Corvettes in general, have always been ideal for customizing and performance upgrades and the C5 is no exception. To date, C5 "how-to" information has been only available in enthusiast magazines. This book, a first-of-its-kind, features a detailed presentation on how to customize a C5's appearance with custom bodywork and alterations. It also walks C5 owners through a variety of performance modifications and shows how to efficiently execute several maintenance projects.

**Today's Technician: Advanced Engine Performance Classroom Manual and Shop Manual** Readers Digest

When purchasing your vehicle, you should probably expect to be lied to by everyone from the sales department to the financial department. Apples, Oranges, and Lemons is a one-of-a-kind, tell-all book about the automobile trade that reveals inside secrets they don't want you to know. There is no other book like it. It is written by the only person who could, or would. Phillip James Grismer knows the automobile industry from the inside out. He first apprenticed in a number of import auto shops, eventually rising through the ranks and opening his own facility. Grismer draws on his thirty-seven years of experience to expose how the industry really works. He provides answers on how to deal with a "lemon" while offering advice on how to make the best buy before purchasing your vehicle. Discover how the valuation and appraisal process works and how the history of your vehicle affects you and your money. Grismer's conversational style makes the information accessible

while offering personal insight on the process of vehicle manufacturing and servicing. Even the most casual reader will be enlightened and entertained by the inner workings of the automobile manufacturing, sales, and service industry. But most importantly, this handy reference guide empowers the consumer to make well-informed decisions about vehicles.

The best of the best—stories, one-liners, and jokes from some of today's funniest Christian speakers and best-selling writers. This new book, like its best-selling predecessors, is packed with the kind of smiles and smirks, chuckles and giggles that thousands of readers have come to love and expect. It includes some of the funniest stories from today's Christian writers like Barbara Johnson, John Ortberg, Mark Buchanan, Patsy Clairmont, Becky Freeman, Chonda Pierce, and more. Whether the topic is kids, marriage, pets, church, parenting, aging, or life's most embarrassing moments, the writers will help you keep life in perspective by revealing their own

foibles, follies, and failings. Realizing that laughter and faith can go hand in hand, they offer real-life anecdotes that will keep your world in balance even—and especially—when life gets tough.

**South African Automotive Light Vehicle Level 4**

Trafford Publishing

This slim motivation guidebook was written to bridge the gap between the academic research on motivation and to present it in a form that is useful to the practicing manager. In essence, the book presents a theory of motivation and how to use it without ever mentioning the word "theory". The goal of the book is to give managers a kind of mental model to use in thinking about motivation and to show them how to use this mental model for practical management actions to diagnose and improve motivation of subordinates. The book is written in three sections: Understanding Motivation, Diagnosing Motivation and Improving Motivation. The book incorporates case studies and many examples of how to successfully manage motivation.
