Gender and Dance in Modern Iran: Biopolitics on Stage
investigates the ways dancing bodies have been providing evidence for

competing representations of modernity, urbanism, and religiosity across the twentieth century. Focusing on the transformation of the staged dancing body, its space of performance, and spectatorial cultural ideology, this book traces the dancing body in multiple milieus of performance, including the Pahlavi era's national artistic scene and the popular café and cabaret stages, as well as the commercial	cinematic screen and the post-revolutionary Islamized theatrical stage. It links the socio-political discourses on performance with the staged public dancer, in order to interrogate the formation of dominant categories of "modern," "high," and "artistic," and the subsequent "othering" of cultural realms that were discursively peripheralized from the "national" stage. Through the study of archival	and ethnographic research as well as a diverse literature pertaining to music, theater, cinema, and popular culture, it combines a close reading of primary sources such as official documents, press materials, and program notes with visual analysis of filmic materials and imageries, as well as interviews with practitioners. It offers an original and informed exploration into the ways performing bodies and their

public have been associated with binary notions of vice and virtue, morality and immorality, commitment and degeneration, chastity and eroticism, and veiled-ness and nakedness. Engaging with a range of methodological and historiographical methods, including postcolonial, performance, and feminist studies, this book is a valuable resource for students and scholars of Middle East

history and Iranian studies, as well as gender studies and dance and performance studies. PMP Exam Prep Genealogical Publishing Com This volume deals with the last two and a half years of the Prophet's life. In addition to the three major expeditions to Hunayn, Ta'if, and Tabuk, it describes in detail the circumstances surrounding the illness from which he died and the subsequent crisis of leadership faced by the nascent Muslim community. The author depicts with

admirable fairness all the various opinions and divisions that existed within the community. He also presents a vivid picture of the Prophet's physical appearance, his personal life, and his marriages. Among other topics discussed in this volume are all the deputations that came to Medina; a summary of all the expeditions and raiding parties; and his scribes, freedmen, horses, camels, goats, swords, coats of mail, and so on. It also covers the apostasy of Musaylimah, Aswad, and Tulhahah and the Prophet's attempts

(Dora the Explorer) Penguin INSTANT NEW YORK TIMES BESTSELLER "Searing. Powerful. Needed." —Oprah “ Sometimes a single story can change the world. Unbound is one of those stories. Tarana ’ s words are a testimony to liberation and love.” —Bren é Brown From the founder and activist behind

one of the largest movements of the twentieth and twenty-first centuries, the "me too" movement, Tarana Burke debuts a powerful memoir about her own journey to saying those two simple yet infinitely powerful words—me too—and how she brought empathy back to an entire generation in one of the largest cultural events in American history. Tarana didn ’ t always have the courage to say "me too." As a child, she reeled from her sexual assault, believing she was responsible. Unable to confess what she thought of as her own sins

for fear of shattering her family, her soul split in two. One side was the bright, intellectually curious third generation Bronxite steeped in Black literature and power, and the other was the head, shame ridden girl who thought of herself as a vile rule breaker, not as a victim. She tucked one away, hidden behind a wall of pain and anger, which seemed to work...until it didn ’ t. Tarana fought to reunite her fractured self, through organizing, pursuing justice, and finding community. In her debut memoir she

shares her extensive work supporting and empowering Black and brown girls, and the devastating realization that to truly help these girls she needed to help that scared, ashamed child still in her soul. She needed to stop running and confront what had happened to her, for Heaven and Diamond and the countless other young Black women for whom she cared. They gave her the courage to embrace her power. A power which in turn she shared with the entire world. Through these young Black and brown women,

Tarana found that we can only offer empathy to others if we first offer it to ourselves. Unbound is the story of an inimitable woman ' s inner strength and perseverance, all in pursuit of bringing healing to her community and the world around her, but it is also a story of possibility, of empathy, of power, and of the leader we all have inside ourselves. In sharing her path toward healing and saying "me too," Tarana reaches out a hand to help us all on our own journeys. The Human Face of Big Data

Stockholm Universitet History that doesn't suck: Smart, crude, and hilariously relevant to modern life. Those who don't know history are doomed to repeat it. Too bad it's usually boring as sh*t. Enter The Captain, the ultimate storyteller who brings history to life (and to your life) in this hilarious, intelligent, brutally honest, and crude compendium to events that happened before any of us were born. The

entries in this compulsively readable book bridge past and present with topics like getting ghosted, handling haters, and why dog owners rule (sorry, cat people). Along the way you'll get a glimpse of Edith Wharton's sex life, dating rituals in Ancient Greece, catfishing in 500 BC, medieval flirting techniques, and squad goals from Catherine the Great. You'll learn why losing yourself in a relationship will make you crazy--like

Joanna of Castile, who went from accomplished badass to Joanna the Mad after obsessing over a guy known as Philip the Handsome. You'll discover how Resting Bitch Face has been embraced throughout history (so wear it proudly). And you'll see why it's never a good idea to f*ck with powerful women--from pirate queens to diehard suffragettes to C leo-f*cking-patra. People in the past were just like us--so learn from life's losers and

emulate the badasses. The Captain shows you how. In the Qur'an, Allah has revealed the machinations of the hypocrites, He has unveiled their beliefs, their qualities, and made their goals clear so that the believers can be aware of them. He divided mankind into three groups in the beginning of Surah al-Baqarah: the believer, the disbeliever, and the hypocrite.

He mentioned four verses concerning the believers, two verses concerning the disbelievers, and thirteen verses concerning the hypocrites due to their plenitude and the great harm and tribulation they bring to Islam and the Muslims. The harm they cause to Islam is truly severe for they claim to be Muslims, they claim to aid and support Islam, whereas in reality they are its enemies seeking to destroy it from within, covertly

spreading their corruption and ignorance such that the unwary thinks that what they are upon is knowledge and right action.
