A Medal for Leroy HarperCollins UK

Author of War Horse, and bestselling storyteller Michael Morpurgo touched our hearts with this beautiful story of a boy, his lost dog, and the lengths he would go to be reunited. This timely story of battle-scarred Afghanistan delivers a masterful portrait of war, love, and friendship. With the horrors of war bearing down on them, Aman and his mother are barely surviving in an Afghan cave, and staying there any longer will end horribly. The only comfort Aman has is Shadow, the loyal spaniel that shows up from places unknown, it seems, just when Aman needs him most. Aman, his mother, and Shadow finally leave the destroyed cave in hopes of escaping to England, but are held at a checkpoint, and Shadow runs away after being shot at by the police. Aman and his mother escape--without Shadow. Aman is heart-broken. Just as they are getting settled as free citizens in England, they are imprisoned in a camp with locked doors and a barbed wire fence. Their only hope is Aman's classmate Matt, his grandpa, and the dream of finding his lost dog. After all, you never lose your shadow.

Kaspar: Prince of Cats Egmont Books (UK)

Revered author Michael Morpurgo evokes the post-war Britain of his childhood in this unflinching and deeply poignant tale of the physical and mental scars of war. From a young age, Michael was both fascinated by and afraid of his grandfather. Grandpa's ship was torpedoed during the Second World War, leaving him with terrible burns. Every time he came to stay, Michael was warned by his mother that he must not stare, he must not make too much noise, he must not ask Grandpa any questions about his past. As he grows older, Michael stays with his grandfather during the summer holidays and learns the story behind Grandpa's injuries, finally getting to know the real man behind the solemn figure from his childhood. Michael can see beyond the burns, and this

gives him the power to begin healing scars that have divided his family for so long.

When Michael's aunt passes away, she leaves behind a letter that will change everything. It starts with Michael's grandfather Leroy, a black officer in World War I who charged into a battle zone not once but three times to save wounded men. His fellow soldiers insisted he deserved special commendations for his bravery but because of the racial barriers, he would go unacknowledged. Now it's up to Michael to change that. Inspired by the true story of Walter Tull, the first black officer in the British army, award-winning author Michael Morpurgo delivers a richly layered and memorable story of identity, history, and family.

A masterpiece of linguistics scholarship, at once erudite and entertaining, confronts the thorny question of how—and whether—culture shapes language and language, culture Linguistics has long shied away from claiming any link between a language and the culture of its speakers: too much simplistic (even bigoted) chatter about the romance of Italian and the goose-stepping orderliness of German has made serious thinkers wary of the entire subject. But now, acclaimed linguist Guy Deutscher has dared to reopen the issue. Can culture influence language—and vice versa? Can different languages lead their speakers to different thoughts? Could our experience of the world depend on whether our language has a word for "blue"? Challenging the consensus that the fundamentals of language are hard-wired in our genes and thus universal, Deutscher argues that the answer to all these questions is—yes. In thrilling fashion, he takes us from Homer to Darwin, from Yale to the Amazon, from how to name the rainbow to why Russian water—a "she"—becomes a "he" once you dip a tea bag into her, demonstrating that language does in fact reflect culture in ways that are anything but trivial. Audacious, delightful, and field-changing, Through the Language Glass is a classic of intellectual discovery.

“ Will fire imaginations and elicit the heart-pumping, wide-eyed response that has kept this tale alive and vigorous through the ages. ” — Bulletin of the Center for Children ' s Books (starred review) Long ago a Scandinavian warrior fought three evils so powerful they threatened whole kingdoms. Standing head and shoulders above his comrades, Beowulf single-handedly saved the land of the Danes from a merciless ogre named Grendel and from his sea-hag mother. But it is his third terrible battle, with the death-dragon of the deep, in which he truly meets his match.

Lovers of heroes, monsters, and the drama of battle will find this retelling as enthralling as it is tragic. Now in a handy black-and-white digest edition perfect for classroom use.

Percy Jackson meets Thor in a laugh-out-loud, action-packed adventure inspired by Norse mythology. Twelve-year-old Abby Beckett is proud to come from a long line of elite Viking warriors known as the Aesir. She's spent her entire life training to hunt the horrific creatures known as Grendels—the ancient foe of the Aesir—just like her mother did before she died. But there's just one, small problem: No one has seen a Grendel in centuries, and the Viking Council wants to disband the Aesir . . . forever. When her father is injured in an attack that leaves him in a coma, Abby is forced to take refuge at Vale Hall, a mysterious school in Minnesota where nothing is quite as it seems. She soon discovers the tables have turned and a Grendel is hunting her, but when she tries to alert the Viking Council, they accuse her of making up stories for attention . . . just like her mother did. Desperate to protect her father and clear her mother's name, Abby goes on a dangerous quest to discover the truth—a journey that brings her face-to-face with some unlikely foes, including a Ping-Pong-playing sea monster with a wicked backhand, and a dark Valkyrie with a fondness for bingo. Abby quickly realizes that someone at the school is trying to stop her progress and destroy the Aesir for good. And only she can unravel the sinister plot before it's too late.

England, 1940. Barney's home has been destroyed by bombing, and he and his mother are traveling to the countryside when German planes attack. Their train is forced to take shelter in a tunnel and there, in the darkness, a stranger—a fellow passenger—begins to tell them a story about two young soldiers who came face to face in the previous war. One British, one German. Both lived, but the British soldier was haunted by the encounter once he realized who the German was: the young Adolf Hitler. The British soldier made a moral decision. Was it the right one? Readers can ponder that difficult question for themselves with Michael Morpurgo's latest middle-grade novel An Eagle in the Snow.
