Discover What's Working and Find Hope Negative perceptions. Church dropouts. Prodigals and nomads. It's easy to get discouraged by all that's going wrong when it comes to Christianity and the emerging generation. Yet what's going right? In fact, signs of hope are springing up all around. In Faith for Exiles, the author of unChristian and You Lost Me unveils major new Barna research that uncovers what's working--five practices that contribute to resilience. Enter the world of resilient young adult Christians and learn how they are sustaining faith. Finally, you can find hope in all that God is doing among young disciples today. Caught Between Cultures In a world where always-connected smart devices and search algorithms educate and entertain, digital Babylon is the new context for discipleship. Faith for Exiles reveals findings from a groundbreaking three-year research study of young Christians whose faith remains resilient even in exile. Barna president David Kinnaman teams up with former executive director of Youth Specialties Mark Matlock to help you: • Make sense of chaotic cultural changes and respond with compassion to the next generation of believers • Recognize the biblical concept of exile as an essential framework for following Christ today • Discover five research-based practices that cultivate faithfulness in digital Babylon • Prepare young Christians to be on mission with Jesus in the world • Empower Jesus followers of all ages to thrive in our current exile

Bring the Bible to Your Students like Never Before
Communicating the Scriptures is much like building a bridge. However, instead of ravines or rivers, the teacher must span both cultural boundaries and great gulfs of time between the present and the pasts of Moses, David, Jesus, and Paul. Though God ' s Word is always relevant, the teacher must help students see Scripture ' s vast treasures. The effective, engaging Bible teacher must, therefore, become creative. Together, Lawrence Richards and Gary Bredfeldt have created the ultimate guide to building bridges for those seeking to learn about God ' s Word. Creative Bible Teaching offers a five-step process by which Christian educators can construct a bridge across time, geography, and culture to help students of all ages connect with God ' s Word. This newly revised edition makes learning about God ' s Word more accessible for both teachers and students today. Simple, clear, and memorable, the method laid out in Creative Bible Teaching provides a sure-fire way of communicating God's Word in a way that sticks.

Jacques B. Doukhan, an Adventist scholar of Jewish heritage, mines the Old Testament to uncover new meaning in the battle of Armageddon and the millennium. He ties the symbolism of the book to the sanctuary service of ancient Israel, showing how the seven

sections of the book correspond to the seven feasts of Judaism. He argues that the prophecies of Revelation foretell the eventual discrediting of secularism (Egypt), the resurgence of conservative religion (Babylon), and a final coalition of the two movements in the climactic events before the second coming of Christ to defeat sin and save His people.

G. Campbell Morgan (1863-1945) was a leading Bible expositor in England and the United States. Despite a lack of substantial formal training, Morgan was a prolific writer and teacher. Ordained into the Congregational ministry, he was the pastor of Westminster Chapel, London (1904-17 and 1933-45). Morgan also conducted two very successful teaching tours in the United States, including work with D.L. Moody's ministry.

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

The Mystery of Israel Canongate Books
The traces of God can be found in the most unexpected places--an Atlanta slum, a pod of whales off the coast of Alaska, the prisons of Peru and Chile, the plays of

Shakespeare, a health club in Chicago--yet many Christians have not only missed seeing God, they've overlooked opportunities to make him visible to those most in need of hope. In this enlightening book author Philip Yancey serves as an insightful tour guide for those willing to look beyond the obvious, pointing out glimpses of the eternal where few might think to look. Whether finding God among the newspaper headlines, within the church, or on the job, Yancey delves deeply into the commonplace and surfaces with rich spiritual insight. Finding God in Unexpected Places takes readers from Ground Zero to the Horn of Africa, and each stop along the way reveals footprints of God, touches of his truth and grace that prompt readers to search deeper within their own lives for glimpses of transcendence.

Seventh-day Adventist editors from all parts of the world met in Washington, D.C., in August, 1939, to participate in a general editorial council, the first to be held. As a source of inspiration and guidance to this group, the leaders of the denomination arranged to have placed in their hands the E.G. White instruction which had been directed to our writers and editors through the years, drawn from both published sources and manuscripts, in the form of a little paper-bound work entitled *Counsels to Editors*. Five hundred copies of this little work were printed, and the stock was soon exhausted. It seems appropriate to make this volume of counsels generally available through a new edition, which is now issued as a permanent publication. - The Object of Our Publications. This completely new typeset of the monumental 1957 classic contains an extensive historical and theological introduction and detailed notations by George R. Knight, professor of church history at Andrews University.; Originally produced by the Ministerial Association of the General Conference of SDAs, *Questions on Doctrine* was widely acclaimed and heavily distributed in the late 1950s and early 1960s as a forthright answer to questions from evangelicals about key elements of Adventist doctrine. Controversy regarding the book's position on the nature of Christ and the atonement soon stopped its circulation.; Intended as a complete reference on the book itself, this new edition faithfully reproduces the original text of *Questions on Doctrine*, with in-text indicators of the original pagings. It includes later important documents that bring the work up to date. The original bibliography is followed by an updated selected bibliography.

Commentary on various historical or bibliographic topics is included in new footnotes throughout the text, all while preserving the reading integrity of the original edition.; George Knight's introductory essays provide the background for how the book came about and describe the interaction of the principal players involved in the dispute about a small section of content that shelved this classic work for more than a generation.; This new edition of *Question on Doctrine* beautifully preserves this outstanding and winsome work of Adventist apologetics to future generations of scholars, laypersons, and critics. It is an essential element of every Adventist library.

Doukhan shows how careless interpretations of Scripture can spawn anti-Semitism. He examines the traditional theories: Has God rejected the Jews as His special people and replaced them with the Christian church(supersessionism,)? Or does He have two separate ways of salvation, Judaism and Christianity, under different covenants (dispensationalism)? Or is there a third and better way to understand God's plan for the Jews?; Israel has the law without Jesus, and the church has Jesus without the law. Doukhan argues that the movements diverged when Christianity rejected the law, and suggests that Adventism can play an important role in healing the breach. - Introduction; Section I: The Rejection- Supersessionist Theory; 1. The Failure of Old Testament Israel; 2. The Parable of the Vineyard; The historical context of the New Testament; The theological context of the new covenant; The biblical view of God; The ethical embarrassment; The Sociological/ anthropological consideration; 3.
