"A strong . . . new trilogy, invoking just a little Harry Potter and Series of Unfortunate Events along the way."—Realms of Fantasy Siblings Kate, Michael, and Emma have been in one orphanage after another for the last ten years, passed along like lost baggage. Yet these unwanted children are more remarkable than they could possibly imagine. Ripped from their parents as babies, they are being protected from a horrible evil of devastating power, an evil they know nothing about. Until now. Before long, Kate, Michael, and Emma are on a journey through time to dangerous and secret corners of the world . . . a journey of allies and enemies, of magic and mayhem. And—if an ancient prophesy is true—what they do can change history, and it's up to them to set things right. "A new Narnia for the tween set."—The New York Times "[A] fast-paced, fully imagined fantasy."—Publishers Weekly "Echoes of other popular fantasy series, from "Harry Potter" to the "Narnia" books, are easily found, but debut author Stephens has created a new and appealing read . . ."—School Library Journal, Starred Review

Everything about my life has been pretty normal working as a forensic autopsy technician. Until the day I woke up with a mysterious symbol tattooed on my arm. Suddenly normal no longer existed. The barrier between Earth and a world called Under, dissolved... Now I'm trapped with dozens of other people. Held prisoner by the creators of myths and legends, where the realm is ruled by two masked kings who want to turn us into creatures like them. But even though I didn't choose to be here, this new world manages to pull me deeper, affecting me differently than other humans. Unfortunately King Edu, also known as the King of Flames, notices this and I'm now considered a threat. If I want to survive King Edu and the dangers of Under, I need to escape. The only problem is, there's another masked king who seems to have an interest in me. Aon, the King of Shadows, wants me here in this world, and he wants me alive. I just need to figure out why.

Poseidon and the Sea of Fury HarperCollins UK

After a virus claimed nearly the entire global population, the world changed. The United States splintered into fifty walled cities where the surviving citizens clustered to start over. The Company, which ended the plague by bringing a life-saving vaccine back from the future, controls everything. They ration the scant food and supplies through a lottery system, mandate daily doses of virus suppressant, and even monitor future timelines to stop crimes before they can be committed. Brilliant but autistic, sixteen-year-old Clover Donovan has always dreamed of studying at the Waverly-Stead Academy. Her brother and caretaker, West, has done everything in his power to make her dream a reality. But Clover's refusal to part with her beloved service dog denies her entry into the school. Instead, she is drafted into the Time Mariners, a team of Company operatives who travel through time to gather news about the future. When one of Clover's missions reveals that West's life is in danger, the Donovans are shattered. To change West's fate, they'll have to take on the mysterious Company. But as its secrets are revealed, they realize that the Company's rule may not be as benevolent as it seems. In saving her brother, Clover will face a more powerful force than she ever imagined... and will team up with a band of fellow misfits and outsiders to incite a revolution that will change their destinies forever.

The Summer I Became a Nerd Penguin

In this thrilling sequel, Gemma continues to pursue her destiny to bind the magic of the Realms and restore it to the Order. Gemma and her friends from Spence use magical power to transport themselves on visits from their corseted world of Victorian London (at the height of the Christmas season), to the visionary country of the Realms, with its strange beauty and menace. There they search for the lost Temple, the key to Gemma's mission, and comfort Pippa, their friend who has been left behind in the Realms. After these visits they bring back magical power for a short time to use in their own world. Meanwhile, Gemma is torn between her attraction to the exotic Kartik, the messenger from the opposing forces of the Rakshana, and the handsome but clueless Simon, a young man of good family who is courting her. This is the second book in Libba Bray's engrossing trilogy, set in a time of strict morality and barely repressed sensuality, about a girl who saw another way.

It's the last day of school, and everyone is excited for the big summer leading up to our senior

year. I was too...until my heart was ripped out of my chest. As if getting dumped wasn't bad enough, I'm forced to endure the humiliation of witnessing my ex-boyfriend flaunt his new girl-who also happens to be my now ex-best friend-all over town. Double whammy. Now I'm the pathetic ex-girlfriend left gutted, heartbroken, and nose deep in a bucket of ice cream. I'm doomed to spend the summer sulking over a guy who thought I was predictable and bad in bed. So, when I get an offer guaranteeing me some well-deserved payback, of course I'm going to take it. Besides, the plan is simple. Pretend like I'm dating Ryder, the town's popular bad boy, and make my ex wallow in a pit of jealousy and regret. It's perfect. I mean...what could possibly go wrong?

I'm not alone. There are other Mystic wolves out there, and now I have to find them. And win the Alpha Trials, get my revenge on the supreme alpha and of course, break my mate's curse. Phew... And I thought things would be easier now that we'd finally completed the mate bond. I was very wrong. When Hunter takes matters into his own hands, a desperate decision escalates the situation from bad to worse. With our new relationship on the line, my jilted wolfy fiancé makes his move, trying to worm his way into my fragile heart. As if dealing with two males wasn't bad enough, the final round of the Alpha Trials takes a dark turn, and an unexpected loss nearly breaks me once again. With my love life in turmoil, the survival of my pack on the line and everything up in the air, the question isn't whether I'll win the trials and get my happily ever after with my mate, but will I live to see the last day of the competition? *** This is an upper YA/NA crossover with schmexy alpha wolves and is best suited for ages 16+. Be warned this is a slow burn enemies-to-lovers romance, and the steaminess factor does increase through the course of the series! *** Wolfish is set within the world of Azar, along with (in reading order) Hitched, Darkblood Academy, Royally Hitched and Darkblood Prison but it's not necessary to read the other series first to enjoy this one.
