A/N: I got the idea near the end of "Eve of Shadows" to write the closest thing to a "TV series" on Fanfiction that I could get and I wanted it to be similar to "Star Wars: The Clone Wars" so I figured...heck, why not. As such, each chapter will approximate to one episode (and be numbered as such).

The premise of Shadow Games is that a superstar singer has to hire a bodyguard to keep her safe from obsessive fans and other threats while she's on tour. So, yeah, this is The Bodyguard set in the universe of Star Wars, in what is the most unlikely meshing of stories I've yet seen in the Expanded Universe. Amazingly, the story isn't that bad.

Michael Reaves began his career in Star Wars working on several television productions. He co-wrote "Tail of the Roon Comets", an episode of the Star Wars Droids animated television series. He also wrote the Ewoks episodes entitled "The Raich" and "Hard Sell".
