"A new perspective on servant leadership—challenging us to bring both courage and humility to the table—for the sake of the people and the enterprise." —John C. Maxwell, New York Times-bestselling author In this updated edition of *Dare to Serve*, former Popeyes CEO Cheryl Bachelder shows that leading by serving is a rigorous and tough-minded approach that yields the best results. When she was named CEO of Popeyes in 2007, the stock price had slipped from \$34 in 2002 to \$13. The brand was stagnant, the team was discouraged, and the franchisees were just plain angry. Nine years later, restaurant sales were up 45 percent, restaurant profits had doubled, and the stock price was over \$61. Servant leadership is sometimes derided as soft or ineffective, but this book confirms that challenging people to reach a daring destination, while treating them with dignity, creates the conditions for superior performance. The second edition of this bestselling book includes Bachelder's post-Popeyes observations and new examples of how you can switch your leadership from self to serve. Ever engaging and inspirational, Bachelder takes you firsthand through the transformation of Popeyes and shows how anyone, at any level can become a Dare-to-Serve leader. "Extraordinary! *Dare to Serve* describes the kind of leadership so desperately needed in the 21st century. A powerful blend of courage and humility, Cheryl Bachelder's engaging story offers a clear path for leaders to follow, and what makes her message so compelling is the tremendous results she's produced. I highly recommend this book." —Stephen M. R. Covey, New York Times-bestselling author of *The Speed of Trust*

Imagine sitting down with an old-school Dallas Cowboy and hearing tales about the early days - the plays, the teammates, Coach Landry, the Ice Bowl, Super Bowl V, and much more. Then imagine if other players weighed in and gave you an insider view from the field. THIS is precisely what you can expect in Pettis Norman's autobiog-raphy, filled with stories that capture the blood, sweat, and tears that built a legacy on and off the field. Beyond football, Pettis didn't rest on his laurels or sit idly by during the Civil Rights Movement. He wasn't a bystander during the tense decades of the '70s and '80s when race relations dominated our country. Rather, Pettis was a navigator -- the North Star -- who forged political alliances with U.S. Presi-dents and emerged as an altruistic leader pioneering ground-breaking initiatives in Dallas that serve as models across the nation. Untold philanthropies and organizations welcomed him to their boards. His businesses were successful, and he never failed to help others by sharing his entrepreneurial spirit along the way. Pettis was involved - sometimes a lone voice of reason. A trusted voice. People listened and the community is better for it. From the cotton fields of his youth to the academic halls of North Carolina and the skyscrapers of Dallas, Pettis Norman's journey is filled with love and loss, inspirational coaches and mentors, and a sense of duty that transcends multiple challenges. He begins life on a big stage and selflessly takes us by the hand and leads us through each era, teaching us so that history won't repeat itself. His greatest dream? That we can all achieve the oneness, the goodness, that we as a people deserve.
