### Service Engine Soon Light In

The service engine soon light can also be triggered by problems with your most recent fill-up of gasoline. If you got gas in the last couple of days and suddenly the service engine soon light is on, that is a good place to start your investigation. You can begin by asking the service station personnel if there have been additional complaints.

### Service Engine Light: Your Mechanic's Dirty Little Secret

One common explanation for the service engine light coming on in a Nissan car is the gas cap coming loose. This can happen after you fill your tank up with gas, and do not properly screw the cap back on tightly enough. After the gas cap is knocked loose, it will take numerous cycles before the light will go out.

Service Engine Soon light came on dash. Not yet got to get ...

The check engine light is a light to warn you to a possible issue with your exhaust system or emissions system. The service engine soon light can come on for minor issues like a loose gas cap, or for more major problems such as possible engine failure. Your Service Engine Soon Light Should Not Cause You to Panic. The light does say service engine soon, but you may not necessarily have to make any major repairs soon.
