Connections ...

Published as part of the Rob Bell Classic relaunch, Sex God explores the links between love, sex, and God. 'God and sex go together. You can't separate the two', says Rob Bell, because this physical world is intimately linked to deeper spiritual realities. And so, in order to make sense of sexuality, at some point you have to talk about God. With beauty and unusual insight, Sex God explores this connection.

Religion Book Review: Sex God: Exploring the Endless ...
Sex God is about relationships revealed in a way that elevates the human condition and offers hope to those whose relationships are wounded. In Bell's spare, somewhat oblique style, he addresses lust, respect, denial, risk, acceptance, and more.
