language film productions of *A Midsummer Night's Dream*, *Romeo and Juliet*, *Othello*, *Twelfth Night*, and *The Merchant of Venice* take centre stage in *Queering the Shakespeare Film*. This study critiques the various representations of the queer – broadly understood as that which is at odds with what has been deemed to be the normal, the legitimate, and the dominant, particularly – but not exclusively – as regards sexual matters, in the Shakespeare film. The movies chosen for analysis correspond deliberately with those Shakespeare plays that, as written texts, have been subjected to a great deal of productive study in a queer context since the

beginnings of queer theory in the early 1990s. Thus the book extends the ongoing queer discussion of these written texts to their counterpart cinematic texts. *Queering the Shakespeare Film* is a much-needed alternative and complementary critical history of the Shakespeare film genre. **Shakespeare's Romeo and Juliet** Routledge Balthasar - Baz - a Montague mob foot soldier and Romeo's right hand man - narrates the tragic tale of *Romeo and Juliet*. Is there a specificity to adapting a Roman play to the screen? This volume interrogates the ways directors and actors have filmed and performed the Shakespearean works known as the "Roman plays", which are, in chronological order of writing, Titus Andronicus, Julius Caesar, Antony and Cleopatra and Coriolanus. In the variety of plays and story lines, common questions nevertheless arise. Is there such a thing as filmic "Romanness"? By exploring the different ways in which the Roman plays are re-interpreted in the light

An award-winning author and poet traces the history of his relatives lost in the Holocaust in a personal, powerful narrative with resonance for readers today. “ They were there at the beginning of the war, but they were gone by the end. I suppose they died in the camps. ” That ' s all young Michael Rosen, born in England just after the end of the Second World War, was told about the six great-aunts and great-uncles who had been living in Poland or France at the beginning of that war. This wasn ' t enough for him. So, as an adult, he started to search. He asked relatives for any papers they might have. He read book after book. He searched online, time and again, as more information was digitized and suddenly there to be found. In a unique mix of memoir, history, and

poetry, scholar and children ' s literature luminary Michael Rosen explores his family history, digging up more details than he ever thought he would and sharing them with readers so that now, a lifetime after the Nazis tried to make the world forget the Rosen family and the rest of Europe ' s Jews, his readers can do something essential: remember. With an extensive list of titles for further reading, maps of France and Poland, a family tree, and an introduction by lauded author and anthologist Marc Aronson, this immensely readable narrative offers a vital tool for talking to children about the Holocaust against the background of the ongoing refugee crisis.

O objetivo deste trabalho é analisar o uso de canções e efeitos sonoros em quatro produções teatrais de Romeu e Julieta, de William Shakespeare, enfocando os cruzamentos interculturais entre o texto e os vários

contextos de performance. Este estudo propõe e analisa o desenho sonoro como prática teatral, tomando como referência central teorias dos estudos musicais (Luiz Tatit e Marcos Napolitano), dos estudos de desenho sonoro (Deena Kaye, James Lebrecht e Livio Tragtenberg), da análise da performance (W.B. Worthen, Patrice Pavis, Susan Bennett, e outros), e de análises textuais, e levando em conta os estímulos que envolvem uma produção teatral: concepção, produção, e recepção. O corpus da pesquisa é constituído pelas seguintes produções teatrais: Romeo and Juliet, da Royal Shakespeare Company, dirigida por Michael Bogdanov (1986); Romeo and Juliet, da Royal Shakespeare Company, dirigida por Michael Boyd (2000); Romeu e Julieta, do Grupo Macunaíma,

dirigida por Antunes Filho (1984); e Romeu e Julieta, do Grupo Galpã o, dirigida por Gabriel Villela (1992). O estudo demonstra que a análise da performance pode ser aprimorada ao focar a complexidade discursiva dos eventos sonoros, através da investigação dos momentos em que som e canção ocupam papéis importantes na cena teatral.

"This book offers a series of eight case studies of the connection between feminist performance theory and practice, considering how women directors of Shakespeare in America have recently interpreted and staged female subjectivity and gender, particularly as exhibited in sex relations." "The work focuses on eight women

and choices they made in specific productions: Jayme Koszyn's and Lisa Wolpe's *Romeo and Juliet*; Tina Packer's and Ellen O'Brien's *Measure for Measure*; Abigail Adam's and Melia Bensussen's *Twelfth Night*; Barbara Gaines's and JoAnne Akalaitis's *Cymbeline*." "Nancy Taylor interviewed all of the directors and the first section of the book includes a brief biography of each, institutional opportunities and limitations, and the director's views about Shakespeare's depiction of women in general as well as future goals for her work."--BOOK JACKET.
