In New York Times bestselling author Karen Marie Moning's stunning novel, the walls between human and Fae worlds have come crashing down. And as Mac fights for survival on Dublin's battle-scarred streets, she will embark on the darkest adventure of her life. MacKayla Lane lies naked on the cold stone floor of a church, at the mercy of the Fae master she once swore to kill. Far from home, unable to control her sexual hungers, MacKayla is now fully under the Lord Master's spell. He has

stolen her past, but MacKayla will never allow her sister's murderer to take her future. Yet even the uniquely gifted sidhe-seer is no match for the Lord Master, who has unleashed an insatiable sexual craving that consumes Mac's every thought—and thrusts her into the seductive realm of two very dangerous men, both of whom she desires but dares not trust. As the enigmatic Jericho Barrons and the sensual Fae prince V'lane vie for her body and soul, as cryptic entries from her sister's diary mysteriously

Lauren Layne kicks off her Sex, Love & Stiletto series with a delightful short novel! In *After the Kiss*, the star columnist of Stiletto magazine will do anything

for a story. Anything . . . except fall in love. Julie Greene loves flings. Loves steamy first dates, sizzling first kisses, and every now and then, that first sexy romp between the sheets. Comfy pants, sleepy Sundays, movie nights on the couch? Shudder. But when Julie gets assigned the hardest story of her career—a first-person account of that magical shift between dating and “I do”—she’ll need a man brave enough to give a total commitment-phobe a chance at more. Normally, Mitchell

Forbes would be exactly that man. A devastatingly hot workaholic who tends to stay in relationships for far too long, he should be the perfect subject for Julie’s “research.” But what Julie doesn’t know is that Mitchell is looking to cut loose for once in his life. And the leggy journalist notorious for avoiding love is exactly the type of no-strings fling he’s looking for. In other words, Mitchell is the polar opposite of what Julie needs right now. And, at the same time, he’s exactly what she wants.

With murder, court battles, and sensational newspaper headlines, the story of Lizzie Borden is compulsively readable and perfect for the Common Core. Lizzie Borden took an axe, gave her mother forty whacks. When she saw what she had done, she gave her father forty-one. In a compelling, linear narrative, Miller takes readers along as she investigates a brutal crime: the August 4, 1892, murders of wealthy and prominent Andrew and Abby Borden. The accused? Mild-mannered and highly respected Lizzie Borden, daughter of Andrew and

stepdaughter of Abby. Most of what is known about Lizzie’s arrest and subsequent trial (and acquittal) comes from sensationalized newspaper reports; as Miller sorts fact from fiction, and as a legal battle gets underway, a gripping portrait of a woman and a town emerges. With inserts featuring period photos and newspaper clippings—and, yes, images from the murder scene—readers will devour this nonfiction book that reads like fiction.
