The Story of God, the Story of Us Forge Books

The eagerly anticipating fifth book in the Seven Forges series... The long war with the Sa'ba Taalor has ended, but the land of Fellein does not know peace – only ceaseless change. A spate of murders draw the interest of Darsken Murdrow of the Inquisition, until the hunter becomes the hunted. Andover Lashk of the Iron Hands seeks a home in a world in which he no longer fits. An unholy necromancer steals souls, makes sacrifices, and sows fear. And in the barren wastelands of the Wellish Steppes, the army of the Godless gathers. Driven from their homeland, abandoned by their deities, the Godless now follow the banner of a new Master, and are thirsty for blood.

A Bathroom Book for People Not Pooping or Peeing but Using the Bathroom as an Escape St. Martin's Press

Living in the war-ravaged realm of Eberron, assassin-turned-priest Diran Bastiaan and his half-orc sidekick, Ghaji, make an unlikely pair. One looks like the stuff of nightmares, while the other is "a conduit through which the holy force of Good could work its will in the physical world."

Together, they have traveled throughout the archipelagic Lhazaar Principalities sharing numerous wild adventures, but none were as dangerous as the one they currently face. When a gang of bloodthirsty pirates kidnaps Diran's former lover (a beautiful ex-mercenary killer named Makala), the priest of the Silver Flame and his half-breed wingman vow to get her -- and countless other abductees -- back no matter what the cost. But the seafaring raiders are no ordinary criminals; they're led by the infamous vampire Onkar, who in turn serves a being unfathomably more evil than himself.... From the Paperback edition.

The Godless
This doomsday masterpiece from the author of Eon and Hull Zero Three was a finalist for the Hugo and Nebula awards. On July 26, Arthur Gordon learns that Europa, the sixth moon of Jupiter, has disappeared. Not hiding, not turned black, but gone. On September 28th, Edward Shaw finds an error in the geological records of Death Valley. A cinder cone was left off the map. Could it be new? Or, stranger yet, could it be artificial? The answer may be lying beside it—a dying Guest who brings devastating news for Edward and for Planet Earth. As more unexplained phenomena spring up around the globe—a granite mountain appearing in Australia, sounds emanating from the earth's core, flashes of light among the asteroids—it becomes clear to some that the end is approaching, and there is nothing we can do. In The Forge of God, award-winning author Greg Bear describes the final days of the world on both a massive, scientific scale and in the everyday, emotional context of individual human lives. Facing the destruction of all they know, some people turn to God,

others to their families, and a few turn to saviors promising escape from a planet being torn apart. Will they make it in time? And who gets left behind to experience the last moments of beauty and chaos on earth? Nominated for the Nebula, Hugo, and Locus Awards, The Forge of God is an engrossing read, breathtaking in its scope and in its detail.

- SELECTED BY THE ECONOMIST AS ONE OF THE BEST BOOKS OF THE YEAR “ A rambunctious book that is itself alive with the animal spirits of the marketplace. ” —The Wall Street

Journal Freedom ' s Forge reveals how two extraordinary American businessmen—General Motors automobile magnate William “ Big Bill ” Knudsen and shipbuilder Henry J. Kaiser—helped corral, cajole, and inspire business leaders across the country to mobilize the “ arsenal of democracy ” that propelled the Allies to victory in World War II. Drafting top talent from companies like Chrysler, Republic Steel, Boeing, Lockheed, GE, and Frigidaire, Knudsen and Kaiser turned auto plants into aircraft factories and civilian assembly lines into fountains of munitions. In four short years they transformed America ' s army from a hollow shell into a truly global force, laying the foundations for the country ' s rise as an economic as well as military superpower. Freedom ' s Forge vividly re-creates American industry ' s finest hour, when the nation ' s business elites put aside their pursuit of profits and set about saving the world. Praise for Freedom ' s Forge “ A rarely told industrial saga, rich with particulars of the growing pains and eventual triumphs of American industry . . . Arthur Herman has set out to right an injustice: the loss, down history ' s memory hole, of the epic achievements of American business in helping the United States and its allies win World War II. ” —The New York Times Book Review “ Magnificent . . . It ' s not often that a historian comes up with a fresh approach to an absolutely critical

element of the Allied victory in World War II, but Pulitzer finalist Herman . . . has done just that.” —Kirkus Reviews (starred review) “ A compulsively readable tribute to ‘ the miracle of mass production. ’ ” —Publishers Weekly “ The production statistics cited by Mr. Herman . . . astound. ” —The Economist “ [A] fantastic book. ” —Forbes “ Freedom ’ s Forge is the story of how the ingenuity and energy of the American private sector was turned loose to equip the finest military force on the face of the earth. In an era of gathering threats and shrinking defense budgets, it is a timely lesson told by one of the great historians of our time. ” —Donald Rumsfeld

A leadership book by former Navy SEAL and New York Times bestselling author Mark Divine, *Staring Down the Wolf* focuses on harnessing the principles of purpose and discipline in life to achieve success. What does it take to command a team of elite individuals? It requires a commitment to seven key principles: Courage, Trust, Respect, Growth, Excellence, Resiliency, and Alignment. All of these are present in an elite team which commits to them deeply in order to forge the character worthy of uncommon success. Retired Navy SEAL Commander, entrepreneur and New York Times bestselling author Mark Divine (founder of SEALFIT, NavySeal.com, and Unbeatable Mind) reveals what makes the culture of an elite team, and how to get your own team to commit to serve at an elite level. Using principles he learned on the battlefield, training SEALs, and in his own entrepreneurial and growth company ventures, Mark knows what it is to lead elite teams, and how easily the team can fail by breaching these commitments. Elite teams challenge themselves to step up everyday to do the uncommon. Developing the principles yourself and aligning your team around these commitments will allow you to thrive in VUCA (volatility, uncertainty, complexity, ambiguity) environments, no matter your background or leadership experience. Drawing from his twenty years leading SEALs, and twenty five years of success and failure in entrepreneurship and ten years coaching corporate clients, Mark

Divine shares a very unique perspective that will allow you to unlock the tremendous power of your team. “ Mark Divine has a gift for creating highly effective dynamic teams. Mark interleaves key aspects of leadership, mental toughness, resiliency and cultivating higher plains of existence into a foundational concept of being an authentic ‘ Leader of leaders. ’ This book is indispensable for anyone looking to lead, build and foster an elite culture. ” – Mike Magaraci, retired Force Master Chief of Naval Special Warfare “ From his time as a Commander in the SEAL Teams to building several successful multimillion dollar businesses, Mark Divine is an authority on building elite teams and leaders capable of tapping their fullest potential. ” – David Goggins, Retired Navy SEAL, author of New York Times Bestseller Can ’ t Hurt Me “To grow to your fullest capacity in your life and as a leader, we need to challenge ourselves. There ’ s no one I know who ’ s challenged himself more than Mark Divine. He ’ s the perfect visionary to help get you out of your comfort zone and shattering the status quo. ” – Joe De Sena, Founder and CEO of Spartan

Winner of the 2015 Man Booker Prize One of Entertainment Weekly's Top 10 Books of the Decade One of the Top 10 Books of 2014 – Michiko Kakutani, *The New York Times* A “thrilling, ambitious . . . intense” (Los Angeles Times) novel that explores the attempted assassination of Bob Marley in the late 1970s, from the author of *Black Leopard, Red Wolf* In *A Brief History of Seven Killings*, Marlon James combines brilliant storytelling with his unrivaled skills of characterization and meticulous eye for detail to forge an enthralling novel of dazzling ambition and scope. On December 3, 1976, just before the Jamaican general election and two days before Bob Marley was to play the Smile Jamaica Concert to ease political tensions in Kingston, seven gunmen stormed the singer's house, machine guns blazing. The attack wounded Marley, his wife, and his manager, and injured several others. Little was officially released about the gunmen, but much has been whispered, gossiped and sung about in the streets of West Kingston. Rumors abound regarding the assassins' fates, and there are suspicions that the attack was politically motivated. *A Brief History of Seven Killings* delves deep into that dangerous and unstable time in Jamaica's history and beyond. James deftly chronicles the lives of a host of unforgettable characters – gunmen, drug dealers, one-night stands, CIA agents, even ghosts – over the course of thirty years as they roam the streets of 1970s Kingston, dominate the crack houses of 1980s New York, and ultimately reemerge into the radically altered Jamaica of the

1990s. Along the way, they learn that evil does indeed cast long shadows, that justice and retribution are inextricably linked, and that no one can truly escape his fate. Gripping and inventive, shocking and irresistible, *A Brief History of Seven Killings* is a mesmerizing modern classic of power, mystery, and insight.

The world is changing. Markets have crashed. Jobs have disappeared. Industries have been disrupted and are being remade before our eyes. Everything we aspired to for “ security, ” everything we thought was “ safe, ” no longer is: College. Employment. Retirement. Government. It's all crumbling down. In every part of society, the middlemen are being pushed out of the picture. No longer is someone coming to hire you, to invest in your company, to sign you, to pick you. It's on you to make the most important decision in your life: Choose Yourself. New tools and economic forces have emerged to make it possible for individuals to create art, make millions of dollars and change the world without “ help. ” More and more opportunities are rising out of the ashes of the broken system to generate real inward success (personal happiness and health) and outward success (fulfilling work and wealth). This book will teach you to do just that. With dozens of case studies, interviews and examples – including the author, investor and entrepreneur James Altucher's own heartbreaking and inspiring story – Choose Yourself illuminates your personal path to building a bright, new world out of the wreckage of the old.
