[Titan A.E. \[video\]](#). Pocket Books/Star Trek

An Esquire Best Book of 2022! Written with inside access, comprehensive research, and a down-to-earth perspective, *Phasers on Stun!* chronicles the entire history of Star Trek, revealing that its enduring place in pop culture is all thanks to innovative pivots and radical change. For over five decades, the heart of Star Trek's pro-science, anti-racist, and inclusive messaging has been its willingness to take big risks. Across thirteen feature films, and twelve TV series—including five shows currently airing or in production—the brilliance of Star Trek is in its endless ability to be rethought, rebooted, and remade. Author and Star Trek expert Ryan Britt charts an approachable and entertaining course through Star Trek

history; from its groundbreaking origins amid the tumultuous 1960s, to its influence on diversifying the space program, to its contemporary history-making turns with LGBTQ+ representation, this book illuminates not just the behind-the-scenes stories that shaped the franchise but the larger meaning of the Final Frontier. Featuring over 100 exclusive interviews with actors and writers across all the generations, including Walter Koenig, LeVar Burton, Dorothy Fontana, Brent Spiner, Ronald D. Moore, Jeri Ryan, and many more, Britt gets the inside story on all things Trek, like Spock's evolution from red devil to the personification of logical empathy, the near failure to launch of *The Next Generation* in 1987, and how Trekkie outrage has threatened to destroy the franchise more than once. The book also dives deep with creators like Michael Chabon (co-creator of *Star Trek: Picard*) and Nicholas Meyer (director, *The Wrath of Khan*). These interviews extend to the bleeding edge of contemporary Star Trek, from *Discovery* to *Picard* to *Lower Decks*, and even the upcoming highly anticipated 2022 series, *Strange New*

Worlds. For fans who know every detail of each Enterprise bridge, to a reader who has never seen a single minute of any Star Trek, this book aims to entertain, inform, and energize. Through humor, insight, archival research, and unique access, this journey through the Star Trek universe isn't just about its past but a definitive look at its future.

The Importance of Being Ernie (and Bert): A Best Friends' Guide to Life Penguin

In the early months of 1966, a handsome, hardworking thirty-five-year-old Canadian-born actor named William Shatner was cast as Captain Kirk in Star Trek, a troubled, low-budget science-fiction television series set to premiere that fall on NBC. Star Trek struggled for viewers and lasted only three seasons, but it found a huge, rabidly dedicated audience when it premiered in syndication following its cancellation—turning Shatner into a pop-culture icon and launching him on a career path he never could have imagined after graduating from McGill University with an economics degree twenty years earlier. As he approaches his ninetieth year, he's still working at a furious pace as a man of boundless contradictions: by turns one of the most dissected, disliked, revered, respected, mocked, imitated, and beloved stars in the show business firmament. Shatner takes a comprehensive look at this singular performer, using archival sources and information culled from interviews with friends and colleagues to transport readers through William Shatner's remarkably bumpy career: his spectacular failures and triumphs; tragedies, including the shocking death of his third wife, Nerine; and, ultimately, the resilience Shatner has shown, time and again, in the face of overwhelming odds. Author Michael Seth Starr unravels the mystery of William Shatner, stripping away the many myths associated with his personal life and his relationships with fellow actors, presenting a no-holds-barred,

unvarnished look at the unique career of an inimitable performer.

The Magician King DK Publishing (Dorling Kindersley)

In Las Vegas, there's a family-owned business called the Gold & Silver Pawn Shop, run by three generations of the Harrison family: Rick; his son, Big Hoss; and Rick's dad, the Old Man. Now License to Pawn takes readers behind the scenes of the hit History show Pawn Stars and shares the fascinating life story of its star, Rick Harrison, and the equally intriguing story behind the shop, the customers, and the items for sale. Rick hasn't had it easy. He was a math whiz at an early age, but developed a similarly uncanny ability to find ever-deepening trouble that nearly ruined his life. With the birth of his son, he sobered up, reconnected with his dad, and they started their booming business together. License to Pawn also offers an entertaining walk through the pawn shop's history. It's a captivating look into how the Gold & Silver works, with incredible stories about the crazy customers and the one-of-a-kind items that the shop sells. Rick isn't only a businessman; he's also a historian and keen observer of human nature. For instance, did you know that pimps wear lots of jewelry for a reason? It's because if they're arrested, jewelry doesn't get confiscated like cash does, and ready money will be available for bail. Or that WWII bomber jackets and Zippo lighters can sell for a freakishly high price in Japan? Have you ever heard that the makers of Ormolu clocks, which Rick sells for as much as \$15,000 apiece, frequently died before forty thanks to the mercury in the paint? Rick also reveals the items he loves so much he'll never sell. The shop has three Olympic bronze medals, a Patriots Super Bowl ring, a Samurai sword from 1490, and an original Iwo Jima battle plan. Each object has an incredible story behind it, of course. Rick shares them all, and so much more -- there's an irresistible treasure trove of history behind both the Gold & Silver Pawn Shop and the life of Rick Harrison.

Star Trek Memories Anchor
From the #1 New York Times

bestselling author of *This Is Where It Ends* comes another heartbreaking, emotional and timely page-turner that will keep you on the edge of your seat. The Hope Juvenile Treatment Center is ironically named. No one has hope for the delinquent teenagers who have been exiled there; the world barely acknowledges that they exist. Then the guards at Hope start acting strange. And one day...they don't show up. But when the teens band together to make a break from the facility, they encounter soldiers outside the gates. There's a rapidly spreading infectious disease outside, and no one can leave their houses or travel without a permit. Which means that they're stuck at Hope. And this time, no one is watching out for them at all. As supplies quickly dwindle and a deadly plague tears through their ranks, the group has to decide whom among them they can trust and figure out how they can survive in a world that has never wanted them in the first place. Also by Marieke Nijkamp: *This Is Where It Ends* *Even If We Break Before I Let Go* Praise for Marieke Nijkamp: "Immersive and captivating. Thrilling in every sense of the word."—Karen M. McManus, #1 New York Times bestselling author of *One of Us is Lying* on *Even If We Break* "With exceptional handling of everything from mental illness to guilt and a riveting, magic realist narrative, this well wrought, haunting novel will stick with readers long after the final page."—Booklist on *Before I Let Go* *STARRED REVIEW* "A compelling, brutal story of an unfortunately all-too familiar situation: a school shooting. Nijkamp portrays the events thoughtfully, recounting fifty-four intense minutes of bravery, love, and loss."—BookRiot on *This Is Where It Ends*

All I Really Need to Know I Learned from Watching Star Trek Andrews McMeel Publishing After almost sixty years as an actor, William Shatner has become one of the most beloved entertainers in the world. And it seems as if Shatner is everywhere. In *Up Till Now*, Shatner sits down with readers and offers the remarkable, full story of his life and explains how he got to be, well, everywhere. It was the original Star Trek series, and later its films, that made Shatner instantly recognizable, called by name---or at least by Captain Kirk's name---across the globe. But Shatner neither began nor has ended his career with that role. From the very start, he took his skills as an actor and put them to use wherever he could. He straddled the classic world of the theater and the new world of television, whether stepping in for Christopher Plummer in Shakespeare's *Henry V* or staring at "something on the wing" in a classic episode of *The Twilight Zone*. And since then, he's gone on to star in numerous successful shows, such as *T.J. Hooker*, *Rescue 911*, and *Boston Legal*. William Shatner has always been willing to take risks for his art. What other actor would star in history's first---and probably only---all-Esperanto-language film? Who else would share the screen

with thousands of tarantulas, release an album called *Has Been*, or film a racially incendiary film in the Deep South during the height of the civil rights era? And who else would willingly paramotor into a field of waiting fans armed with paintball guns, all waiting for a chance to stun Captain...er, Shatner? In this touching and very funny autobiography, William Shatner's *Up Till Now* reveals the man behind these unforgettable moments, and how he's become the worldwide star and experienced actor he is today. "It is now Bill Shatner's universe---we just live in it."---New York Daily News

Shatner Rules Deluxe BenBella Books, Inc. Three complete, exciting adventures in one great volume: "The Ashes of Eden, The Return", and "Avenger".

The Hippie Handbook Chronicle Books

For three full decades, on television and in film, actor William Shatner has portrayed one of the legendary heroes of science fiction: James Tiberius Kirk, captain of the Starship Enterprise™. Although Kirk was believed to have perished at the conclusion of Star Trek® Generations™, his amazing literary resurrection led to an acclaimed trilogy of national bestsellers, *The Ashes of Eden, The Return, and Avenger*. Now William Shatner again brings his unique blend of talents as an actor, writer, director and producer to the conclusion of the new trilogy begun with *Spectre* and continuing with *Dark Victory*, as two men -- and two universes -- never meant to meet are drawn closer together toward an inevitable and destructive reaction....

PRESERVER The deadly and tyrannical Emperor Tiberius, formerly captain of the I.S.S. Enterprise, had great success turning captured alien weaponry to his advantage, but his failed attempt to seize the tantalizing advances of the ancient First Federation has always rankled him. In the more peaceful universe of the United Federation of Planets, Tiberius sees his second chance. And a new ally will help him take it -- the counterpart for whom he has nothing but contempt, the man whose U.S.S. Enterprise™ made first contact

with the First Federation: Starfleet Captain James T. Kirk. Honorable, Idealistic, and decent, James T. Kirk is many things Tiberius is not. But he is also a man deeply in love with his wife -- and Teilani is dying. To save her life, Kirk will compromise his ideals and enter into his most dangerous alliance yet. Battling Captain Jean-Luc Picard and a new generation of Starfleet heroes, Kirk will guide Tiberius to a long-abandoned First Federation base. There, he expects to find a source of power so great it will enable Tiberius to conquer the mirror universe -- and his own. But on their journey Kirk will uncover long-hidden secrets about the past that raise the stakes far beyond the mere survival of Kirk's family and friends to nothing less than the continued existence of both universes. At the heart of their quest, something else is waiting: an object from a civilization whose technology is far more advanced than any Kirk or Tiberius could expect to acquire, placed there for Kirk's eyes only by the mysterious aliens who appear to have influenced life within the galaxy over eons of time -- a message from the Perservers....

Captain's Log Chronicle Books

Just as Kirk faces the prospect of retirement, he goes on an adventure which offers the chance of recapturing his youth.

100 Ways to Improve Your Writing Imprint
Star Trek legend and veteran author William Shatner discusses the meaning of life, finding value in work, and living well whatever your age. "I have always felt," William Shatner says early in his newest memoir, that "like the great comedian George Burns, who lived to 100, I couldn't die as long as I was booked." And Shatner is always booked. Still, a brief health scare in 2016 forced him to take stock. After mulling over the lessons he's learned, the places he's been, and all the miracles and strange occurrences he's witnessed over the course of an enduring career in Hollywood and on the stage, he arrived at one simple rule for living a long and good life: don't die. It's the only one-size-fits-all advice, Shatner argues in Live Long and...: What I Learned Along the Way, because everyone has a unique life—but, to help us all out, he's more than willing to share stories from his unique life. With a combination of pithy humor and thoughtful vulnerability, Shatner lays out his journey from childhood to peak stardom and all the bumps in the road.

(Sometimes the literal road, as in the case of his 2,400-mile motorcycle trip across the country with a bike that didn't function.) William Shatner is one of our most beloved entertainers, and he intends never to stop entertaining. His funny, provocative, and poignant reflections offer an unforgettable read about a remarkable man.

Willful Child Thomas Dunne Books

Audisee® eBooks with Audio combine professional narration and text highlighting for an engaging read aloud experience! What's a contraction? You'll find the answer inside this book—it's brimming with contractions! Brian P. Cleary's playful rhymes and Brian Gable's humorous illustrations don't shy away from creatively clarifying the concept of contractions. For easy identification, we've printed the

contractions in color. You won't want to miss the comical cats that reinforce each idea. I'm and Won't, They're and Don't: What's a Contraction? turns traditional grammar lesson on end. Read this book aloud and share in the delight of the sense and nonsense of words.

The World of Star Trek Harper Collins
From the New York Times Bestselling author Steven Erikson comes a new science fiction novel of devil-may-care, near calamitous and downright chaotic adventures through the infinite vastness of interstellar space. These are the voyages of the starship A.S.F. Willful Child. Its ongoing mission: to seek out strange new worlds on which to plant the Terran flag, to subjugate and if necessary obliterate new life-forms, to boldly blow the... And so we join the not-terribly-bright but exceedingly cocksure Captain Hadrian Sawback and his motley crew on board the Starship Willful Child for a series of devil-may-care, near-calamitous and downright chaotic adventures through 'the infinite vastness of interstellar space.' The New York Times bestselling author of the acclaimed Malazan Book of the Fallen sequence has taken his lifelong passion for Star Trek and transformed it into a smart, inventive, and hugely entertaining spoof on the whole mankind-exploring-space-for-the-good-of-all-species-but-trashing-stuff-with-a-lot-of-high-tech-gadgets-along-the-way, overblown adventure. The result is an SF novel that deftly parodies the genre while also paying fond homage to it. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Ashes of Eden Penguin

The Tcl language and Tk graphical toolkit are simple and powerful building blocks for

custom applications. The Tcl/Tk combination is increasingly popular because it lets you produce sophisticated graphical interfaces with a few easy commands, develop and change scripts quickly, and conveniently tie together existing utilities or programming libraries. One of the attractive features of Tcl/Tk is the wide variety of commands, many offering a wealth of options. Most of the things you'd like to do have been anticipated by the language's creator, John Ousterhout, or one of the developers of Tcl/Tk's many powerful extensions. Thus, you'll find that a command or option probably exists to provide just what you need. And that's why it's valuable to have a quick reference that briefly describes every command and option in the core Tcl/Tk distribution as well as the most popular extensions. Keep this book on your desk as you write scripts, and you'll be able to find almost instantly the particular option you need. Most chapters consist of alphabetical listings. Since Tk and megawidget packages break down commands by widget, the chapters on these topics are organized by widget along with a section of core commands where appropriate.

Contents include: Core Tcl and Tk commands and Tk widgets C interface (prototypes) Expect [incr Tcl] and [incr Tk] Tix TclX BLT Oratcl, SybTcl, and Tclodbc Red Lobster, White Trash, & the Blue Lagoon Sourcebooks, Inc.
