideals had not. Local advocates of the City Beautiful Movement, like their counterparts elsewhere, hoped to utilize political and economic power to create a beautiful, spacious, and orderly city. Subsequent planning by the renowned landscape architect and planner George Kessler envisioned a park that would anchor a system of open spaces in Houston. From that groundwork, in May 1914, George Hermann publicly announced his donation of 285 acres to the City of Houston for a municipal park. Bradley develops the events leading up to the establishment of Hermann Park, then charts how and why the park developed, including a discussion of institutions within the park such as the Houston Zoo, the Japanese Garden, and the Houston Museum of Natural Science. The book's illustrations include plans, maps, and photographs both historic and recent that document the accomplishments of the Hermann Park Conservancy since its founding in 1992. Royalties from sales will go to the Hermann Park Conservancy for stewardship of the park on behalf of the community.

Former NBA star and Presidential Medal of Freedom recipient Kareem Abdul-Jabbar explores his 50-year friendship with Coach John Wooden, one of the most enduring and meaningful relationships in sports history. When future NBA legend Kareem Abdul-Jabbar was still an 18-year-old high school basketball prospect from New York City named Lew Alcindor, he accepted a scholarship from UCLA largely on the strength of Coach John Wooden's reputation as a winner. It turned out to

be the right choice, as Alcindor and his teammates won an unprecedented three NCAA championship titles. But it also marked the beginning of one of the most extraordinary and enduring friendships in the history of sports. In *Coach Wooden and Me*, Abdul-Jabbar reveals the inspirational story of how his bond with John Wooden evolved from a history-making coach-player mentorship into a deep and genuine friendship that transcended sports, shaped the course of both men's lives, and lasted for half a century. *Coach Wooden and Me* is a stirring tribute to the subtle but profound influence that Wooden had on Kareem as a player, and then as a person, as they began to share their cultural, religious, and family values while facing some of life's biggest obstacles. From his first day of practice, when the players were taught the importance of putting on their athletic socks properly; to gradually absorbing the sublime wisdom of Coach Wooden's now famous "Pyramid of Success"; to learning to cope with the ugly racism that confronted black athletes during the turbulent Civil Rights era as well as losing loved ones, Abdul-Jabbar fondly recalls how Coach Wooden's fatherly guidance not only paved the way for his unmatched professional success but also made possible a lifetime of personal fulfillment. Full of intimate, never-before-published details and delivered with the warmth and erudition of a grateful student who has learned his lessons well, *Coach Wooden and Me* is at once a celebration of the unique philosophical outlook of college basketball's most storied coach and a moving testament to the all-conquering power of friendship.
