Service Engine Soon Light [How to fix it?] Meaning & Causes

Service Engine Soon Light Meaning. If the 'Service Engine Soon' light comes on, it means that there is a minor problem with the electronics or the engine of your car. Some manufacturers use them as a check engine light for minor problems. It could also mean that it is time for a scheduled service, such as oil or spark plug replacement. Some manufacturers only have one indicator for both scheduled service and engine problems.

Pontiac GTO: Service Engine Soon Light ? Diagnosis ...

I have a 1998 Pontiac Grand Prix with 97,368 miles on the body and an estimated 18,000+ miles on the engine. I recently had a code pulled after my service engine light came on and it says that cylinder 3 is misfiring. Well, at times the car acts just fine and today with no signs the service engine soon light came on.
