The British National Bibliography Penguin Richard Sharpe triumphs in the last battle of the war, only to find himself in worse peril when charged to recover Napoleon's treasure. It is 1814. There are rumours that Napoleon is dead, or has run away, but Sharpe has one last, battle to fight before he can lay down his sword - it is the battle for Toulouse. Little does he know it will be one of the bloodiest conflicts of the war. But Sharpe's war is not only the battle. Accused of stealing Napoleon's treasure, Sharpe must discover

the unknown enemy who has tried to frame him - and his revenge is ingenious and devastating. Soldier, hero, rogue - Sharpe is the man you always want on your side. Born in poverty, he joined the army to escape jail and climbed the ranks by sheer brutal courage. He knows no other family than the regiment of the 95th Rifles whose green jacket he proudly wears.

account of Nate's initial Civil War experience—its battles, romances and divided loyalties. When Richmond landowner Washington Faulconer snatches young Nate Starbuck from the grip of a Yankee-hating mob, Nate is both grateful and awed by his idealistic rescuer. Turning his back forever on the life he left in Boston, Nate agrees to join the newly formed Faulconer's Legion, even though it means fighting against his native North. But Nate's dilemma is only one of many within the Legion. Faulconer's own son cannot bring himself to fight, while his daughter's cheating fiancée plots for control of the Faulconer family fortune. As they come together to march into battle, the men are prepared to start a war...but they aren't ready for how they—and the nation—will be forever changed by the oaths they have sworn for their beloved South.

*Sharpe's Rifles* Harper Collins  
The year is 1820. Rider Sandman, a hero of Waterloo, returns to London to wed his fiancée. But instead of settling down to fame and glory, he finds himself penniless in a country where high unemployment and social unrest rage, and where men—innocent or guilty—are hanged for the merest of crimes. When he's offered a job as private investigator to re-

open the case of a painter due to be hanged for a murder he didn't commit, Sandman readily accepts—as much for the money as for a chance to see justice done in a country gone to ruins. Soon, however, he's mired in a grisly murder plot that keeps thickening. Sandman makes his way through gentlemen's clubs and shady taverns, aristocratic mansions, and fashionable painters' studios determined to rescue the innocent young man from the rope. But someone doesn't want the truth revealed.

Bernard Cornwell's action-packed series that captures the gritty texture of Napoleonic warfare--now beautifully repackaged It's 1809, and Napoleon's army is

sweeping across Spain. Lieutenant Richard Sharpe is newly in command of the demoralized, distrustful men of the 95th Rifles. He must lead them to safety--and the only way of escape is a treacherous trek through the enemy-infested mountains of Spain.

Humans to Mars Review

From New York Times bestselling author Bernard Cornwell, the tenth installment in the world-renowned Sharpe series, chronicling the rise of Richard Sharpe, a Private in His Majesty's Army at the siege of Seringapatam.

Sharpe's job as Captain of the Light Company is under threat and he has made a new enemy, a Portuguese criminal known as Ferragus. Discarded by his regiment, Sharpe wages a private war against Ferragus – a war fought through the burning, pillaged streets of Coimbra, Portugal's ancient university city. Sharpe's Escape begins on the great, gaunt ridge of Bussaco where a joint British and Portuguese army meets the overwhelming strength of Marshall Massena's crack troops. It finishes at Torres Vedras where the French hopes of occupying Portugal quickly die.

Harper Collins

Major Sharpe should be fighting the French -- but his worst enemies are in England. . . Major Richard Sharpe's men were in mortal danger -- not from the French, but from the bureaucrats of Whitehall. Unless reinforcements could be brought from England, the depleted South Essex would be disbanded, their troops scattered throughout the army. Determined not to see his regiment die, Sharpe returns to England and uncovers a nest of well-bred, high-ranking traitors, any one of whom could utterly destroy his career with a word, or a stroke of the pen. Sharpe is forced into the most desperate gamble of his life -- and not even the influence of the Prince Regent may be enough to save him. . .

IF YOU DON'T KNOW SIMON SCARROW, YOU DON'T KNOW ROME! UNDER THE EAGLE is the gripping first novel in Simon Scarrow's bestselling EAGLES OF THE EMPIRE series. A must read for fans of Bernard Cornwell and Conn Iggulden. Praise for Simon Scarrow's compelling novels: 'Gripping and moving' The Times AD 42, Germany. Tough, brutal and unforgiving. That's how new recruit Cato is finding life in the Roman Second Legion. He may have contacts in high places, but he could really use a friend amongst his fellow soldiers right now. Cato has been promoted above his comrades at the order of the Emperor and is deeply resented by the other men. But he quickly earns the respect of his Centurion, Macro, a battle-hardened veteran as rough and ready as Cato is quick-witted and well-educated. They are poles apart, but soon realise they have a lot to learn from one another. On a campaign to Britannia - a land of utter barbarity - an enduring friendship begins. But as they undertake a special mission to thwart a conspiracy against the Emperor they rapidly find themselves in a desperate fight to survive...
