The Knowing the Bible series is a resource designed to help Bible readers better understand and apply

God's Word. These 12-week studies lead participants through books of the Bible and are made up of four basic components: (1) reflection questions help readers engage the text at a deeper level; (2) "Gospel Glimpses" highlight the gospel of grace throughout the book; (3) "Whole-Bible Connections" show how any given passage connects to the Bible's overarching story of redemption, culminating in Christ; and (4) "Theological Soundings" identify how historic orthodox doctrines are taught or reinforced throughout Scripture. With contributions from an array of influential pastors and church leaders, these gospel-centered studies will help Christians see and cherish the message of God's grace on every page of the Bible. At God's command and under Joshua's leadership, the nation of Israel invaded the land of Canaan—the land God had promised his people. Thus, the book of Joshua records a key period in God's plan to redeem his people from slavery in Egypt. Connecting the story of Joshua to God's larger promises, pastor Trent Hunter offers readers rich insights into the book's overarching story of salvation and the ultimate rest offered to all who trust in Christ for salvation—helping them apply its message to their lives today. The challenge of a seemingly genocidal God who commands ruthless warfare has bewildered Bible readers for generations. The theme of divine war is not limited to the Old Testament historical books, however. It is also prevalent in the prophets and wisdom literature as well. Still it doesn't stop. The New Testament book of Revelation, too, is full of such imagery. Our questions multiply. Why does God apparently tell Joshua to wipe out whole cities, tribes or nations? Is this yet another example of dogmatic religious conviction breeding violence? Did these texts help inspire or justify the Crusades? What impact do they have on Christian morality and just war theories today? How does divine warfare fit with Christ's call to "turn the other cheek"? Why does Paul employ warfare imagery in his letters? Do these texts warrant questioning the overall trustworthiness of the Bible? These controversial yet theologically vital issues call for thorough interpretation, especially given a long history of misinterpretation and misappropriation of these texts. This book does more, however. A range of expert contributors engage in a multidisciplinary approach that considers the issue from a variety of perspectives: biblical, ethical, philosophical and theological. While the writers recognize that such a difficult and delicate topic cannot be resolved in a simplistic manner, the different threads of this book weave together a satisfying tapestry. Ultimately we find in the overarching biblical narrative a picture of divine redemption that shows the place of divine war in the salvific movement of God.

Life is painful. Everyone's story comes with unique challenges, difficulties, bumps, and bruises that leave you lost and drowning in their wake. It could be a financial disaster, a health issue, a broken relationship, or the loss of a loved one. Dr. Tony Evans, bestselling author and pastor of Oak Cliff Bible Fellowship, understands life's hardships firsthand. In a span of less than two years, he lost his brother, sister, brother-in-law, two nieces, father, and wife. At the same time, both of his daughters received cancer diagnoses. In the wake of all this pain, Dr. Evans had to put into practice, at the deepest levels, the truths he has preached about God for more than forty years. God's Word doesn't promise us a life

free from pain and trouble. It promises us something else—Someone else. Someone who will walk with us through all of life's trials and troubles. There is hope for the hurting: His name is Jesus.

One of the greatest ways God speaks to us is through His Word. It is impossible to truly know Him without knowing His Word. His Word is who He is. You may experience God's presence at times in your life, but you will never fully develop a relationship with Him without His Word. If you want to get to know God, get to know His Word! Through the hearing and reading of God's Word, we begin to open the lines of communication with Him. The Bible is our telephone line to God.

Through it, we have conversations with Him. He shows us His heart and His ways through the principles in His word. As the Word of God is revealed in our heart, the heart of God is revealed in our life.

What does the gift giver say about the gift He gave? This book will help you overcome the arguments, fears, and anxieties related to this gift. FEATURES AND BENEFITS Shares the author's personal testimony and spiritual

journey with speaking in tongues Examines the history of this gift in the church for the past two thousand years Interacts with those who have denied that this gift is valid for today's church Speaks to the relationship between Spirit baptism, Spirit filling, and the gift of tongues Few other issues have separated the church more than the issue of tongues. Sam Storms focuses on this controversial subject with his signature insights to theology and the gifts of the spirit. What does the gift giver say about the gift He gave? Storms seeks to bring balance to this subject in The Language of Heaven as he wrestles with this sensitive issue experientially as well as theologically. He ultimately provides a platform to allow God to speak for Himself as he addresses every text of Scripture on the subject and engages with every theological issue that speaking in tongues provokes. As a pastor, Storms knows the questions that the typical churchgoer is asking and provides clear and accessible answers to them all, including: Is the gift of tongues for every Christian or only some? How does the gift of tongues operate in the life of the believer individually in private practice? How does the gift of tongues operate in the corporate assembly of God's church? How is the Christian edified and strengthened by praying in tongues? How do I pray for the gift and prepare my heart to receive it? You can overcome the arguments, fears, and anxieties related to this spiritual gift. Remember, God gives only good gifts, and it is His intention that His church utilize all that He has provided so that we might experience all that He is.

Scripture Breakdowns David C Cook

"In approaching the study of one of the books of Scripture it must be of considerable help to the student if he can ascertain what is its main design and what is its outstanding topic. As pointed out in the pages in our Introduction to Exodus each book in the Bible has a prominent and dominant theme which, as such, is peculiar to itself, around which everything is made to center and of which all the details are but the amplification. What that leading subject may be, we should make it our business to prayerfully and diligently ascertain. This can best be discovered by reading and re-reading the book under review, noting carefully any particular feature or expression which occurs frequently in it—such as "under the sun" in Ecclesiastes or "the righteousness of God" in Romans. "The book of Joshua records one of the most interesting and important portions of Israel's history. It treats of the period of their estate as a nation, of which Genesis was prophetic and the rest of the Pentateuch immediately preparatory. The books of Moses would be imperfect without this one: as it is the capstone of them, so it is the foundation of those which follow. Omit Joshua and there is a gap left in the sacred history which nothing could supply. Without it what proceeds would be incomprehensible and what follows unexplained. The sacred writer was directed to fill that gap by narrating the conquest and apportionment of the Promised Land. Thus this book may be contemplated from two distinct but closely related standpoints: first as the end of Israel's trials and wanderings in the wilderness, and second as the beginning of their new life in the land. It is that twofold viewpoint which supplies the clue to its spiritual interpretation, as it alone solves the problem which so many have found puzzling in this book." Arthur Walkington Pink was an English Christian evangelist and Biblical scholar known for his staunchly Calvinist and Puritan-like teachings. Though born to Christian parents, prior to conversion he migrated into a Theosophical society (an occult gnostic group popular in England during that time), and quickly rose in prominence within their ranks. His conversion came from his father's patient admonitions from Scripture. It was the verse, Proverbs 14:12, 'there is a way which seemeth right unto a man, but the end thereof are the ways of death, ' which particularly struck his heart and compelled him to renounce Theosophy and follow Jesus.

Life Is Never Mainly About Love and

Marriage. So Learn to Live and Date for More. Many of you grew up assuming that marriage would meet all of your needs and unlock God's purposes for you. But God has far more planned for you than your future marriage. Not Yet Married is not about waiting quietly in the corner of the world for God to bring you "the one," but about inspiring you to live and date for more now. If you follow Jesus, the search for a spouse is no longer a pursuit of the perfect person, but a pursuit of more of God. He will likely write a love story for you different than the one you would write for yourself, but that's because he loves you and knows how to write a better story. This book was written to help you find real hope, happiness, and purpose in your not-yet-married life.

Did God condone genocide in the Old Testament? How do Christians harmonize the warrior God of Israel with the God of love incarnate in Jesus? Christians are often shocked to read that Yahweh, the God of the Israelites, commanded the total destruction--all men, women, and children--of the ethnic group known as the Canaanites. This seems to contradict Jesus' command in the New Testament to love your enemies and do good to all people. How can Yahweh be the same God as the Father of our Lord Jesus Christ? What does genocide in the Bible have to do with the politics of the 21st century? Show Them No Mercy explores the Old Testament command of God to exterminate the Canaanite population and what that implies about continuity between the Old and New Testaments. The four views presented are:
Strong Discontinuity – emphasizes the strong tension, regarding violence, between the two main texts of the Bible (C.S. Cowles)
Moderate Discontinuity – provides a justification of God's actions in the Old Testament with strong emphasis on exegesis (Eugene H. Merrill)
Eschatological Continuity – a reading of the warfare narratives that ties them contextually to the book of Revelation and the Second Coming (Daniel L. Gard)
Spiritual Continuity – incorporates the genocidal

account into the full picture of the Old and New Testaments (Tremper Longman III) The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair-minded and respectful of the biblical text. Each volume is a one-stop reference that allows readers to evaluate the different positions on a specific issue and form their own, educated opinion.

This last small group of Bernard's sermons to be published in translation by Cistercian Publications rightly goes by the title *De varii* in the critical edition. While most of them treat feasts on the church calendar, they do so in a somewhat hit-or-miss fashion. Three sermons also deal with God's will, God's mercies, and the gifts of the Holy Spirit. Two sermons for the feast of Saint Victor are a response to a request to Bernard from the monks of Monti é ramey; the Bollandist Life of Saint Victor appears here as a complement to those sermons. Besides the nine sermons normally assigned to the *De varii*, this volume also includes a sermon on the feast of Saint Benedict that was recently added to the collection in *Sources Chr é tiennes*. The survival of this loose assemblage of sermons outside of the organized collections of Bernard's sermons provides a reminder of Bernard as preacher and writer, able despite all his other activities to turn his hand to preaching when called upon. While they treat of disparate themes, they allow us to encounter the quintessential Bernard-speaking of the life of desire, the true meaning of holiness, and the awakening of the spiritual senses in the search for God.
