The fantasy novel you've always wished Jane Austen had written *Shades of Milk and Honey* is exactly what we could expect from Jane Austen if she had been a fantasy writer: *Pride and Prejudice* meets *Jonathan Strange & Mr. Norrell*. It is an intimate portrait of a woman, Jane, and her quest for love in a world where the manipulation of glamour is considered an essential skill for a lady of quality. Jane and her sister Melody vie for the attentions of eligible men, and while Jane's skill with glamour is remarkable, it is her sister who is fair of face. When Jane realizes that one of Melody's suitors is set on taking advantage of her sister for the sake of her dowry, she pushes her skills to the limit of what her body can withstand in order to set things right--and, in the process, accidentally wanders into a love story of her own. "*Shades of Milk and Honey*" is an intimate portrait of Jane Ellsworth, a woman ahead of her time in a world where the manipulation of glamour is considered an essential skill for a lady of quality. But despite the prevalence of magic in everyday life, other aspects of Dorchester's society are not that different: Jane and her sister Melody's lives still revolve around vying for the attentions of eligible men. Jane resists this fate, and rightly so: while her skill with glamour is remarkable, it is her sister who is fair of face, and therefore wins the lion's share of the attention. At the ripe old age of twenty-eight, Jane has resigned herself to being invisible forever. But when her family's honor is threatened, she finds that she must push her skills to the limit in order to set things right--and, in the process, accidentally wanders into a love story of her own. This debut novel from an award-winning talent scratches a literary itch you never knew you had. Like wandering onto a secret picnic attended by "*Pride and Prejudice*" and "*Jonathan Strange & Mr Norrell*," "*Shades of Milk and Honey*" is precisely the sort of tale we would expect from Jane Austen...if only she had been a fantasy writer.

Beautiful and nuanced as it is dangerous, the manners of Regency and Victorian England blend into a scintillating fusion of urban fantasy and court intrigue. *Between Mundanus*, the world of humans, and *Exilium*, the world of the Fae, lies the Nether, a mirror-world where the social structure of 19th-century England is preserved by Fae-touched families who remain loyal to their ageless masters. Born into this world is Catherine Rhoegas-Papaver, who escapes it all to live a normal life in Mundanus, free from her parents and the strictures of Fae-touched society. But now she's being dragged back to face an arranged marriage, along with all the high society trappings it entails. Crossing paths with Cathy is Max, an Arbiter of the Split Worlds treaty with a dislocated soul who polices the boundaries between the worlds, keeping innocents safe from the Fae. After a spree of kidnappings and the murder of his fellow Arbiters, Max is forced to enlist Cathy's help in unravelling a high-profile disappearance within the Nether. Getting involved in the machinations of the Fae, however, may prove fatal to all involved. "BETWEEN TWO THORNS shows the darkness beneath the glamour of the social Season. Ginger is a medium for the Spirit Corps, a special Spiritualist force. Each soldier heading for the front is conditioned to report to the mediums of the Spirit Corps when they die so the Corps can pass instant information about troop movements to military intelligence. Even worse, it is clear that the Spirit Corps is now being directly targeted by the German war effort. "Utterly unique storytelling... a tale that refuses to flinch." —Chloe Gong, New York Times bestselling author of *These Violent Delights* From William C. Morris Finalist Nafiza Azad comes a thrilling, feminist fantasy about a group of teenage girls endowed with special powers who must band together to save the life of the boy whose magic saved them all. We are the Wild Ones, and we will not be silenced. We are girls who have tasted the worst this world can offer. Our story begins with Paheli, who was once betrayed by her mother, sold to a man in exchange for a favor. When Paheli escaped, she ran headlong into Taraana—a boy with stars in his eyes, a boy as battered as she was. He tossed Paheli a box of stars before disappearing. With the stars, Paheli gained access to the Between, a place of pure magic and mystery. Now, Paheli collects girls like us, and we use our magic to travel the world, helping to save other girls from our pain, our scars. When Taraana reappears, he asks for our help. Dangerous magical forces are chasing him, and they will destroy him to get his powers. We will do everything to save him—if we can. For if Taraana is no longer safe and free, neither are the Wild Ones. And that is a fate that we refuse to accept. Ever again.
