Volume 1 of Sex Criminals puts you smack dab in a world where people can freeze time when they can orgasm. I won't give much away except to say that its a great read about two very relatable characters. Don't expect to get the whole story from this single volume though, Fraction and Zdarsky are playing the long game with this series!

Sex Criminals Volume 1, written by Matt Fraction and illustrated by Chip Zdarsky is the trade collection of the first five issues of the ongoing comic book series. As you may gather from the title, it is not a comic book for children. I picked it up because of Tansy spruiking it on Galactic Suburbia podcast (and then again in person at WorldCon).
