Dragon Forge Watkins Media Limited

Told in the form of interviews with those who knew and hated him, this hilarious and irreverent mockumentary recounts the rise and fall of notorious Hollywood producer Shark Trager. As a young man, Shark had dreams of directing artistic movies, but when his film school project is savaged by a snobby French critic, Shark turns instead to producing exploitative trash, the more shocking and outrageous the better. Fueled by a nonstop supply of sex and drugs, Shark's life and work become increasingly bizarre and erratic. Yet we meet a different side of Shark too, as we learn how he saved a group of Sunday school teachers held hostage by terrorists, prevented a horrific attack on Nancy Reagan by a sex-crazed donkey, and single-handedly took out a squad of dangerous neo-Nazis posing as disabled schoolchildren. It all leads up to a wild and explosive finale when, against all odds, one of Shark's films finds itself a contender for the Academy Awards--but the ceremony doesn't go exactly according to plan ... Riotously funny, wickedly politically incorrect, and completely impossible to put down, James Robert Baker's satire of the film industry *Boy Wonder* (1988), long revered as a cult classic, returns to print at last in this new edition, which includes an

afterword by his partner, Ron Robertson. "[A]mphetamine-drenched, violence-riddled, sex-steeped . . . an exhilarating read." -- John Keilman, *Chicago Tribune* "Wild invention, bizarre plot twists . . . a raunchy, funny, savvy tale." -- *Kirkus Reviews*

Freedom's Forge Random House

As the only male demigod of his generation, Cameron has some pretty big... shoes to fill. For one, he has to deal with all the female demigods, and some of them, well... you know. For two, he's the best blacksmith the demigods have seen in a millennia, which is good because apparently, he's destined to craft the Ultimate Weapon. So, yeah, this book is about a dude who likes to forge things and is surrounded by hot demigoddesses. Do the math.

Alien - Invasion DIANE Publishing Golden Cove today appears to be a charming New England seacoast town. But there are dark stories from decades past—when the town had a different name. Captain Joe Bierden ' s heard them all—tall tales to entertain the tourists, he thinks. He doesn ' t hesitate to hire his boat out to a research team eager to begin a month-long diving expedition. So no one is more surprised than Captain Joe with the—thing—that the team finds in an offshore underwater cave. Their first mistake is in bringing it ashore. Their second is believing it can't survive on land. Their third is thinking that it ' s the only one of its kind...

In this third "thrilling" (*Kirkus Reviews*) installment in the *New York Times* bestselling series from Edgar Award winner James Ponti, the young group of spies help a fellow agent in another international adventure perfect for fans of *Spy School* and Mrs. Smith ' s *Spy School for Girls*. After taking down a mole within their organization, the City Spies are ready for their next mission—once again using their unique skills and ability to infiltrate places adults can ' t. The sinister Umbra has their

sights set on recruiting a North Korean nuclear physicist by any means necessary, and the City Spies plan to keep an eye on his son by sending Paris to the chess prodigy ' s tournaments in Moscow and Beijing. Meanwhile, Sydney ' s embedded as a junior reporter for a teen lifestyle site as she follows the daughter of a British billionaire on tour with the biggest act on her father ' s music label to uncover what links both the band and the billionaire have to a recent threat from an old Soviet missile base. From a daring break-in at one of London ' s most exclusive homes to a dangerous undercover mission to a desperate search and rescue operation on the streets of Beijing, the City Spies have their work cut out for them on their most dangerous mission yet.

Nomad St. Martin's Press

Living in the war-ravaged realm of Eberon, assassin-turned-priest Diran Bastiaan and his half-orc sidekick, Ghaji, make an unlikely pair. One looks like the stuff of nightmares, while the other is "a conduit through which the holy force of Good could work its will in the physical world." Together, they have traveled throughout the archipelagic Lhazaar Principalities sharing numerous wild adventures, but none were as dangerous as the one they currently face. When a gang of bloodthirsty pirates kidnaps Diran's former lover (a beautiful ex-mercenary killer named Makala), the priest of the Silver Flame and his half-breed wingman vow to get her -- and countless other abductees -- back no matter what the cost. But the seafaring raiders are no ordinary criminals; they're led by the infamous vampire Onkar, who in turn serves a being unfathomably more evil than himself.... From the Paperback edition.

Boy Wonder (Valancourt 20th Century Classics) InterVarsity Press When historian Simon MacGruder sets out to uncover the history of the dying small town of Serenity Falls, he never expected to uncover an unspeakable past rife with lynchings, mass murders, sexual depravity, rumors of the birth of the anti-Christ, and a three-hundred-year-old curse that unleash untold horror on the present, in the first volume of a new trilogy. Original.

A Brief History of Seven Killings InterVarsity Press

What does science have to do with science fiction? What does science fiction have to do with scientists? What does religion have to do with science and science fiction? In the spiritual vacuum of our post-Christian West, new mythologies continually arise. The sources of much religious speculation, however, may be surprising. Author James Herrick directs our attention to a wide range of scientists, filmmakers, science fiction writers and religious philosophers and discovers there the role that science and science fiction have played in such mythmaking. From scientists such as Francis Bacon, Francis Crick, Carl Sagan and Freeman Dyson, to filmmakers such as George Lucas and Steven Spielberg, to science fiction writers such as Olaf Stapledon, Sir Arthur C. Clarke, Robert Heinlein and Isaac Asimov, Herrick finds a curious collusion of science with science fiction for promoting and justifying alternative spiritualities. The rise of these new mythologies, he argues, is no longer a curiosity at the edge of Western culture. This alchemy is catalyzing a religious vision of new gods, a new humanity, and alien races with superior intelligence and secret knowledge. This new mythology overshadows the realms of politics, science and religion. Should we follow such visions? Does science endorse these mythologies? Are we being offered a spirituality superior to the Judeo-Christian tradition? This book will help you decide.

Choose Yourself! Seven Forges James A Moore is the author of over twenty novels, including the critically acclaimed *Fireworks*, *Under The Overtree*, *Blood Red*, *Deeper*, the *Serenity Falls* trilogy (featuring his recurring anti-hero, Jonathan Crowley) and his most recent novels *Blind Shadows* and the forthcoming *Seven Forges*. He has twice been nominated for the Bram Stoker Award and spent three years as an officer in the Horror Writers Association, first as Secretary and later as Vice President. The author cut his teeth in the industry writing for Marvel Comics and authoring over twenty role-playing supplements for White Wolf Games, including *Berlin by Night*, *Land of 1,000,000 Dreams* and *The Get of Fenris* tribe. He also penned the White Wolf novels *Vampire: House of Secrets* and *Werewolf: Hellstorm*. Moore's first short story collection, *Slices*, sold out before ever seeing print. He currently lives in the suburbs of Atlanta, Georgia.

The Godless A brave warrior risks a battle with the gods to save his family in this "gripping, horrific, and unique" grimdark fantasy (Seanan McGuire, New York Times—bestselling author) Since time began, the Grakhul—immortal servants of the gods—have taken human sacrifices to keep the world in balance and the gods appeased. But when warrior Brogan McTyre's entire family is chosen as the next offering, the Grakhul are met with a resistance they never expected. Determined to free his family from their terrible fate, Brogan begins the toughest battle of his life. But when you challenge the power of the gods, you challenge the very fabric of society. Declared

an outcast, Brogan and his family are hunted like criminals—though they aren't the only ones who suffer the consequences of their rebellion. When the gods turn their wrath elsewhere, Brogan realizes his fight is not just for the lives and freedom of his loved ones, but for the lives and freedom of the entire world. Everything I Never Told You Golgotha Press Five years after attacking the human-colonized worlds of the Spiral Arm, the hydrogues maintain absolute control over stardrive fuel...and their embargo is strangling human civilization. On Earth, mankind suffers from renewed attacks by the hydrogues and decides to use a cybernetic army to fight them. Yet the Terran leaders don't realize that these military robots have already exterminated their own makers - and may soon turn on humanity. Once the rulers of an expanding empire, humans have become the galaxy's most endangered species. But the sudden appearance of incredible new beings will destroy all balances of power. Now for humans and the myriad alien factions in the universe, the real war is about to begin...and genocide may be the result.

The Silent Army Penguin The City of Wonders has been saved by nearly miraculous forces and the Silent Army is risen, ready to defend the Fellein Empire and Empress Nachia at any cost. The power that was hidden in the Mounds is on the move, seeking a final confrontation with the very entities that kept it locked away since the Cataclysm. Andover Lashk has finally come to accept his destiny and prepares to journey back to Fellein. The Sa'ba Taaor continue their domination over each country and people they encounter, but the final conflict is coming: The Great Wave of the Sa'ba Taaor stands to destroy an empire and the Silent Army prepares to stop them in their tracks. Caught in the middle is the Fellein Empire and the people who have gathered together on the final battlefield. The faithful and the godless, the soldiers and killers alike all stand or fall as old gods and new bring their war to a world-changing end. Some struggles are eternal. Some conflicts never cease. The Gods of War are here and they are determined to win. File Under: Fantasy

The Other Wes Moore Createspace Independent Pub This is a print on demand edition of a hard to find publication. Explores whether sufficient data exists to examine the temporal and spatial relationships that existed in terrorist group planning, and if so, could patterns of preparatory conduct be identified? About one-half of the terrorists resided, planned, and prepared for terrorism relatively close

to their eventual target. The terrorist groups existed for 1,205 days from the first planning meeting to the date of the actual/planned terrorist incident. The planning process for specific acts began 2-3 months prior to the terrorist incident. This study examined selected terrorist groups/incidents in the U.S. from 1980-2002. It provides for the potential to identify patterns of conduct that might lead to intervention prior to the commission of the actual terrorist incidents. Illustrations.

One World

The acclaimed debut novel by the author of *Little Fires Everywhere* and *Our Missing Hearts* "A taut tale of ever deepening and quickening suspense." —O, the Oprah Magazine "Explosive . . . Both a propulsive mystery and a profound examination of a mixed-race family." —Entertainment Weekly "Lydia is dead. But they don't know this yet." So begins this exquisite novel about a Chinese American family living in 1970s small-town Ohio. Lydia is the favorite child of Marilyn and James Lee, and her parents are determined that she will fulfill the dreams they were unable to pursue. But when Lydia's body is found in the local lake, the delicate balancing act that has been keeping the Lee family together is destroyed, tumbling them into chaos. A profoundly moving story of family, secrets, and longing, *Everything I Never Told You* is both a gripping page-turner and a sensitive family portrait, uncovering the ways in which mothers and daughters, fathers and sons, and husbands and wives struggle, all their lives, to understand one another.

For centuries Weyland-Yutani has tried to weaponize the aliens. Now someone has beaten them to it, sweeping through Yautja space and turning predator into prey. Faced with the overwhelming forces of the Rage, Earth envoys forge an unprecedented alliance with the Predators. Yet even the combined might of two races may not be enough to stop the carnage, as an unstoppable swarm of Xenomorphs topples planet after planet, penetrating ever deeper into the Human Sphere.

City of Wonders Forge Books

NEW YORK TIMES BESTSELLER • The "compassionate" (People), "startling" (Baltimore Sun), "moving" (Chicago Tribune) true story of two kids with the same name from the city: One went on to be a Rhodes Scholar, decorated combat veteran, White

House Fellow, and business leader. The other is serving a life sentence in prison. In development as a feature film executive produced by Stephen Curry, who selected the book as his “Underrated” Book Club Pick with Literati The chilling truth is that his story could have been mine. The tragedy is that my story could have been his. In December 2000, the Baltimore Sun ran a small piece about Wes Moore, a local student who had just received a Rhodes Scholarship. The same paper also ran a series of articles about four young men who had allegedly killed a police officer in a spectacularly botched armed robbery. The police were still hunting for two of the suspects who had gone on the lam, a pair of brothers. One was named Wes Moore. Wes just couldn’t shake off the unsettling coincidence, or the inkling that the two shared much more than space in the same newspaper. After following the story of the robbery, the manhunt, and the trial to its conclusion, he wrote a letter to the other Wes, now a convicted murderer serving a life sentence without the possibility of parole. His letter tentatively asked the questions that had been haunting him: Who are you? How did this happen? That letter led to a correspondence and relationship that have lasted for several years. Over dozens of letters and prison visits, Wes discovered that the other Wes had had a life not unlike his own: Both had had difficult childhoods, both were fatherless; they’d hung out on similar corners with similar crews, and both had run into trouble with the police. At each stage of their young lives they had come across similar moments of decision, yet their choices would lead them to astonishingly different destinies. Told in alternating dramatic narratives that take readers from heart-wrenching losses to moments of surprising redemption, *The Other Wes Moore* tells the story of a generation of boys trying to find their way in a hostile world.

This Is Halloween Harvard Business Press Jay Shetty, social media superstar and host of the #1 podcast *On Purpose*, distills the timeless wisdom he learned as a monk into practical steps anyone can take every day to live a less anxious, more meaningful life. When you think like a monk, you’ll understand: -How to overcome negativity -How to stop overthinking -Why comparison kills love -How to use your fear -Why you can’t find happiness by looking for it -How to learn from everyone you meet -Why you are not your thoughts -How to find your purpose -Why kindness is crucial to success -And much more... Shetty grew up in a family where you could become one of three things—a doctor, a lawyer, or a failure. His family was convinced he had chosen option three: instead of attending his college graduation ceremony, he headed to India to become a monk, to meditate every day for four to eight hours, and devote his life to helping others. After three years, one of his teachers told him that he would have more impact on the

world if he left the monk’s path to share his experience and wisdom with others. Heavily in debt, and with no recognizable skills on his re?sume?, he moved back home in north London with his parents. Shetty reconnected with old school friends—many working for some of the world’s largest corporations—who were experiencing tremendous stress, pressure, and unhappiness, and they invited Shetty to coach them on well-being, purpose, and mindfulness. Since then, Shetty has become one of the world’s most popular influencers. In 2017, he was named in the *Forbes* magazine 30-under-30 for being a game-changer in the world of media. In 2018, he had the #1 video on Facebook with over 360 million views. His social media following totals over 38 million, he has produced over 400 viral videos which have amassed more than 8 billion views, and his podcast, *On Purpose*, is consistently ranked the world’s #1 Health and Wellness podcast. In this inspiring, empowering book, Shetty draws on his time as a monk to show us how we can clear the roadblocks to our potential and power. Combining ancient wisdom and his own rich experiences in the ashram, *Think Like a Monk* reveals how to overcome negative thoughts and habits, and access the calm and purpose that lie within all of us. He transforms abstract lessons into advice and exercises we can all apply to reduce stress, improve relationships, and give the gifts we find in ourselves to the world. Shetty proves that everyone can—and should—think like a monk.

Staring Down the Wolf Createspace Independent Publishing Platform
NEW YORK TIMES BESTSELLER •
SELECTED BY THE ECONOMIST AS ONE OF THE BEST BOOKS OF THE YEAR “A rambunctious book that is itself alive with the animal spirits of the marketplace.”—*The Wall Street Journal* *Freedom’s Forge* reveals how two extraordinary American businessmen—General Motors automobile magnate William “Big Bill” Knudsen and shipbuilder Henry J. Kaiser—helped corral, cajole, and inspire business leaders across the country to mobilize the “arsenal of democracy” that propelled the Allies to victory in World War II. Drafting top talent from companies like Chrysler, Republic Steel, Boeing, Lockheed, GE, and Frigidaire, Knudsen and Kaiser turned auto plants into aircraft factories and civilian assembly lines into fountains of munitions. In four short years they transformed America’s army from a hollow shell into a truly global force, laying the foundations for the country’s rise as an economic as well as military superpower. *Freedom’s Forge* vividly re-creates American industry’s finest hour, when the nation’s business elites put aside their pursuit of profits and set about saving the world. Praise for *Freedom’s Forge* “A rarely told industrial saga, rich with particulars of the growing pains

and eventual triumphs of American industry . . . Arthur Herman has set out to right an injustice: the loss, down history’s memory hole, of the epic achievements of American business in helping the United States and its allies win World War II.”—*The New York Times Book Review* “Magnificent . . . It’s not often that a historian comes up with a fresh approach to an absolutely critical element of the Allied victory in World War II, but Pulitzer finalist Herman . . . has done just that.”—*Kirkus Reviews* (starred review) “A compulsively readable tribute to ‘the miracle of mass production.’”—*Publishers Weekly* “The production statistics cited by Mr. Herman . . . astound.”—*The Economist* “[A] fantastic book.”—*Forbes* “*Freedom’s Forge* is the story of how the ingenuity and energy of the American private sector was turned loose to equip the finest military force on the face of the earth. In an era of gathering threats and shrinking defense budgets, it is a timely lesson told by one of the great historians of our time.”—Donald Rumsfeld

Forge Simon and Schuster
Seven Forges

Subject Seven Titan Books (US, CA)
Winner of the 2015 Man Booker Prize One of *Entertainment Weekly’s* Top 10 Books of the Decade One of the Top 10 Books of 2014 – Michiko Kakutani, *The New York Times* A “thrilling, ambitious . . . intense” (*Los Angeles Times*) novel that explores the attempted assassination of Bob Marley in the late 1970s, from the author of *Black Leopard, Red Wolf* In *A Brief History of Seven Killings*, Marlon James combines brilliant storytelling with his unrivaled skills of characterization and meticulous eye for detail to forge an enthralling novel of dazzling ambition and scope. On December 3, 1976, just before the Jamaican general election and two days before Bob Marley was to play the Smile Jamaica Concert to ease political tensions in Kingston, seven gunmen stormed the singer’s house, machine guns blazing. The attack wounded Marley, his wife, and his manager, and injured several others. Little was officially released about the gunmen, but much has been whispered, gossiped and sung about in the streets of West Kingston. Rumors abound regarding the assassins’ fates, and there are suspicions that the attack was politically motivated. *A Brief History of Seven Killings* delves deep into that dangerous and unstable time in Jamaica’s history and beyond. James deftly chronicles the lives of a host of unforgettable characters – gunmen, drug dealers, one-night stands, CIA agents, even ghosts – over the course of thirty years as they roam the streets of 1970s Kingston, dominate the crack houses of 1980s New York, and ultimately reemerge into the radically altered Jamaica of the 1990s. Along the way, they learn that evil does indeed cast long shadows, that justice and retribution are

inextricably linked, and that no one can truly escape his fate. Gripping and inventive, shocking and irresistible, *A Brief History of Seven Killings* is a mesmerizing modern classic of power, mystery, and insight.

A Forest of Stars Penguin

New York Times bestselling author James Swallow begins his espionage thriller series with *Nomad* featuring British desk jockey intelligence operative turned active agent. Marc Dane is a MI6 field agent at home behind a computer screen, one step away from the action. But when a brutal attack on his team leaves Dane the only survivor—and with the shocking knowledge that there are traitors inside MI6—he's forced into the front line. Matters spiral out of control when the evidence points toward Dane as the perpetrator of the attack. Accused of betraying his country, he must race against time to clear his name. With nowhere to turn to for help and no one left to trust, Marc is forced to rely on the elusive Rubicon group and their operative Lucy Keyes. Ex US Army, Lucy also knows what it's like to be an outsider, and she's got the skills that Dane needs. A terrorist attack is coming, one bigger and more deadly than has ever been seen before. With the eyes of the security establishment elsewhere, only Keyes and Dane can stop the attack before it's too late. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.
