Although sex & sin are primarily discussed in the course of its contents, they are discussed in the light of Zen Buddhism and Buddha's Buddhism. This text is probably currently the most comprehensive available, from a Western Buddhist's perspective, on Western culture's confused, Christian-dominated understanding of sexual desires.

The doctrine of sin is central to Christianity,

since its basic message is about redemption in Christ. Christian hamartiology describes sin as an act of offense against God by despising his persons and Christian biblical law, and by injuring others. In Christian views it is an evil human act, which violates the rational nature of man as well as God's nature and his eternal law.

When sex gets thrown into the mix that

confusion is intensified and we are left wondering just what are we allowed to screw, anyway? Brad Warner does an excellent job of clarifying those misconceptions his latest offering, Sex Zen and Sin. This is a fun book. I enjoyed the double entendres, the innuendos, and the jokes.
