## **Shared Governance Models: The Theory, Practice, and Evidence**

Shared Governance is the process by which the University community (i.e., faculty, staff, administrators, alumni, and students) has the opportunity to influence decisions on matters of policy and procedure, and/or an opportunity to present alternatives on such matters. The objective of shared governance is to

## **Principles and Practice of Shared Governance**

The diversity of theoretical perspectives has resulted in a variety of contemporary definitions of shared governance. Hess describes governance as including the "structure and process by which organizational participants direct, control, and regulate the many goal oriented efforts of other members" (p. 35). O'Malley (as cited in Prince, 1997), portrays shared governance as an "accountability ...

[Shared Governance: A Success Story - Nurse Leader](#)

shared governance an organizational model used on nursing divisions, consisting of a decentralized system of management in which all of the nurses make decisions. Managers advise, consult, coach, mentor, and may or may not have veto power. This mandates collaboration among the nurses on the unit and a high degree of autonomy. Miller-Keane Encyclopedia ...
