"Anchor. Author. Mom." What you don't normally see on television from journalist Molly Grantham is how behind the polished image, she's juggling to keep the balls of life up in the air. The *Juggle is Real* shines a raw and funny light on the messy realities so many of us face: the constant rotation of whatever's barreling toward us next. Grantham's first book, *Small Victories*, ended beside her mother's hospice bed. That's where this one begins-seeing the circle of life through her children's eyes. From there, it's a chronicle of ups and downs, including endless arguments over what to wear, emergency surgeries, beloved pets, and the hysterical one-kid parade of her son's battery-operated mini ice-cream truck through busy city streets. All interwoven with Grantham's public and often nutty job. Her honesty will have you crying and laughing out loud at this continuing story of loving kids and a career. "Molly Grantham is real. And her authenticity as a mom and a fallible human being shines through every one of her pages in this compelling collection of parenting essays." - The Huffington Post "Am I brave enough to admit my mothering-fail moments to the world, especially a world in which people are viciously judgmental about other people's parenting? And even more, would I be willing to do that if I worked in an industry where a polished, perfect appearance is part of the job description? I'm not sure. But thank God, Molly is." Kimmery Martin, Author, *The Queen of Hearts* and *The Antidote*

to Everything "With humor, heart, and a willingness to bare her soul-even when it might seem a little uncomfortable to do so-Molly proves once again that she is gifted at telling tales at motherhood as she is at delivering the news every night." Theoden James, Charlotte Observer "The Juggle is Real deftly captures moments of parenthood and life that are so poignant and beautiful that it stops your heart for a beat." When a Tigon Weds Wild Hearts Romance

I've done everything right, my whole life. I never snuck out, never partied, never drank, never even had a high school boyfriend. Got all the best grades, got into all the best schools. I received not one, but TWO Ivy League University degrees. Had the paper-perfect fianc , the paper-perfect life. And then it all fell apart. My fianc cheated on me with my boss. I quit my job, left my fancy, upper-crust Boston condo, dumped my cheating fianc ...quit my entire life, basically. Took to day-drinking and bingeing Netflix. And then my younger sister Lexie calls me in a panic. She needs me to come rescue her, but won't say from what, just that I need to come get her...at her university...in New York. Which leads Lexie and I on road trip across the country. We form the no-bra man-hating day-drinkers roadtrip club...membership two. And then I...ummm...overindulge just a little bit, at a country music festival. Get harassed by assholes. Have to be saved by tall, dark, and handsome man named Crow. Crow turns my whole world upside down. He shows me what real pleasure is. Shows me what I've been missing my whole life...what a man can and should do to make a woman feel really, really good. He's bad. Dangerous. Wild. He has a bad mouth, hard fists, and a dark, mysterious past. And a talented tongue. And hands I find myself wanting all over me, in a desperate way I thought was only real in

the romances I read. And now, suddenly, I find myself wanting a wild mustang of a man, an untamable force of nature...and wondering if there's room in my safe, orderly, good girl world for him. Or if maybe I can learn how to be...not so good.* *
*She's everything good and sweet and innocent in the world, and I'm a hard-fisted brawler, an outlaw with a bloodstained past. I'm the exact, polar opposite to everything Charlie Goode is. I want her-I want her quick mind and her soft skin, her sexy curves and her sharp tongue. I want her body, and I want her soul. But I can't have her. When she finds out about the bloody, violent truth of my past, she won't want anything to do with me. She'll run away as fast and as far as she can, because I'm not meant for a sweet, innocent thing like her. Until then, though, I plan on getting her a little dirty. Showing her some of the wild side where I live my life. Take what I can get, and enjoy the ride, and worry about the state of my heart later. You know what they say about the best laid plans, though.
