Popular Science No Starch Press He's been called a journeyman. Even Paul wouldn't dispute that classification. Regardless, Bill Simmons, ESPN's "The Sports Guy," has said of Paul Shirley, "We could finally have an answer to the question 'What would it be like if one of our friends was an NBA player?'" There's no denying that Paul Shirley is the closest thing pro basketball's got to Odysseus. In Homeric

fashion, he has logged time practically everywhere in the roundball universe, from six NBA cities to pro leagues in Spain and Greece to North America's pro ball Siberia, the minor leagues. Hell, he's even played in the real Siberia. And in *Can I Keep My Jersey?*, Shirley finally puts down roots long enough to deliver one of the great locker-room chronicles of the modern age. With sharp elbows and an even sharper wit, Shirley—whose writings have been described as "wildly entertaining" by *The Wall Street Journal*—drops hilarious commentary, revealing which teams have the best cheerleaders (he's spent many a time-out watching them ply their trade), why Christ is rapidly becoming every team's "sixth man," and even the best ways to get bloodstains out of your game uniform, using only an ordinary bar of soap and a hotel bathroom sink. From sharing the court with Kobe and Shaq to perusing the food court at some mall in a bush-league burg; from taking pregame layups to getting laid out by a stray knee from an NBA power forward; from hopping a limo to the team's charter jet to dashing to catch the van home from a B-league game in

Tijuana, Shirley dishes on what it's like to try to make it as a professional athlete. Can I Keep My Jersey? is a rollicking, thoughtful, even thought-provoking insider's look at a pro baller's life on the fringe. Like Jim Bouton's Ball Four or John Feinstein's A Season on the Brink, Shirley's odyssey deserves to find a home on every sports fan's bookshelf.

Popular Mechanics Penguin

In production for over 20 years, nearly every Chevrolet V-8 passenger sedan is powered by this engine. This comprehensive manual is packed with photos and detailed information.

"Sharp as an ice pick...You will love this excellent book." -New York Times Book Review Elmore Leonard is the undisputed master, the "King Daddy of crime writers" (Seattle Times), in the august company of the all-time greats of mystery/noir/crime fiction genre: John D. MacDonald, Dashiell Hammett, James M. Cain, et al. The creator of such unforgettable classics as *Stick*, *Out of Sight*, and *Get Shorty*-not to mention the character of U.S. Marshal Raylan Givens, lately of TV's hit series *Justified*-Leonard is in fine form with *Mr. Paradise*. A riveting Detroit-based thriller enlivened by Leonard's trademark razor-sharp dialogue, *Mr. Paradise* follows a smart Victoria's Secret model's attempt to score big after surviving a double murder in a millionaire's mansion...with a lonely cop acting as spoiler. *Popular Mechanics* Detroit Iron

Hundreds of photos, charts, and diagrams guide readers through the rebuilding process of their small-block Chevy engine. Each step, from

disassembly and inspection through final assembly and tuning, is presented in an easy-to-read, user-friendly format.

Automotive Technology: A Systems Approach Dorrance Publishing

This new color edition is essential for the enthusiast who wants to get the most performance out of this new engine design but is only familiar with the older Chevy small-blocks. Covered is everything you need to know about these engines, including the difficult engine removal and installation, simple engine bolt-ons, electronic controls for the Generation III engine, and detailed engine builds at four different power levels.

Popular Mechanics Detroit Iron

The small-block Chevrolet engine is the most popular engine in the world among performance enthusiasts and racers. But with its popularity come certain problems, and this book is your step-by-step go-to manual.
