Business schools are arguably some of the most influential institutions in contemporary society. The research and education they provide set the standard for how future leaders manage local and global organizations - a responsibility requiring continual discussion, development and challenge. This exciting book explores the role of business schools through 3 key dimensions: - How business school legitimacy has been challenged by the recent economic crisis and corporate scandals; - How schools contribute to shaping and transforming business conduct; and - How institutions, past and present, develop their identities to face the challenges presented by the ongoing globalization process. Combining global perspectives from business school Deans, scholars and stakeholders, this book presents a unique discussion of the current and future challenges facing business schools and their contributions to society.

Central to The Guerilla Film Makers Movie Blueprint are flow charts: crystal-clear diagrams detailing every single thing, no matter how small, that needs to be done to make your film. This visual approach to the filmmaking process ensures that new (and established!) filmmakers get an instant overview of each and every discipline. Backing up the diagrams are copious notes - humorous in tone, yet broad and deep in content. Wherever possible, the text is broken apart into box outs, hot tips and sub-diagrams. This book is entertaining, irreverent, and never less than painfully practical. The Guerilla Film Makers Movie Blueprint will have its own dedicated website where readers can download the tools, forms, software, and artwork detailed in the book. Jones's latest endeavor is packed with over a decade's worth of experience, know-how, and insider tips. A must-read for every budding filmmaker.
