Seven Keys to Baldpate (1913) is a mystery novel by Earl Derr Biggers. Although he is widely known as the author of a bestselling series of novels featuring Chinese American detective Charlie Chan, Biggers worked for years as a struggling mystery writer with moderate success. Seven Keys to Baldpate is one of his most acclaimed works of fiction from that period in his career, due in no small part to George M. Cohan's celebrated stage adaptation of the same year. Cohan's version has since served as source material for at least seven feature length films. "Yes, it's a little more lively in summer, when that's open," answered the agent; 'we get a lot of complaints about trunks not coming, from pretty swell people, too. It sort of cheers things.' His eye roamed with interest over Mr. Magee's New York attire. 'But Baldpate Inn is shut up tight now. This is nothing but an annex to a graveyard in winter. You wasn't thinking of stopping off here, was you?'" When William Magee arrives at Baldpate Mountain from his native New York City, he discovers that the hotel where he will be staying is virtually closed for the winter. Despite this setback, Magee manages to secure a key to the Baldpate Inn. There, he begins to work on what he hopes will become his first serious novel, his big break after years as a pulp fiction writer. Soon, other guests begin to arrive, each of them harboring a dangerous secret. With a beautifully designed cover and professionally typeset manuscript, this edition of Earl Derr Biggers' Seven Keys to Baldpate is a classic of American mystery fiction reimagined for modern readers.

"If I didn't know better I'd swear that Gillian Flynn (GONE GIRL) and E.L. James (FIFTY SHADES OF GREY) got together, had a few drinks and decided to write a book. If you're a fan of dark and unlikable characters that have a lot of unconventional (okay downright violent) sex, then this psychological thriller bordering on erotica book is for you. " -Goodreads Reviewer With haunting prose and deft psychological insight, Averil Dean spins a chilling story that explores the dark corners of obsession—love, pain and revenge. Ten years ago, someone ruined Alice Croft's life. Now, she has a chance to right that wrong—and she thinks she's found the perfect man to carry out her plan. After watching him for weeks, she breaks into Jack Calabrese's house to collect the evidence that will confirm her hopes. When Jack comes home unexpectedly, Alice hides in the closet, fearing for her life. But upon finding her, Jack is strangely calm, solicitous—and intrigued. That night is the start of a dark and intense attraction, and soon Alice finds herself drawn into a labyrinth of terrifying surrender to a man who is more dangerous than she could have ever imagined. As their relationship spirals toward a breaking point, Alice starts to see just how deep Jack's secrets run—and how deadly they could be. Previously published.

Lives are on the line at Engine 6 ... and so are hearts. Running an engine crew in the Chicago Fire Department is my dream job, and between that, my awesome kid, and my nosy sister, I lead a pretty great life. Bruised and burned by my marriage, I don't have time for dating or drama, but I always have time for pie. And when I share a slice of cherry with a sweet redhead, followed by the hottest, dirtiest, most pulse-pounding kiss of my

life, I start to rethink the possibilities. Until that woman walks into my firehouse and upends my well-ordered world. Abby Sullivan is now a rookie firefighter on my crew and a threat to my self-control more dangerous than a five-alarm blaze. My job is to watch her six when all I want is to watch her fall into my bed. Lust has no place in the firehouse, and a distraction like Abby with her electric blue eyes, waves of flame-red hair, and freckles I want to map with my tongue, is one I can ill afford. Because one wrong move ... and it could all go up in smoke. Up in Smoke is the first in the brand new Hot in Chicago Rookies series about firefighters navigating the trials of new jobs and sizzling romances as they find their place in the world and the love of a lifetime. Firefighters; firemen; firefighter romance; hot in Chicago; workplace romance; forbidden romance; boss-employee romance; single dad; single father

The Female-Impersonators (1922) is an autobiography by Earl Lind. Accompanied by an introduction by Dr. Alfred W. Herzog, Lind's autobiography?intended for a clinical audience?has been recognized as a pioneering work in the history of transgender literature. Throughout his life, Lind was forced to justify and defend his existence from puritanical authorities who refused to even recognize the reality of his identity as an androgyne. In this third installment of his autobiographical trilogy, he focuses on the community of androgynes or "female-impersonators" he joined when he moved from Connecticut to New York City. "I was predestined to an unusual role in the great drama we call 'life.' I was brought into the world as one of the rare humans who possess a strong claim, on anatomic grounds as well as psychic, to membership in both the recognized sexes. I was foreordained to live part of my life as man and part as woman." Situating his own identity within the history of transgender oppression, Lind makes the case for recognizing the presence of androgynes in all human societies. Ever since he was a child, Lind identified as feminine and was keenly aware of his homosexual desires, gaining a reputation among the local boys and soon turning to girls for friendship and understanding. In a world that saw androgynes as both corrupt and willfully different, Lind sought to increase understanding and to explain through scientific, historical, and personal evidence why his identity was congenital,

and therefore natural. In this final installment of his trilogy of autobiographical works, Lind focuses on the community of androgynes he joined at New York's Columbia Hall, a well-known brothel and gay bar on the Bowery. With a beautifully designed cover and professionally typeset manuscript, this edition of Earl Lind's *The Female-Impersonators* is a classic work of transgender literature reimagined for modern readers.

King Kong and *The Thing from Another World* are among the most popular horror and science fiction films of all time and both were made by RKO Radio Pictures. Between 1929 and 1956, RKO released more than 140 genre features, including *The Most Dangerous Game*, *The Phantom of Crestwood*, *Before Dawn*, *The Monkey's Paw*, *The Hunchback of Notre Dame*, *You'll Find Out*, *The Spiral Staircase*, *The Enchanted Cottage*, *It's a Wonderful Life*, *Captive Women and Killers from Space*. RKO is remembered for its series of psychological horror movies produced by Val Lewton, including *Cat People*, *I Walked with a Zombie*, *The Seventh Victim* and *The Body Snatcher*. The studio also produced films in the adventure, comedy, fantasy, mystery and western genres. They released many Walt Disney classics--*Snow White* and the *Seven Dwarfs*, *Fantasia*, *Pinocchio*, *Cinderella*, *Peter Pan*--as well as several "Tarzan" features. This volume covers these movies in detail with critical and historical analysis, in-depth plot synopsis and numerous contemporary reviews.

The Female-Impersonators Simon and Schuster No, Mr. Magee decided he would not. The train that had just roared away into the dusk had not brought him from the region of skyscrapers and derby hats for deeds of knight errantry up state. Anyhow, the girl's tears were none of his business. A railway station was a natural place for grief--a field of many partings, upon whose floor fell often in torrents the tears of those left behind. A friend, mayhap a lover, had been whisked off into the night by the relentless five thirty-four local. Why not a lover? Surely about such a dainty trim figure as this courtiers hovered as moths about a flame. Upon a tender intimate sorrow it was not the place of an unknown Magee to intrude. He put his hand gently upon the latch of the door.
