While still in his 20s, the author discovered the
Chocolate Hills in Intramuros, the antique and
hispanic walled-in city in Manila, Philippines,
where heady events have been taking place for
many years. He would find solace and tacit
support from many others who also went there.
The Walls, as this place is collectively
designated, has mutely witnessed the course
of historical events since their erection that
started over 4 centuries ago, which include the
destruction of large sections of the walled-in
city by American and Japanese forces at the
close of World War II, and those numerous
deaths of unnamed civilians. And the author
would be drawn to and witnessed being with
many men similar to him who would take action
on customarily unacceptable desires in their
hearts, the passionate ideas on intimacy in
their minds, and what their bodies are capable
of doing in the very open area in and around
the Walls.

Jeremys Cottage is a collection of short
stories, all fictional, in which ordinary people
become ensnared in dilemmas, sometimes not
of their own making. Each person asks for help
and receives a message through a chance
meeting, a dream, a fleeting thought, or even
what at first appears to be a tragedy. A
beloved pet might hold the solution at times.
Each answer sets that person on a path out of
the dilemma.

Try Me, Tempt Me, Take Me Taylor & Francis
Never trust luck. That was Danika's motto. Her
father is a full-fledged leprechaun. No, not the
short, bearded men hiding a pot of gold. He's
Fae and has a nasty habit of stealing luck.
After witnessing several tragedies caused by
her self-centered father, she left home, driving
as far as she could. Fate put her in Adam's
path. He was human, and being only half-Fae
she was effectively mortal and had always
planned to stay that way. Eighteen years later
and she's still in love. Learning the leukemia
she had as a child is back throws her happy
life in turmoil. Adam made a vow. One he
made when he was young, dumb, and had
recently witnessed werewolves behaving

badly. They would live and love as mortals. Now, he would do anything to keep Danika at his side. He just has to convince her to change her mind for their little family. But her supposedly dead father is back and blames Danika for all the tragedy that always follows him. He would love to drain every ounce of luck from his ungrateful daughter. #werewolves #shifter #paranormalromance #urbanfantasy #mages #magic #Fae #leprechaun

This sexy, action-packed thriller, set on the streets and in the courthouses of Los Angeles, is an explosive literary mix of contemporary urban authenticity and classic old-school crime fiction by the author of *Damaged Goods* and the cult classic *The School on 103rd Street*. How did a street hustler, in and out of jail since he was ten, beat a murder rap -- no matter

whether he did the crime or not? Meet Myra Cross, a thirty-one-year-old redheaded beauty with a take-no-prisoners reputation as a public defender. She confounds her colleagues and clients alike as she not only wins acquittal after acquittal for her clients but poses for Playboy spreads in her spare time. She has the face of an angel, the body of a goddess, and a mind like a steel trap -- but with secrets and demons, she neither pretends to be a Girl Scout nor to have all the answers. But this time, when she's once again assigned the defense of Napoleon T. Booker, aka Little Dog Nine, who's charged with another homicide, she gets much more than she bargained for. "Street smarts stopped Myra Cross dead in her tracks. Napoleon Booker had reached inside her brain and ripped out her essence, dangled it in front of her like an item for sale at an eBay auction. Was she that transparent -- 'a coke-snorting, nymphomaniac basehead little freak?'" Roland S. Jefferson's fiction earns him comparisons to fellow master storytellers, including Elmore Leonard and Walter Mosley. This hot new novel will have his loyal following and a legion of new fans alike on fire, sitting on the edge of their seats in this pulse-pounding thriller they won't be able to put down until the last page!

Better Than Luck Brandy L Rivers

Where did we come from? Where are we going? What are we supposed to do in between? Deep into an existential crisis, triggered by his retirement from forty years of teaching, Christopher William Laughton flees to Orcas Island to search for the meaning of life. Instead he finds answers to questions he did not even know to ask. In *The Island Chronicles: Book One—Conscious*, Christopher learns his journey will not be as expected when he sees Nadezhda Retovna, the older woman who nursed him through his youthful identity crises, even though she died years ago. The mystery deepens when Christopher is seduced by the music that comes at night, which only he can hear. Eventually, the sound draws him to

Eleutheria, the woman who lives in the house with the thatched roof, overlooking Bourani Cove and the ancient lime kiln that still breaths life. There he has a glimpse of both her ancient past and his own near future. Christopher is joined in his search for truth by a Belgian Malinois, with whom he may be having conversations. As well as by Lexi, a modern-day Lolita in steampunk who does her best to seduce him, for sport. Eventually, Christopher must make a choice. If choices are even possible. Either believe what Eleutheria has told him about time, eternity, and power. Or escape the island.

Research shows that intimate partner sexual violence (IPSV) is the most common form of sexual assault. Professional focus is often on the victim, but more information is needed

about the perpetrators in order to have a fuller understanding of this crime. The very nature of IPSV – sexual assault within a relationship – means that professionals who work with victims must understand the dynamics of perpetrators as well. This new book will distill the knowledge that exists about perpetrators of IPSV. It includes chapters by authors who have worked directly with IPSV perpetrators and covers important subjects such as addressing IPSV in batterer groups, police management strategies, the danger of IPSV to children, the different types of violence perpetrators use, and prevention approaches for young people.

There is also still a widely held view that rapists are strangers in alleyways. This book is intended to educate professionals about who is a perpetrator, as well as to highlight the very real danger these perpetrators represent, including a heightened risk of lethality. The contributors look at the social context of IPSV and the implications for prevention and provide hands-on knowledge to practitioners in a number of fields. The book may also be used within the academic context in fields such as social work, sociology, counseling, psychology, medicine, nursing, criminal justice, and law.

Aces High – Charleston Book 1 I was eight years old when I found out I had a father. It was the same day I held my dead mother in my arms while praying her life wasn't really over. I was dropped into the middle of a new family not long after that. My dad, his wife, and their two kids to be exact. My new brother was ten years old and my sister was five. It doesn't take a genius to figure out I wasn't supposed to be there. My family ended up bigger than that though. My dad was a member of the Aces High Motorcycle Club. From the very beginning I was ostracized because of who my mother had been.

The daughters of club members were generally known as MC Princesses. My little sister was one. My title was a bit different, and proved that my mom's sins would always be held against me. I was The Other Princess. My family, both by blood and MC ties, did wrong by me so I walked away from them. That was until he came home from the Army. He tried to fix everything. He tried to win an unattainable heart that had shut down years earlier. I would know since it was my heart he was after. He didn't realize it would take a miracle. Secretly, I hoped I could still believe in miracles. *Note: The Aces High Charleston Series should be read in order.

Book Summary In this book, *The Definition of Tamara: The Resilient Palm Tree*, author Tamara Smith shares optimism and hopefulness that will inspire readers to confidently face each daily challenge that life brings into being. While this may be viewed as an eccentric outlook on encountering life's obstacles it's much needed in the somewhat pessimistic world we live in today. Utilizing personal stories and factual information, Tamara discusses sensitive issues of sexual abuse, domestic violence, and physical illnesses and demonstrates how the use of religion and support systems during periods of stress in one's life is the pathway to resiliency.

The Definition of Tamara Rachelle Ayala Perched high in a tree like a vulture, Devon looks down on Glory, Texas, sparkling in the darkness. People below will soon feel the full force of this vampire's rage. Evil converges in Glory as three couples struggle with lives full of abuse and infidelity. Alex can't come to grips with his girlfriend, Laura, leaving him. Jenny, a victim of domestic violence, must escape her husband, Ray. Syl and Dave's downfall

is becoming embroiled in their friends' dramatic lives. Into this mix comes Rena, a beautiful and benevolent woman. Decades before, with a savage bite, Devon had turned her into his tormented companion. Distraught by how she must survive, Rena had fled his influence. And now Devon wants Rena to pay for betraying him and refusing to share eternal life with him. When Alex meets Rena in the local roadhouse, a spiral of depravity begins to uncoil. Alex and Rena join forces in an attempt to kill Devon and save the lives of their friends. But Devon is bent on destroying whomever he can to get what he wants, and unfortunately for Alex, everyone he cares about is standing in the way.
