Mazda

B2200/B2000

Timing Check: One of the big problems people have with their Mazda Truck is timing. Many people will buy a truck that someone has fooled with before and since a lot of times they have never owned a mazda before they can't get it timed right or they decide to change the belt and can't get it right again.

Mazda B2200

timing belt change

The Mazda 626 was a mid-size sedan offered by Mazda from 1979

to 2002. The car's ignition timing determined when a spark would occur in the internal combustion engine to start the car. The ignition timing can be thrown off by normal everyday driving. You should routinely check and correct the ignition timing on ...
