New York, Los Angeles, and Washington, D.C., have been abandoned. The Bill of Rights has been revoked, and replaced with the Moral Statutes. There are no more police—instead, there are soldiers. There are no more fines for bad behavior—instead, there are arrests, trials, and maybe worse. People who get arrested usually don't come back. Seventeen-year-old Ember Miller is old enough to remember that things weren't always this way. Living with her rebellious single mother, it's hard for her to forget that people weren't always arrested for reading the wrong books or staying out after dark. It's hard to forget that life in the United States used to be different. Ember has perfected the art of keeping a low profile. She knows how to get the things she needs, like food stamps and hand-me-down clothes, and how to pass the random home inspections by the military. Her life is as close to peaceful as circumstances allow. That is, until her mother is arrested for noncompliance with Article 5 of the Moral Statutes. And one of the arresting officers is none other than Chase Jennings...the only boy Ember has ever loved. SEDUCTIVE IN STILETTOS is a full length New Adult, BWWM Interracial Contemporary Romance. Interview with the Author Q - So, what makes the In Stilettos series special? A - First and foremost, it's a story about these single women and their strong friendship. I wanted to create characters that were relatable and that I would want to hang out with. Strong women and the alpha males who compliment them. Those are the kinds of contemporary romances I love to read. And as always, I had to make it funny, because romantic comedy is where my heart is. And I as always wanted to celebrate diversity in romance so I've incorporated the Interracial and Multicultural Romance genre. Q - What order should I read the books in? A - Great question! Originally, the series was meant to be three books, but the fans called for more so I went back with a baby story and eventually rebooted the series with a New Adult Romance twist! I'll be continuing the series in 2016: - Sexy in Stilettos - Sultry in Stilettos - Sassy in Stilettos - Strollers & Stilettos - Seductive in Stilettos - Sinful in Stilettos (Coming 2016) Q - So, why should readers give these books a try? A - Because the books in the In Stilettos series are fast-paced, hilarious reads that will make you laugh out loud, cry a little and want a best friend as incredible as Jaya, Ricca, not to mention Alec, Beckett & Caleb. If you love BWWM Interracial Romance reads, Interracial Romantic Comedies, or Chick-Lit Romance with an ultra sexy twist, you're in the right place. Ultimately, readers who enjoy fast-paced, romantic comedy reads, with military love interests, virgins and bad boys, friends to lovers, undercover, mistaken identity, and redemption, the books in the series have something for you. Q - Can readers get the whole series in one go? A -I've put together a bundle for those who like to keep the party going after book 1. It includes the first three books in the series. As I write, I'll be bundling more! Check out my author page for more details, and a full list of my available titles. And thanks for reading! : In Stilettos Series eBook Categories: - Romantic Comedy - Contemporary Romance - Romance Series - Military Romance - New Adult & College Romance - Multicultural Interracial Romance - BWWM...
