She doesn't know the language, she can barely hold a pair of chopsticks and she can't seem to get the hang of taking her shoes off whenever she enters a building. When Katie meets aloof but gorgeous Tomohiro, the star of the school's kendo

Ink drips from nowhere. And unless Katie is seeing things, drawings come to life. Somehow Tomo is connected to the kami, powerful ancient beings who once ruled Japan—and as feelings develop between Katie and Tomo, things begin to spiral out of control. The

looking for>Welcome to Cabin 1, Cabin 2, Cabin 3...Cocky, reckless, and die-hard playboy were just a few of the names Gage Steele had been called since he and his brothers left the Marines and moved back to the small, southern town of Berry Springs to take over their father's

personal security firm. On the one-year anniversary of his father's death, Gage had only two things in mind-endless whiskey and endless women, but what he got was a battered, bruised spitfire stumbling through woods in the middle of the night.Ne wly-appointed prosecutor and

unapologetic workaholic, Niki Avery had spent her life working toward one goal-never to have to depend on anyone but herself... until the day she was brutally attacked on the side of the road. Stripped of her Louis Vuitton and her dignity, the fiercely independent ADA must submit to being under the watchful

eye of a former Marine, a loose cannon with a temper as scorching as his ruggedly handsome good looks. As cracks begin to show in the Steele family, including newly discovered evidence that their father's death was no accident, Gage wrestles with his growing feelings for his client, knowing not only that Niki is off-limits, but together, they were like gasoline and fire-an explosion he wanted nothing more than to ignite in the bedroom. But when a pair of bloody body parts show up at the compound, it becomes clear that Niki's attacker hasn't given up and Gage realizes he'll do anything to keep her safe... even as his own family is spiraling out of control. Cabi n 1 is the first book in the 3-part Berry Springs spinoff series, STEELE SHADOWS SECURITY-Think of it as Berry Springs' darker, grittier, steamier, BAD BOY brother.

These ten interlinked stories redraw the map of our world in surprising ways: following an act of violence, a baby girl is renamed after a Hindu goddess but raised as a Muslim; a lonely butcher from Angola finds solace in a family of refugees in New Jersey; a gentle entomologist, started as an assignment. Everyone in Caitlin's class wrote to an unknown student somewhere in a distant place. Martin was lucky to even receive a pen-pal letter. There were only ten letters, and fifty kids in his class. But he was the top student, so he got the first one. That letter was the beginning of a correspondenc e that spanned six
