Take the plunge into a zombie apocalypse with the first two books of the Contagium series in one volume—from the New York Times–bestselling author. Contagious (Book One) During the Second Great Depression, twenty-four-year-old Orissa Penwell is forced to drop out of college. Just when she thinks she couldn't sink any lower, a virus breaks out across the country, leaving those that are infected crazed, aggressive

and very hungry. Orissa is used to only being responsible for herself. When she finds herself a reluctant leader of a group of survivors, she must make a choice: set aside her issues and help the others—or go off alone in search of her own family and friends. Deathly Contagious (Book Two) Safely ensconced in a zombie-proof compound, Orissa's relief is fleeting. Someone she recently let into her life—and her heart—is killed. Hell-bent on revenge, she'll do whatever it takes to seek vengeance and get even . . . without caring what the risk is for herself. Things quickly go from bad to worse and Orissa finds herself lost and abandoned—and forced to face the living dead on her own. When lies, secrets, and desperation are added to the already harrowing world, Orissa discovers that zombies aren't the only things to worry about . . . Praise for the

Contagium series “I can't give this post-apocalyptic story six stars but I wish I could!”

When winning at all costs becomes too expensive. Eddie

Alonso, a former pro soccer star, whose career was ended by a violent and intentional assault, is now a reluctant high school science teacher and varsity coach in St. Cloud, MN. When two of his favorite student players are recruited by an upstart Finnish soccer club owned by an eccentric tech billionaire with a secretive cognitive training program run by Dr. Anna Lehtinen, Eddie is suspicious of the motives but resists the urge to get involved. But when Benny Gilbert calls Eddie from Finland to let him know of some strange personality changes of Peter Borg, his best friend, Eddie's fears are confirmed. Eddie finally jumps into action, but not before an enigmatic, Russian investor has targeted Peter as a star recruit for his own St. Petersburg soccer club. But there are other plans beyond sports for the neuroscience experiment now embedded into Peter's head. Eddie and Anna must unite to save Peter before he is brainwashed into cooperating with a revengeful agenda. The action races from Minnesota to Finland to Russia and back home. In the end, Eddie needs to know if his dream was lost for a reason, as he and Anna try to make sure this new technology is preserved for compassion, not corruption.

Many who suffer from post-traumatic stress disorder do not realize what is going inside themselves. Unfortunately, those who return home from combat or who have experienced any other type of traumatic event remain in the battle, the war within. Could it be that PTSD is merely physiological symptoms related to trauma, or is it so much more than that? A Marne Mind explains the advantage of coping skills and the relationship among physical, mental, emotional, and spiritual ruin and well-being while constantly pointing to the greatest source of healing and recovery. Search for A Marne Mind: A Soldier's War with Recovery on facebook to become a part of the Marne Mind Mission of raising awareness about PTSD and recovery. 5% of all proceeds will be donated to Operation Resilient Warrior, a nonprofit organization dedicated to helping soldiers and their families. As I See It is a journey of mind, body, and spirit by veterinarian, Tom Schell,

DVM. Over the course of his career, adulthood, and parenthood, Dr. Schell began to question the many things in his life. What is the purpose? What are we supposed to be doing? What is the true path to health for my patients and for myself? What is death and what does it mean? Does being a Christian imply that we just go to church, or is there something more? Are we missing the point taught to us by Jesus, caught up in the perception of the person, and missing the overall message? Does spirituality go beyond what we have been taught in the Bible? Can we create change for ourselves and for others around us? In these pages, Dr. Schell relays his thoughts on a variety of topics as he pondered his own life, interacted with people, and watched over countless patients. The simple power of observation can sometimes lead us to many answers in our lives. Contagious and Deathly Contagious David Adams

Just a few miles outside of Albuquerque New Mexico in a remote valley something has gone horribly wrong. To their eternal regret some people have mistaken the screams echoing in the hills as coyotes singing to the moon.

When Josey drives his truck down into the valley he quickly learns the disturbing truth. It's not coyotes howling. It's men or what used to be men. Josey discovers that the valley is home to the depraved, the noble, the damned, the innocent, the beautiful, and of course the walking dead. When the least dangerous thing you encounter is an angry rattlesnake you know you've made a wrong turn at Albuquerque. Nestled in a remote valley, the residents of The Albuquerque Springs Trailer Park have lived out there lives nearly forgotten by the rest of the world. The trailer park is home to dozens of illegal immigrants, a hermit who has turned his back on society, a veteran of World War 2, a grumpy old woman, a family of Meth cooks known to local police officials as the Redneck Gourmets, and a beautiful young woman, are just a few. Life was peaceful and quiet (actually quite boring) until a deadly industrial accident killed Juan, one of the illegal immigrants. His friends and neighbors promised to dispose of

the victim's body. Unfortunately, he came back and disposed of them- one mouthwatering bite at a time.

The Crusades were holy wars waged against the Mohammedans or Saracens, with the intention of taking back Palestine. Over seven-hundred and twenty-years ago, the knights Templar went on their religious crusade to rid the world of Muslims. A religion not recognised or accepted by the Christian world at that time. In the year of our Lord, 2019 the Muslim world reeked its revenge on the Christian world. The first strike came from Iran. A simultaneous nuclear attack on both the United States of American and the United Kingdom. To counter their offensive, the USA & UK released a biochemical weapon. The problem with taking such drastic action was a global epidemic that was to virtually eradicate mankind as we know it!...

Lemon-Aid guides steer the confused and anxious buyer through the economic meltdown unlike any other car-and-truck books on the market. U.S. automakers are suddenly awash in profits, and South Koreans and Europeans have gained market shares, while Honda, Nissan, and Toyota have curtailed production following the 2011 tsunami in Japan. Shortages of Japanese new cars and supplier disruptions will likely push used car prices through the roof well into 2012, so what should a savvy buyer do? The all-new Lemon-Aid Used Cars and Trucks 2012-2013 has the answers, including: More vehicles rated, with some redesigned models that don't perform as well as previous iterations downrated. More roof crash-worthiness ratings along with an expanded cross-border shopping guide. A revised summary of safety- and performance-related defects that are likely to affect rated models. More helpful websites listed in the appendix as well as an updated list of the best and worst "beaters" on the market. More "secret" warranties taken from

automaker internal service bulletins and memos than ever.
