works, ... Shade's Children has an interesting premise - dystopian Earth dominated by other world beings, all adults are gone, and the children are rounded up and cultivated for parts to create more evil beings. Into the mix, Nix introduces a human personality housed in a computer that becomes the ...

### Children's Book Review: Shade's Children by Garth Nix ...

In Garth Nix's Shade's Children that's exactly what the world has become. In this futuristic sci-fi semi-thriller, teens are harvested for their organs and muscles on their 14th birthday. Sometimes they are kept alive as long as 18 in order to breed more body parts so that the Overlords can play games. When the Overlords came, all the adults ...

Shade's Children by Gustavo Vazquez on Prezi  
"Shade's Children" by Garth Nix is a young adult future dystopia, which I first read back when in 1997, and have read several times again since (most recently, this week, which prompted me to review). Since that first reading, I even managed to get a bunch of my friends to love it by having them read the first part, the first video archive that ...

Amazon.com: Shade's Children (9780064471961): Garth Nix: Books

Shade's Children, by Garth Nix, is the story of a horrifying world, where, one day, every adult simply disappeared. Children were left confused and excited, but every last one was eventually kidnapped by the Overlords, strange alien creatures who use children for their own sick and violent purposes.

creative and imaginative book. This is the only book by Garth Nix that I have ever read. The whole idea behind the book is very fascinating, much different from other books that I've read.

Shade's Children is, in my opinion a very
