A new financial
guide on how to

mistakes at every

stage of life, from bestselling author and TV superstar Kevin O'Leary—“a completely unique personality. He is able to say things that are sharp and funny but ultimately meaningful” (Los Angeles Times). Don't spend too much. Mostly save. Always invest. This is simple advice, but it's often the simple advice that's easy to swallow and hard to follow. Kevin O'Leary understands that getting a handle on your personal finances can be challenging at any

age. Whether you're a parent struggling to explain savings to your children, a student contemplating a big loan to pay for school, a newly engaged couple considering joint bank accounts, or a baby boomer entering retirement, Kevin offers solid, practical advice to help you make—and keep—more money. As a star on ABC's Shark Tank, Kevin's success with money management and in business is legendary. But

he's made mistakes along the way, too, and he's written this book so others can benefit from his experiences. Each chapter is geared to a specific age or stage in life and focuses on simple changes you can make to avoid debt, save money, and invest for a brighter future. You'll find real-life examples of common money mistakes and strategies for avoiding them, “Cold Hard Truth” quizzes and charts aimed at boosting your financial wisdom, and tips and tricks

for making more money and growing it faster to achieve financial freedom. **The Cold Hard Truth on Men, Women, and Money** offers an invaluable opportunity to walk through some of life's biggest decisions with one of the sharpest financial minds today.

Invent It, Sell It, Bank It! RH Childrens Books

From bestselling author and Shark Tank star Robert Herjavec comes a business book in which he transcends the business world, helping us all learn the art of persuasion in order to get ahead in our personal and

professional lives. A Wall Street Journal Bestseller! Many people assume that effective sales ability demands a unique personality and an aggressive attitude. It's not true, and Robert Herjavec is proof. Known as the "Nice Shark" on the ABC's Emmy Award-winning hit show **SHARK TANK**, Robert Herjavec is loved by viewers, who respond to his affable nature. He has developed an honest and genuine approach to life and selling that has set him apart from his cut-throat colleagues, and rewarded him with a degree of wealth measured in hundreds of millions of dollars. In **You Don't Have to Be a Shark**, Robert transcends pure sales technique and teaches

"non-business people" what they need to know in order to sell themselves successfully. We are each our own greatest asset, and in order to achieve our goals, we need to be able to communicate with others, position ourselves and even look the part. Robert's philosophy is simple: Great salespeople are made, not born, and no one achieves success in life without knowing how to sell. Entertaining, enlightening and effective, **You Don't Have to Be a Shark** will reveal the secrets of one of North America's most successful businessmen, who also happens to be one of today's most prominent TV personalities, delivered in a

friendly, down-to-earth manner, and filled with anecdotes and observations to support its hard-nosed advice.
