Lust, Loathing and a Little Lip Gloss Mulholland Books

When a mystery writer cries bloody murder, everyone blames her overactive imagination...

Thriller scribe Sophie Katz is as hard-boiled as a woman who drinks Grande Caramel Brownie Frappuccinos can be. So Sophie knows it's not paranoia or post-divorce, living-alone-again jitters, when she becomes convinced that a crazed reader is sneaking into her apartment to reenact scenes from her books. The police, however, can't tell a good plot from an unmarked grave. When a filmmaker friend is brutally murdered in the manner of a death scene in one of his movies, Sophie becomes convinced that a copycat killer is on the loose --and that she's the next target. If she doesn't solve the mystery, her own bestseller will spell out her doom. Cursing her grisly imagination (why, oh, why did she have to pick the ax?), Sophie engages in some real-life gumshoe tactics. The man who swoops in to save her in dark alleys is mysterious new love interest Anatoly Darinsky. Of course, if this were fiction, Anatoly would be her prime suspect....

If I really press myself, I can remember. The warning signs were there. No neon signs, mind you, just little sparks at the end of a very long string. Funny that I could have been blind enough not to realize that the string was a lighted fuse. When her boyfriend of three months, Tad Showers, proposes, twenty-six-year-old April thinks that everything in her life is finally falling into place. Between her flaky, tree-hugging mother and her she-devil boss, marriage seems like the place she'll find love and security. Tad's exactly the kind of man April wants: smart, ambitious and wildly romantic. But soon after they're married, the honeymoon ends. Tad's crazy, extravagant gestures are starting to look less romantic and more...well, just plain crazy. Is it normal for her husband to never mention his family, rack up secret credit card debt and get less sleep than your average insomniac? Are you still supposed to stand by your man, even if it turns out he isn't who you thought he was? When she promised "for richer or poorer, in sickness and in health," this isn't what she pictured. But sometimes you don't get the life you imagined. And sometimes you have to figure out how to write your own happy ending.

Murder House: Part Two University of Toronto Press

Nominated for an Edgar Award "Exceptionally authentic."—Jill Leovy, *The New York Times Book Review* In the late 1980s and early 1990s, the Bronx had one of the country's highest per capita homicide rates. As crack cocaine use surged, dealers claimed territory through intimidation and murder, while families were fractured by crime and incarceration. Chronicling the rise and fall of Sex Money Murder, one of the era's most notorious gangs, reporter Jonathan Green creates a visceral and devastating portrait of a New York City borough and the dedicated detectives and prosecutors struggling to stem the tide of violence. Drawing on years of research and extraordinary access to gang leaders, law enforcement, and federal prosecutors, Green delivers an engrossing work of gritty urban reportage. Magisterial in its scope, Sex Money Murder offers a unique perspective on the violence raging in modern-day America and the battle to end it.

New York Times–bestselling author: "In the art of true-crime reportage, Jerry Bledsoe is the best in the country . . . Before He Wakes has the suspense of a novel" (*The Atlanta Journal-Constitution*). Barbara Stager was known as a devoted mother, loving wife, and dedicated church leader in her Durham, North Carolina,

community. When she "accidentally" shot her husband, popular high school coach, Russ, the police were inclined to believe her—until they learned that ten years earlier, her first husband had died in a strangely similar way. Sgt. Rick Buchanan's relentless investigation into Stager's life revealed a stunning vortex of compulsive lying, obsessive spending, and sexual promiscuity. With every new discovery, more of Barbara's impeccable image unraveled. But the greatest shock—a damning piece of evidence Russ Stager left behind—revealed the nightmare truth about Barbara. With "the fine-toothed-comb reporting of [an] ace crime journalist," this book takes us deep into a spellbinding case of double life, lethal lust, and almost perfect murder (*Kirkus Reviews*). "A shocking and well-written portrait of a dangerous woman."—*The New York Times* "Mesmerizing."—Ann Rule, *New York Times*–bestselling author of *The Stranger Beside Me* "This account of manipulation, compulsive spending, lying, promiscuity, and murder is made even more chilling by the fact that appearances are often deceiving."—*Library Journal* "A profile of evil . . . Fascinating."—*The Baltimore Sun* "Jerry Bledsoe is the master of true crime, the conclusion to what Truman Capote began. . . . Another stunning success."—Patricia Cornwell, *New York Times*–bestselling author of *Chaos*

Sex, Murder, and the Meaning of Life W. W. Norton & Company

The real story behind the murder of a Manhattan schoolteacher that became a symbol of the dangers of casual sex: "A first-rate achievement" (*Truman Capote*). In 1973, Roseann Quinn, an Irish-Catholic teacher at a school for deaf children, was killed in New York City after bringing a man home to her apartment from an Upper West Side pub. The crime made headlines and the ensuing case quickly evolved into a cultural phenomenon, spawning both a #1 *New York Times*–bestselling novel and a film adaptation starring Diane Keaton and Richard Gere, and sparking debates about the sexual revolution and the perils of the "pickup scene" at what were popularly known as singles bars. In this groundbreaking true crime tale, Lacey Fosburgh, the *New York Times* reporter first assigned to the story, utilizes an inventive dramatization technique, in which she gives the victim a different name, to veer between the chilling, suspenseful personal interactions leading up to the brutal stabbing and the gritty details of its aftermath, including the NYPD investigation and the arrest of John Wayne Wilson. An Edgar Award finalist for Best Fact Crime, this classic of the genre is "more riveting, and more tragic, than the Judith Rossner novel—and 1977 movie *Looking for Mr. Goodbar*" (*Men's Journal*).

Dark Heart Zondervan

In 1973 the small southwest Nebraska railroad town of McCook became the unlikely scene of a grisly murder. More than forty years later, author James W. Hewitt returns to the scene and unearths new details about what happened. After pieces of Edwin and Wilma Hoyt's dismembered bodies were found floating on the surface of a nearby lake, authorities charged McCook resident Harold Nokes and his wife, Ena, with murder. Harold pleaded guilty to murder and Ena pleaded guilty to two counts of wrongful disposal of a dead body, but the full story of why and how he murdered the Hoyts has never been told. Hewitt interviews law enforcement officers, members of the victims' family, weapons experts, and forensic psychiatrists, and delves into newspaper reports and court documents from the time. Most significant, Harold granted Hewitt his first and only interview, in which the convicted murderer changed several parts of his 1974 confession. In *Cold Storage* takes readers through the evidence, including salacious details of sex and intrigue between the Hoyts and the Nokeses, and draws new conclusions about what really happened between the two families on that fateful September night.

Before He Wakes Grove Press

Despite all the airtime devoted to Amanda Knox, it's still hard to reconcile the fresh-faced honor student from Seattle with the sexually rapacious killer convicted of the November 2007 murder of her British roommate. Few Americans have heard all of the powerful evidence that convinced a jury that Knox was one of three people to sexually assault Meredith Kercher, brutalize her body, and cut her throat. In *Angel Face*, Rome-based *Daily Beast* senior writer Barbie Latza Nadeau -- who cultivated personal relationships with the key figures in both the prosecution and the defense -- describes how the Knox family's heavy-handed efforts to control media coverage distorted the facts, inflamed an American audience, and painted an offensive, inaccurate picture of Italy's justice system. An eye-opener for any parent considering sending a child away to study, *Angel Face* reveals what really went on in this incomprehensible crime.

Soon to be a Showtime documentary, *Murder in the Bayou* is a New York Times bestselling chronicle of a high-stakes investigation into the murders of eight women in a troubled Southern parish that is “part murder case, part corruption exposé, and part Louisiana noir” (New York magazine). Between 2005 and 2009, the bodies of eight women were discovered in Jennings, Louisiana, a bayou town of 10,000 in the Jefferson Davis parish. The women came to be known as the Jeff Davis 8, and local law enforcement officials were quick to pursue a serial killer theory, stirring a wave of panic across Jennings’ class-divided neighborhoods. The Jeff Davis 8 had been among society’s most vulnerable—impoverished, abused, and mired with mental illness. They engaged in sex work as a means of survival. And their underworld activity frequently occurred at a decrepit motel called the Boudreaux Inn. As the cases went unsolved, the community began to look inward. Rumors of police corruption and evidence tampering, of collusion between street and shield, cast the serial killer theory into doubt. But what was really going on in the humid rooms of the Boudreaux Inn? Why were crimes going unsolved and police officers being indicted? What had the eight women known? And could anything be done to stop the bloodshed? Mixing muckraking research and immersive journalism over the course of a five-year investigation, Ethan Brown reviewed thousands of pages of previously unseen homicide files to posit what happened during each woman’s final hours delivering a true crime tale that is “mesmerizing” (Rolling Stone) and “explosive” (Huffington Post). “Brown is a man on a mission...he gives the victims more respectful attention than they probably got in real life” (The New York Times). “A must-read for true-crime fans” (Publishers Weekly, starred review), with a new afterword, *Murder in the Bayou* is the story of an American town buckling under the dark forces of poverty, race, and class division—and a lightning rod for justice for the daughters it lost.

Murder and mystery, society, sex and suspense were combined in this case in such a manner as to intrigue and captivate the public fancy to a degree perhaps unparalleled in recent annals. Ohio vs. Sheppard, 165 Ohio St. 293, 294 (1956). While this should no longer occur in a criminal trial, it can in a book. And this is the book in which it does. Here, some of the most notorious legal cases in American history are explored. What they have in common is that they titillated, if not repulsed, the entire nation when they first occurred. What they still have in common is that, for the most part, they are today nearly totally forgotten. From the unfair framing for murder of America's most famous comedian, to America's first capital case involving an older woman and her much younger lover murdering her husband, to Mad Harry Thaw, the wealthy and mad son of a steel magnate, killing America's foremost architect over a beautiful woman, all come to life in gripping detail and drama. And meet the real Norman Bates of Alfred Hitchcock's Psycho, whose mother fixation and real life gruesome crimes far outmatched those of any fictional character. This book brings to life these notorious characters and many more from the rich pages of history.
