Two, Shadowrun adds fantasy elements to the

mix giving it a feel quite different from

other cyberpunk games. The Second Edition

got rid of a lot of the kinks that were in

the first so now it runs more smoothly.

However, the Second Edition is minus the

Using the supplement with another edition is usually possible, but may require some work, especially if you try to use a second- or third-edition supplement with Shadowrun, Fourth Edition. Second-edition supplements are fairly easily usable in a third-edition game, though you may need to update some rules and especially references to other books.
