It's been a few months
since Simon and
Elizabeth returned
from their adventure in

1888 London. Jack is
back with them and all
is as it should be, until
a knock on the door
changes that. A visitor
from the future turns
their world upside-
down. Unable to return
her to her time, they go
to the Council for help,
only to discover there
are bigger problems
afoot. All of the
watches have been shut

down until a dangerous and secret weapon--a watch that can change any point in time--can be found. Too powerful for anyone to possess, it was hidden. But now the secret's out, and the mysterious Shadow Council will do anything to get their hands on it. Simon, Elizabeth and Jack race to find it before the Shadow Council does or it will be the end of...everything. "A strong . . . trilogy, invoking just a little Harry Potter and Series of Unfortunate Events along the way."—Realms of Fantasy Siblings Kate, Michael, and Emma have been in one orphanage after another for the last ten years, passed along like lost baggage. Yet these unwanted children are more remarkable than they could possibly imagine. Ripped from their parents as babies, they are being protected from a horrible evil of devastating power, an evil they know nothing about. Until now. Before long, Kate, Michael, and Emma are on a journey through time to dangerous and secret corners of the world . . . a journey of allies and enemies, of magic and mayhem. And—if an ancient

prophecy is true—what they do can change history, and it's up to them to set things right. "A new Narnia for the tween set."—The New York Times "[A] fast-paced, fully imagined fantasy."—Publishers Weekly "Echoes of other popular fantasy series, from "Harry Potter" to the "Narnia" books, are easily found, but debut author Stephens has created a new and appealing read..."—School Library Journal, Starred Review

"People turn their heads when I walk past them. They know where I'm going. My feet almost stumble on the uneven pavement of the cobblestoned street when I sense Mark's gaze on me. This is the only time he takes notice of me, and it's for a reason I wish didn't exist. All the other times I want him to see me, his eyes skip right over me. I'm a wolf in sheep's clothes to these people. A potential threat. I already know what will happen once I get to the Clinic. I'll have to talk to that clueless psychiatrist so he can measure my possibly violent

tendencies. Because that stigma has been on me ever since I turned twelve and the person I loved most in the whole wide world was Purged from this city. My name is Sarah, and my father was a violence offender." Return to the world of the Island series and meet Sarah, resident of Dartmoor City. She's bitter, she feels trapped, and she wants nothing more than to venture beyond the fence that's keeping her in. She just has no idea how to. But when she discovers a secret that President Jacob would rather keep under wraps, Sarah is forced to make a move for freedom - because she meets a guy who is even more of a prisoner than she is, and he desperately needs her help.

‘Cammino verso il mare, la superficie infinita dell'acqua si estende fino all'orizzonte in qualunque direzione mi volti. Il nostro mondo è piccolo. Siamo soli e dipendiamo solo dalla Forza che abbiamo dentro di noi, è

quello che ci hanno insegnato sull'isola è la verità? Oppure i nostri antenati. Se dovessi camminare verso ovest da qui troverei una barriera, la Muraglia. Dietro di essa, i Folli. O almeno così dicono tutti. Io non ne ho mai visto uno.' Leia vive sull'isola, un mondo in cui i bambini lasciano i loro genitori all'età di dieci anni e iniziano a cavarsela da soli. Lungo l'isola scorre una muraglia che nessuno ha mai attraversato. Non si può ragionare coi Folli che vivono dall'altra parte, credono in cose che non esistono. Questo è ciò che dice il libro, l'unico lascito degli antenati agli abitanti dell'est dell'isola. Ma quando sulla spiaggia approda un uomo e Leia si ritrova faccia a faccia con un Folle, la sua vita cambia radicalmente: ciò in cui lei e i suoi amici hanno sempre creduto

tutti, nel loro mondo, sono in realtà dei Folli?

This entire young adult dystopian/fantasy series now available in one box set! When Enna rebels against the strict rules of her island and strikes up a bargain with Royce, a rich guy from the capital, she knows she's risking her life by secretly using the electricity in his cottage. Her people aren't allowed to use the electric power that was brought to the island by Royce's ancestors, the Anglians. And yet she can't stay away from the music they share - and the feelings that grow between them. But what she doesn't know is that her act of rebellion will set in motion a series of discoveries and events that will challenge everything she and her friends have always believed about the island of Skylge... and the Sirens that live under the sea surrounding their home. Why do the mermaids call out to people and lure them into the water?

Why is the Brandaris Tower with its everlasting light shrouded in mystery? And what secrets are the Anglians keeping from the other islanders? Find out in *Tales of Skylge* - a dystopian take on mermaids and alternate history from the low lands of Holland.

Friend turns to foe, Light fades to darkness, but a new Fire is burning in the night.

Aska, Tjalling, Sytse, Enna, and Royce have fallen into the hands of Mayor Edison.

The corrupt leader of Brandaris knows what they have done, but what he doesn't know is what

motivated them. In a desperate attempt to regain power over the island, he uses the five rebels as bargaining chips to force the Skelta to reveal who is part of the Skylger resistance.

Anglian girl Melinda and Skylger girl Dani team up to

free their friends from prison, but their task won't be an easy one. Meanwhile, some of the Sirens from the deep visit the indigenous Skylgers to help them to reclaim what was once theirs. And when Tesla and his assistant set sail for the island of Skylge to come to the people's aid as well, all bets are off. Edison will not give up his family's position of power without a fight, and his struggle will involve Anglians, Skylgers, and Sirens alike. The War of Currents is about to be fought, and nothing will ever be the same again.

'The world is never-ending. I never realized just how much space there is – how far and wide the water around our island stretches out.

Somewhere in the back of my mind, I may have believed that a second Wall ran around Tresco, containing the infinite waters so we wouldn't all

wash over the edge and plummet down into the depths.’ Leia and Walt are on their way to the Other Side, where the legendary land of Cornwall awaits them. Tony, their new friend, has told them that all wars of the past have been forgotten and the citizens of Bodmin and Dartmoor live in peace. People adhere to the tenets of an old religion that preaches forgiveness and non-violence. However, Walt and Leia soon discover that even a peace-loving, ideal society like this one may have its flaws. While on a forbidden trip to Exeter, the old city of their ancestors, the two Islanders discover more about the new world than they ever bargained for. Secrets run dark and passions run deep in this thrilling conclusion to the Island novella series.

In this thrilling sequel,

Gemma continues to pursue her destiny to bind the

magic of the Realms and restore it to the Order. Gemma and her friends from Spence use magical power to transport themselves on visits from their corseted world of Victorian London (at the height of the Christmas season), to the visionary country of the Realms, with its strange beauty and menace. There they search for the lost Temple, the key to Gemma's mission, and comfort Pippa, their friend who has been left behind in the Realms. After these visits they bring back magical power for a short time to use in their own world. Meanwhile, Gemma is torn between her attraction to the exotic Kartik, the messenger from the opposing forces of the Rakshana, and the handsome but clueless Simon, a young man of good family who is

courting her. This is the second book in Libba Bray's engrossing trilogy, set in a time of strict morality and barely repressed sensuality, about a girl who saw another way.

An ancient land protected by a Tower of Light, its people ever tempted by Siren song, and a girl who falls for the wrong boy. On the island of Skylge, electricity is only for the Currents – the rich ruling class who once came from across the sea and brought the holy fire of St. Brandan to Skylge. Ever since, the light in the Brandaris Tower

has protected the islanders. Heeding the Siren's call will drown your body and steal your soul, but the sacred light in the Tower will chase the merfolk away. When Skylger girl Enna welcomes her brother back from a long sea voyage, he gives her a special present from the mainland – an electronic record only playable on a Current device. The problem is that Royce Bolton, Current heartthrob and the town's most gifted pianist, wants it too. After she stubbornly refuses to sell the LP featuring his favorite artist, he suggests sharing the record by secretly meeting up in his private summer house. Taken aback yet thrilled, Enna agrees – and discovers that there's more than meets the eye when it comes to Current society and the history of

Skylge. Why do the Sirens tempt the islanders to give themselves up to the sea? And where does the Currents' monopoly on electricity really come from? While struggling with these questions, Enna begins to fall for Royce, risking everything to be with a guy who is clearly wrong for her. She will learn that the sound of Sirens isn't the most treacherous thing out there to haunt her dreams. keywords: free ebook, free series starter, fantasy, romance, dystopian, young adult, mermaids
