Karin Alvtegen | Shadow

Karin Alvtegen is a skilled
storyteller, with a strong
sense of language and
nuances. She crawls
inside the skin of her
novel characters and
portrays them in a
credible way. At the
bottom of Shadow is a
strong morality and the
question of what we do
with our lives. Norrtelje

apartment block in
Stockholm, most of the
residents are elderly.
Usually a death is a sad

But sometimes a resident
will die and there are no
friends or family to
contact. This is when
Marianne Folkesson
arrives, employed by the
state to close up a life with
dignity and respect. Gerda
Persson has lain dead in
her apartment for ...

extent that I have her at the
top of my own personal list
of Scandi crime writers
(perhaps because, in her

alone, and a state official,

Marianne Folkesson, is sent
in to sort out Gerda ...
