Zero Turn Mower Model

Number To locate your Scag

Zero turn Model and Serial

number, look for a silver tag

on the frame of the mower,

which, on most models, is

located on the right hand side

when seated between the seat

and the control panel. On the

tag you should see the model

number just above the serial

number.

The Kawasaki Motorcycle
Identification Guide is a
combination of the original
publication, and some later
updates, ending in 1979. With
Kawasaki, there were so many
models over the years, and so
much overlap, especially in
the 1970's, that this guide is
the perfect identification tool.
