Everything you need to know about keeping a Savannah cat as a pet. As an animal lover, Elliott Lang enjoys writing animal books and advising others how to take care of their animals to give them a happy home. This book is a must have guide for anybody passionate about Savannah cats. Savannah Cats Facts and Information. Care, personality, grooming, health and feeding all included. The book is written in an easy to read and understandable style. In a straight forward,

no nonsense fashion, Elliott Lang covers all aspects of keeping Savannah cats as pets. Elliott Lang says: I have always been in the company of animals. That is the one thing I am most thankful for. My lovely pets have always been around to provide unconditional affection and love when I needed it the most. My father was instrumental in making me grow fond of animals. He always kept me around animals. My family, too, have always been hands on with the pets in the household. Whether it was bathing, feeding or taking care of these animals, my family always ensured that the animals got the

best of everything. Our animals were the centre of all our activities. There was not a single day that did not begin with a discussion about our pets. What to feed them? How to take care of a cat or dog that is ailing? What is the most nutritious thing to feed them? These were common dinner table conversations while I was growing up. So, needless to say, I have had a lot of practical training with respect to taking care of different breeds of animals. Sometimes, I learnt from my family and sometimes, your pet will just tell you what he or she needs. Today, I am in a very privileged place where

I can share this information with pet lovers across the globe. I would have never been able to provide you with so much comprehensive information without the knowledge that I gained from my father, my family and of course my beloved cats.

Covering everything cat owners need to know, this practical guide

to looking after the most popular pet in the United States is the perfect reference for any cat lover. The Complete Cat Care Manual provides detailed information on the day-to-day care of kittens and adult cats, including feeding, training, handling, exercising, essential equipment, and grooming. Detailed chapters outline the reasons behind behavioral problems, such as eating houseplants and scratching furniture, and provide tips for changing unacceptable behavior. Health problems are completely detailed with anatomical diagrams, diagnostic charts, and illustrations that identify symptoms and treatments. Step-by-step instructions teach all the techniques needed to nurse a sick animal or administer emergency first aid. Hundreds of remarkable color photographs, specially commissioned for this book, detail every aspect of a cat 's life. The material is based on extensive research. Dr. Bruce Fogle, a leading specialist in pet behavior, has observed hundreds of cats during his years a veterinary surgeon. He identifies how cats communicate

through posture, body language, facial expressions, “ speaking ” (meowing and hissing), and rituals like rubbing, swatting, and grooming. He discusses the differences between learned behavior and instinctual action, the importance of a cat ’ s sensory perceptions like smell, touch, and sound—and when a cat ’ s eccentricities are due to genetics or are merely a matter of individual temperament. Endorsed by the American Society for the Prevention of Cruelty to Animals.

Dr. Marty Becker has become known as "America's Veterinarian" because of his educational and entertaining shows and columns. For more than ten years, Dr. Becker has been the popular veterinary contributor to ABC-TV's Good Morning America and is now a member of Core Team Oz on Dr. Mehmet Oz's show. Dr. Becker will help owners solve problems and enhance their bond with their cats through a tip-filled book on everything from finding the right cat to preventing health problems and bad behavior. He will start owners off on the right foot, whether they buy a kitten or adopt an older cat, showing them how to solve the most annoying behavior and cat-care problems--from scratching furniture to not using the litter-box. (Surprising fact: did you know that black cats shed more than light-colored cats?) And

he advises owners how to make their own cat toys, and how to save money on medication, both traditional and alternative.
