Between the World and Me Random House Books for Young Readers
The gripping first installment in New York Times bestselling author Tahereh Mafi's Shatter Me series. One touch is all it takes. One touch, and Juliette Ferrars can leave a fully grown man gasping for air. One touch, and she can kill. No one knows why Juliette has such incredible power. It feels like a curse, a burden that one person alone could never bear. But The Reestablishment sees it as a gift, sees her as an opportunity. An opportunity for a deadly weapon. Juliette has never fought for herself before. But when she's reunited with the one person who ever cared about her, she finds a strength she never knew she had. And don't miss *Defy Me*, the shocking fifth book in the Shatter Me series!

City of Girls Harper Collins

AN INSTANT NEW YORK TIMES BESTSELLER! From the # 1 New York Times bestselling author of *Eat Pray Love* and *The Signature of All Things*, a delicious novel of glamour, sex, and adventure, about a young woman discovering that you don't have to be a good girl to be a good person. "A spellbinding novel about love, freedom, and finding your own happiness." - PopSugar "Intimate and richly sensual, razzle-dazzle with a hint of danger." -USA Today "Pairs well with a cocktail...or two." -TheSkimm "Life is both fleeting and dangerous, and there is no point in denying yourself pleasure, or being anything other than what you are." Beloved author Elizabeth Gilbert returns to fiction with a unique love story set in the New York City theater world during the 1940s. Told from the perspective of an older woman as she looks back on her youth with both pleasure and regret (but mostly pleasure), *City of Girls* explores themes of female sexuality and promiscuity, as well as the idiosyncrasies of true love. In 1940, nineteen-year-old Vivian Morris has just been kicked out of Vassar College, owing to her lackluster freshman-year performance. Her affluent parents send her to Manhattan to live with her Aunt Peg, who owns a flamboyant, crumbling midtown theater called the Lily Playhouse. There Vivian is introduced to an entire cosmos of unconventional and charismatic characters, from the fun-chasing showgirls to a sexy male actor, a grand-dame actress, a lady-killer writer, and no-nonsense stage manager. But when Vivian makes a personal mistake that results in professional scandal, it turns her new world upside down in ways that it will take her years to fully understand. Ultimately, though, it leads her to a new understanding of the kind of life she craves - and the kind of freedom it takes to pursue it. It will also lead to the love of her life, a love that stands out from all the rest. Now eighty-nine years old and telling her story at last, Vivian recalls how the events of those years altered the course of her life - and the gusto and autonomy with which she approached it. "At some point in a woman's life, she just gets tired of being ashamed all the time," she muses. "After that, she is free to become whoever she truly is." Written with a powerful wisdom about human desire and connection, *City of Girls* is a love story like no other.

A Good Girl's Guide to Murder Scholastic Inc.

NEW YORK TIMES BESTSELLER • "One of our most inventive purveyors of the form returns with pitch-perfect, genre-bending stories that stare into the abyss of our national character. . . . An exquisite work from a writer whose reach is galactic."—Oprah Daily Booker Prize winner George Saunders returns with his first collection of short stories since the New York Times bestseller *Tenth of December*. **ONE OF THE BEST BOOKS OF THE YEAR:** *The New Yorker* The "best short-story writer in English" (*Time*) is back with a masterful collection that explores ideas of power, ethics, and justice and cuts to the very heart of what it means to live in community with our fellow humans.

With his trademark prose—wickedly funny, unsentimental, and exquisitely tuned—Saunders continues to challenge and surprise: Here is a collection of prismatic, resonant stories that encompass joy and despair, oppression and revolution, bizarre fantasy and brutal reality. "Love Letter" is a tender missive from grandfather to grandson, in the midst of a dystopian political situation in the (not too distant, all too believable) future, that reminds us of our obligations to our ideals, ourselves, and one another. "Ghoul" is set in a Hell-themed section of an underground amusement park in Colorado and follows the exploits of a lonely, morally complex character named Brian, who comes to question everything he takes for granted about his reality. In "Mother's Day," two women who loved the same man come to an existential reckoning in the middle of a hailstorm. In "Elliott Spencer," our eighty-nine-year-old protagonist finds himself brainwashed, his memory "scraped"—a victim of a scheme in which poor, vulnerable people are reprogrammed and deployed as political protesters. And "My House"—in a mere seven pages—comes to terms with the haunting nature of unfulfilled dreams and the inevitability of decay. Together, these nine subversive, profound, and essential stories coalesce into a case for viewing the world with the same generosity and clear-eyed attention Saunders does, even in the most absurd of circumstances.

Bless Me, Ultima Simon and Schuster

A NEW YORK TIMES BESTSELLER! "The perfect kind of story for our current era."—Hypable From the author of *Burn Our Bodies Down*, a feminist Lord of the Flies about three best friends living in quarantine at their island boarding school, and the lengths they go to uncover the truth of their confinement when one disappears. This fresh debut is a mind-bending novel unlike anything you've read before. It's been eighteen months since the Raxter School for Girls was put under quarantine. Since the Tox hit and pulled Hetty's life out from under her. It started slow. First the teachers died one by one. Then it began to infect the students, turning their bodies strange and foreign. Now, cut off from the rest of the world and left to fend for themselves on their island home, the girls don't dare wander outside the school's fence, where the Tox has made the woods wild and dangerous.

They wait for the cure they were promised as the Tox seeps into everything. But when Byatt goes missing, Hetty will do anything to find her, even if it means breaking quarantine and braving the horrors that lie beyond the fence. And when she does, Hetty learns that there's more to their story, to their life at Raxter, than she could have ever thought true. And don't miss Rory Power's second novel, *Burn Our Bodies Down!* Praise for *Wilder Girls*: **4 STARRED REVIEWS!** "Take Annihilation, add a dash of Contagion, set it at an all-girls' academy, and you'll arrive at Rory Power's occasionally shocking and always gripping *Wilder Girls*."--Refinery29 "This thrilling saga...is sure to be one of the season's most talked-about books, in any genre."--EW "Fresh and horrible and beautiful....readers will be consumed and altered by *Wilder Girls*."--NPR

Nineteen Eighty-Four Random House

Strange changes are taking place in Village. Once a utopian community that prided itself on its welcome to new strangers, Village will soon be closed to all outsiders. As one of the few people able to travel through the dangerous Forest, Matty must deliver the message of Village's closing and try to convince Seer's daughter to return with him before it's too late. But Forest has become hostile to Matty as well, and he must risk everything to fight his way through it, armed only with an emerging power he cannot yet explain or understand. This ebook includes a sample chapter of SON.

Nineteen Eighty-Four (1949) was George Orwell's final novel and was completed in difficult conditions shortly before his early death. It is one of the most influential and widely-read novels of the post-war period.

People We Meet on Vacation HarperCollins

"One of my favorite authors." —Colleen Hoover An insightful, delightful, instant #1 New York Times bestseller from the author of *Beach Read* and *People We Meet on Vacation*. Named a Most Anticipated Book of 2022 by Oprah Daily · Today · Parade · Marie Claire · Bustle · PopSugar · Katie Couric Media · Book Bub · SheReads · Medium · The Washington Post · and more! One summer. Two rivals. A plot twist they didn't see coming... Nora Stephens' life is books—she's read

them all—and she is not that type of heroine. Not the plucky one, not the laidback dream girl, and especially not the sweetheart. In fact, the only people Nora is a heroine for are her clients, for whom she lands enormous deals as a cutthroat literary agent, and her beloved little sister Libby. Which is why she agrees to go to Sunshine Falls, North Carolina for the month of August when Libby begs her for a sisters' trip away—with visions of a small town transformation for Nora, who she's convinced needs to become the heroine in her own story. But instead of picnics in meadows, or run-ins with a handsome country doctor or bulging-forearmed bartender, Nora keeps bumping into Charlie Lastra, a bookish brooding editor from back in the city. It would be a meet-cute if not for the fact that they've met many times and it's never been cute. If Nora knows she's not an ideal heroine, Charlie knows he's nobody's hero, but as they are thrown together again and again—in a series of coincidences no editor worth their salt would allow—what they discover might just unravel the carefully crafted stories they've written about themselves.

Odyssey Ballantine Books

The instant New York Times bestseller, for the first time in mass market: Worlds collide when an FBI agent investigates a string of grisly murders on Long Island and faces the impossible question: What happens when the primary suspect is your father? FBI agent Nell Flynn hasn't been home in ten years. Nell and her father, Homicide Detective Martin Flynn, have never had much of a relationship. And Suffolk County will always be awash in memories of her mother, Marisol, who was murdered when Nell was just seven. When Martin dies in a motorcycle accident, Nell returns to the house where she grew up so that she can spread her father's ashes and close his estate. At the behest of her father's partner, Detective Lee Davis, Nell becomes involved in an investigation into the murders of two young women in Suffolk County. The further Nell digs, the more likely it seems to her that her father should be the prime suspect--and that his friends on the police force are covering his tracks. Plagued by doubts about her mother's murder, and her own role in exonerating her father in that case, Nell can't help but ask questions about who killed the two women and why. But she may not like the answers she finds--not just about those she loves, but about herself.

Meg Mackintosh Mysteries Set Delacorte Press

In a terrifying future world, four girls must depend on each other if they want to survive. Louisa is nervous about being sent away to a boarding school -- but she's excited, too. And she has her best friend, Maddie, to keep her company. The girls have to pretend to be twin sisters, which Louisa thinks just adds to the adventure! Country Manor School isn't all excitement, though. Louisa isn't sure how she feels about her new roommates: athletic but snobby Rosie and everything's-a-conspiracy Evelyn. Even Maddie seems different away from home, quiet and worried all the time. Still, Louisa loves CMS -- the survival skills classes, the fresh air. She doesn't even miss not having a TV, or the internet, or any contact with home. It's for their own safety, after all. Or is it?

Girl in Pieces Simon and Schuster

In this YA contemporary queer romance from the author of *Hot Dog Girl*, an openly gay track star falls for a closeted, bisexual teen beauty queen with a penchant for fixing up old cars. "Earnest, wistful, romantic, and real." —Casey McQuiston, New York Times bestselling author of *Red, White & Royal Blue* Morgan, an elite track athlete, is forced to transfer high schools late in her senior year after it turns out being queer is against her private Catholic school's code of conduct. There, she meets Ruby, who has two hobbies: tinkering with her baby blue 1970 Ford Torino and competing in local beauty pageants, the latter to live out the dreams of her overbearing mother. The two are drawn to each other and can't deny their growing feelings. But while Morgan--out and proud, and determined to have a fresh start--doesn't want to have to keep their budding relationship a secret, Ruby isn't ready to come out yet. With each girl on a different path toward living her truth, can they go the distance together? "Beautiful, necessary, and completely irresistible." —Becky Albertalli, New York Times bestselling author of *Simon vs. the Homo Sapiens Agenda*

But at this darkest hour, will they

be able to make it back to their families . . . and freedom?

My Vietnam War Grand Central Publishing

Like the spellbinding psychological suspense in *The Girl on the Train* and *Luckiest Girl Alive*, Megan Miranda's novel is a nail-biting, breathtaking story about the disappearances of two young women—a decade apart—told in reverse. It's been ten years since Nicolette Farrell left her rural hometown after her best friend, Corinne, disappeared from Cooley Ridge without a trace. Back again to tie up loose ends and care for her ailing father, Nic is soon plunged into a shocking drama that reawakens Corinne's case and breaks open old wounds long since stitched. The decade-old investigation focused on Nic, her brother Daniel, boyfriend Tyler, and Corinne's boyfriend Jackson. Since then, only Nic has left Cooley Ridge. Daniel and his wife, Laura, are expecting a baby; Jackson works at the town bar; and Tyler is dating Annaleise Carter, Nic's younger neighbor and the group's alibi the night Corinne disappeared. Then, within days of Nic's return, Annaleise goes missing. Told backwards—Day 15 to Day 1—from the time Annaleise goes missing, Nic works to unravel the truth about her younger neighbor's disappearance, revealing shocking truths about her friends, her family, and what really happened to Corinne that night ten years ago. Like nothing you've ever read before, *All the Missing Girls* delivers in all the right ways. With twists and turns that lead down dark alleys and dead ends, you may think you're walking a familiar path, but then Megan Miranda turns it all upside down and inside out and leaves us wondering just how far we would be willing to go to protect those we love.

[Tomorrow, and Tomorrow, and Tomorrow](#) Penguin

From the #1 New York Times bestselling author of *Book Lovers* and *Beach Read* comes a sparkling novel that will leave you with the warm, hazy afterglow usually reserved for the best vacations. Two best friends. Ten summer trips. One last chance to fall in love. Poppy and Alex. Alex and Poppy. They have nothing in common. She's a wild child; he wears khakis. She has insatiable wanderlust; he prefers to stay home with a book. And somehow, ever since a fateful car share home from college many years ago, they are the very best of friends. For most of the year they live far apart—she's in New York City, and he's in their small hometown—but every summer, for a decade, they have taken one glorious week of vacation together. Until two years ago, when they ruined everything. They haven't spoken since. Poppy has everything she should want, but she's stuck in a rut. When someone asks when she was last truly happy, she knows, without a doubt, it was on that ill-fated, final trip with Alex. And so, she decides to convince her best friend to take one more vacation together—lay everything on the table, make it all right. Miraculously, he agrees. Now she has a week to fix everything. If only she can get around the one big truth that has always stood quietly in the middle of their seemingly perfect relationship. What could possibly go wrong? Girls Like Us Delacorte Press

Fans of *Girl, Interrupted*, *Thirteen Reasons Why*, and *All the Bright Places* will love this New York Times bestseller. "A haunting, beautiful, and necessary book that will stay with you long after you've read the last page."—Nicola Yoon, #1 New York Times bestselling author of *Everything, Everything* and *The Sun Is Also a Star* Charlotte Davis is in pieces. At seventeen she's already lost more than most people do in a lifetime. But she's learned how to forget. The broken glass washes away the sorrow until there is nothing but calm. You don't have to think about your father and the river. Your best friend, who is gone forever. Or your mother, who has nothing left to give you. Every new scar hardens Charlie's heart just a little more, yet it still hurts so much. It hurts enough to not care anymore, which is sometimes what has to happen before you can find your way back from the edge. A deeply moving portrait of a girl in a world that owes her nothing, and has taken so much, and the journey she undergoes to put herself back together. Kathleen Glasgow's debut is heartbreakingly real and unflinchingly honest. It's a story you

won't be able to look away from. And don't miss Kathleen Glasgow's novels *You'd Be Home Now* and *How to Make Friends with the Dark*, both raw and powerful stories of life.

Shatter Me Atheneum Books for Young Readers

A Reese Witherspoon x Hello Sunshine Book Club YA Pick "A Cuban Girl's Guide to Tea and Tomorrow is an absolute delight. Cozier than a hand-knit gray cardigan and richer than Abuela's pastelito recipe, Namey takes you from Miami to Winchester, and leaves your heart belonging to both." —Rachael Lippincott, #1 New York Times bestselling author of *Five Feet Apart* *Love & Gelato* meets *Don't Date Rosa Santos* in this charming, heartfelt story following a Miami girl who unexpectedly finds love—and herself—in a small English town. For Lila Reyes, a summer in England was never part of the plan. The plan was 1) take over her abuela's role as head baker at their panadería, 2) move in with her best friend after graduation, and 3) live happily ever after with her boyfriend. But then the Trifecta happened, and everything—including Lila herself—fell apart. Worried about Lila's mental health, her parents make a new plan for her: Spend three months with family friends in Winchester, England, to relax and reset. But with the lack of sun, a grumpy inn cook, and a small town lacking Miami flavor (both in food and otherwise), what would be a dream trip for some feels more like a nightmare to Lila...until she meets Orion Maxwell. A teashop clerk with troubles of his own, Orion is determined to help Lila out of her funk, and appoints himself as her personal tour guide. From Winchester's drama-filled music scene to the sweeping English countryside, it isn't long before Lila is not only charmed by Orion, but England itself. Soon a new future is beginning to form in Lila's mind—one that would mean leaving everything she ever planned behind.
